

"SAY NO TO CORRUPTION"

No.Estt.N.T.I/2026

June 23, 2026

NOTIFICATION

With the approval of the Vice Chancellor, it is notified for the information of all concerned students, graduates, and alumni that the procedure for attestation of degrees by the Higher Education Commission (HEC) has been streamlined through the online Degree Attestation System (DAS).

In this regard, important guidelines and instructions regarding HEC Degree Attestation are available on the University's website. All applicants are advised to carefully read and follow these guidelines before applying for degree attestation through the HEC online portal.

The important guidelines are as follows:

1. The HEC E-Services Portal (<https://eservices.hec.gov.pk/>) is a data-fetching portal only and is not a production server or data-hosting repository. Therefore, students are requested not to create their educational profiles directly on the E-Services Portal for degree attestation purposes.
2. Students must first create their educational profile on the HEC E-Portal (<https://eportal.hec.gov.pk/>) and complete all required educational details. After successfully completing the profile, the system will automatically redirect users to the E-Services Portal for further processing.

Detailed instructions are also available on the University's website:

**Subject: Request for Issuance of Notification Regarding HEC Degree
Attestation Procedure**

Honourable Vice Chancellor,

I am writing to bring to your kind attention towards an issue being faced by a significant number of alumni whose degree attestation applications are currently under process with the Higher Education Commission (HEC).

Although comprehensive guidelines regarding the degree attestation process are available on the University of Karachi website, it has been observed that many applicants hardly pay any heed to go through the guidelines available at the website while creating their educational profiles at the PQR Portal. As a result, they encounter difficulties during the submission process, leading to delays in application processing and an increasing number of pending cases.

In view of the above, you are requested to advise the Registrar to issue a notification highlighting the correct procedure for HEC degree attestation applications. The notification may be disseminated through all official social media platforms of the University of Karachi. Furthermore, the issuance of a press release would be highly beneficial in creating awareness and minimizing procedural errors committed by applicants.

Important Guidelines for the HEC Degree Attestation available on the University's website are as follows:

All students seeking degree attestation from the Higher Education Commission (HEC) are requested to carefully follow the instructions below:

1. The HEC E-Services Portal (<https://eservices.hec.gov.pk/>) is a data-fetching portal only and is not a production server or

data-hosting repository. Therefore, students are requested **not to create their educational profiles directly on the E-Services Portal** for degree attestation purposes.

2. Students must first create their educational profile on the HEC E-Portal (<https://eportal.hec.gov.pk/>) and complete all required educational details. After successfully completing the profile, the system will automatically redirect users to the E-Services Portal for further processing.

Detailed instructions are also available on the University's website:

<https://uok.edu.pk/oric/pqract.php>

Students are requested to follow the above procedure to ensure a smooth and timely attestation process.

Your kind consideration and timely intervention in this matter would be highly appreciated.

Yours truly,

Dr. Syeda Hoor-Ul-Ain

No.AF.2(1),48(6),167(1,5)/2025

October 9, 2025

NOTIFICATION

It is hereby notified for the information of all concerned that the Vice Chancellor on behalf of Academic Council has approved the reissuance of MBA & EMBA degrees awarded from 2020 onwards in adherence to the Implementation of Revised Business Education Roadmap 2019, clause 3, sub clause (a) and clause 4 sub-clause (a) & (b) issued by Higher Education Commission (HEC) with the revised guidelines to expedite the attestation process of the University Alumni.

Further the MBA & EMBA students whose degrees were issued prior to the full implementation of the Revised Business Education Roadmap 2019 (specifying their field of specialization on their degrees) are directed to resubmit their existing degrees to the Degree Section for reissuance. And to prevent future complication the Degree Section is directed not to mention the field of specialization on any future MBA & EMBA degrees issued.

This is being issued with the approval of the Vice-Chancellor.

Subject: Urgent Directives Required: MBA/EMBA Degree Reissuance and Attestation Facilitation

Honourable Vice Chancellor,

This has reference to the PQR meeting with Director QAD, HEC – Mr. Munir Ahmed held on May 21, 2025, at the HEC Regional Office, Karachi, where a significant matter concerning the degrees issued to students at Karachi University Business School (KUBS) was discussed. It was noted that certain discrepancies have been identified in the attestation of degrees awarded, indicating noncompliance with the Revised Business Education Roadmap 2019. This significant negligence has impacted several students who were enrolled and graduated 2020 and onward.

During the meeting, several specific flaws were notified to the Director QAD, HEC – Mr. Munir Ahmed and his team. Mr. Munir Ahmed acknowledged that their portal license had expired in 2018, which created difficulties in approving the program submissions into the PQR Portal. Following negotiations, HEC agreed to attest degrees of KUBS students issued up to 2019. Contrarily, the Director QAD and his team put a reservation forward that the Roadmap of Business Education was revised on March 28, 2019, and the degrees awarded from 2020 onwards should be reissued in accordance with the revised guidelines to expedite the attestation process of the university's alumni.

In this connotation, the In-charge Semester Cell – Prof. Dr. Taseer A. Khan provided us with list of 2,888 students enrolled in MBA and EMBA programs from 2020 to 2024. The same is attached herewith as annexure 'A'.

In view of the above, you are kindly requested to issue your urgent directives to the following sections regarding critical issues pertaining to the reissuance of MBA and EMBA degrees particularly in adherence to the IMPLEMENTATION OF REVISED BUSINESS EDUCATION ROADMAP 2019, clause 3, sub-clause (a) and clause 4 sub-clause (a) & (b). The same is enclosed as annexure 'B'

To ensure a smooth and accurate process for our students enrolled in MBA & EMBA programs, we require the following actions:

1. **Directives to the Controller of Examinations:** We request that the Controller of Examinations be immediately directed to provide the exact counts of all MBA and EMBA degrees that have been issued from 2020 to date. This data must also include the specific field of specialization mentioned on each of these degrees. This comprehensive information is crucial for our indigenous reconciliation and for planning the reissuance process effectively.

Mr. F. Raza

OFFICE OF RESEARCH, INNOVATION, & COMMERCIALIZATION (ORIC)
UNIVERSITY OF KARACHI

2. **Issuance of a Press Release:** To facilitate the attestation process for our affected alumni, it is imperative that a press release be issued in prominent newspapers. This press release should clearly instruct all MBA and EMBA students whose degrees were issued prior to the full implementation of the Revised Business Education Roadmap 2019 (specifying their field of specialization on their degrees) to resubmit their existing degrees to the Degree Section. This will enable them to collect their reissued degrees with a fee waiver, which will be compliant with the new roadmap and thus ease their degree attestation process with external bodies like HEC.
3. **Directive to the Degree Section (KUBS MBA/EMBA Degrees):** Furthermore, to prevent future complications and ensure adherence to the revised roadmap, the Degree Section must be clearly advised and directed not to mention the field of specialization on any future MBA and EMBA degrees issued from the Karachi University Business School. This aligns with the updated framework and will significantly streamline future attestation procedures for our graduates.

The timely execution of these directives is vital to alleviate student distress, ensure compliance with the revised roadmap, and maintain the university's reputation.

Thank you for your immediate attention and necessary action on these pressing matters.

Yours truly,

Dr. Syeda Hoor-Ul-Ain
