MESSAGE FROM VICE CHANCELLOR

It is indeed a matter of immense pleasure for me to know that the Karachi University Business School has launched Specialized BBA & MBA programs while already providing learning opportunity through BBA four years, MBA three and a half year, EMBA, MS and PhD programs. I welcome the new candidates at Karachi University Business School and expect them to gain higher managerial efficiency.

These unique programs will help the students to not only gain knowledge but also acquire better professional qualities as managers. It is expected that after qualifying these programs the students will be able to contribute in the growth of their business as well as their own personality. I, furthermore, congratulate the Chairman and faculty of KUBS for the efforts exerted in starting these programs and welcome new entrants of the programs.

Prof. Dr. Muhammad Qaiser
Vice Chancellor

MESSAGE FROM DEAN

It is a pleasure that the Karachi University Business School is launching BBA and MBA programs to prepare the undergraduate and post graduate students to assume executive responsibilities in the public, corporate and industry sectors in future. The demand of managers and executives in the business organizations located in the city of Karachi will be especially served by the young KUBS graduates by virtue of their quality and up to date professional education. It is hoped that by producing BBA and MBA batches, the KUBS will be providing talented managers and leader to the business, industry and public sectors in the field of management.

I would offer deep felicitation to the Chairman, Karachi University Business School Dr. Danish Siddiqui for his industrious efforts to commence these programs at the department. Special gratitude to Prof Dr. Muhammad Qaiser, Vice Chancellor for his firm support for the new programs.

I wish all success to the program and hope that KUBS will keep bringing in the programs keeping in view the market demands of the economic hub of Pakistan as well as of entire country.

Prof. Dr. Khalid Mehmood Iraqi
Dean, Faculty of Management &
Administrative Sciences
University of Karachi

FROM THE DESK OF CHAIRMAN

This is indeed a great honor for me to announce that Karachi University Business School (KUBS) has launched its BBA & MBA Specialized Programs. These programs have been exclusively designed keeping in view the needs of the market as well as the individuals who wish to excel in their career.

KUBS served as the second best business school all over Asia and has the reputation of providing education of high standard with equal opportunity for all. As a public university, we have a well-equipped department to accomplish our most fundamental purposes of our contributions we make to our collective, intellectual and moral wellbeing and the extent to which we prepare our students to fully engage in a world defined by difference and diversity.

The motive behind starting these programs is mainly due to the fact that most of the private universities are conducting these classes. We are the only public university that has taken the step to start such tailored programs and offer more than 80% specialized courses at MBA level with wide ranging exemptions for our students. In fact our respected Vice Chancellor Prof. Dr. Muhammad Qaiser has taken keen interest and has given full support in starting these programs. The evening and weekend classes and the swift job placements further adds a feather to our department's cap.

We will do what is necessary to create on this campus an environment that can serve as a model for the sort of society we are striving to build.

From the core of my heart, I welcome you all at KUBS, an institution wherein devotion to studies and excellence in education are considered as the prime objectives.

Dr. Danish Ahmed Siddiqui
Chairman

VISION AND MISSION OF KUBS

Vision:

Rooted in the glorious years of history, we aspire for a new dimension of progress based on social equality, sustainability and security. We tend to develop our students into the embodiment of excellence and to be recognized as a progressive and renowned institution for leadership and innovation.

Mission:

Developing effective and responsible leaders by creating insightful knowledge and inspiring minds in dialogue with the world around us. We focus on providing competency-driven education, leveraging our resources to provide experiential learning, committing to continuous improvement and linking our research and outreach efforts to the driving forces of our economy.

Value Statement:

Our vision, mission and values guide our teaching, service and administration. We value:

- ★ Equity in equal opportunities and affordable access
- ★ Ethical conduct in a meaningful environment
- ★ Excellence in teaching and intellectual growth
- ★ Respect for diversity and a collaborative community

GENERAL FACILITIES AT KUBS

COMPUTER LABORATORY:

The computer lab is the popular spot to work on projects outside of class. The lab is equipped with current-model, high-end PC computers, high-speed network and storage, an extensive collection of software - including statistical, financial, accounting, programming, and simulations software - printers, scanners and other equipment to meet student needs.

AUDITORIUM:

The auditorium is equipped with all the modern facilities, with a capacity to seat more than 200 people. It is perfect for lecture series, plays and media presentations. This room features a digital projector, projection screen and a computer to use with the projection equipment. The auditorium has adequate lighting and low maintenance.

CAFETERIA:

KUBS always tries to provide an accommodative environment for the students and has provided place for students to relax and eat. The department cafeteria is the place where students enjoy meals and have social interaction. It also provides them clean environment where they go and discuss academic and social issues with fellow students.

PRAYERS AREA:

A suitable place has been earmarked with necessary arrangement of ablution and prayer for students and staff. The construction of elegant mosque is under active process. All the necessary measures are being taken for offering of prayers and the proper accomplishment of the Islamic teachings.

LIBRARY:

The KUBS library serves as the knowledge resource center of the department. The library strives to develop significant collection of comprehensive course books along with reference books. A significant part of the collection consists of newspapers, manuscripts and philosophy books.

GIRLS COMMON ROOM:

A common room has been exclusively reserved for female students, where they can meet their classmates and friends and engage in discussions in a peaceful and quiet environment. The room is equipped with comfortable furniture and an attached washroom. The room is properly ventilated, well-lit, neat and clean to provide a friendly ambience to its users.

GAMING ZONE:

The Gaming Zone is dedicated to the exploration of games as a creative practice. These activities are experiences that entertain the students and help to communicate profound ideas. Further work is being done on the facilitation of the Gaming Zone to meet student demands and interests.

STUDENT SOCIETIES

As per the changing dynamics and externalities, the management of Karachi University Business School (KUBS) has decided to provide the students of this esteemed department a platform to be a part of “**KUBS Student Council**” and “**Student Societies**” that would be governed officially under the supervision of the administration of KUBS. For this purpose, after gaining positive suggestions and feedback, we have finally come up with a hierarchical structure that is as follows:

STUDENT COUNCIL STRUCTURE

- < President,
- < Vice President,
- < Treasurer Secretary,
- < Joint Secretary

Under the hierarchy of the Joint Secretary, there would be elected Student Council representatives from each class who will be working in a group to provide their suggestions and feedback. The main purpose of the student council will be to represent KUBS as one Department. The KUBS Student Council will be responsible to conduct the agreed events that will be mentioned in the by-laws. The nominated members will be elected by the student votes who will ultimately lead the Council for a period of one year.

STUDENT SOCIETIES

1. Entrepreneurship Society (Mr. Fakhr e Alam)
2. Media and Publications Society (Mr. Muhammad Yamman Khan)
3. Banking and Finance Society (Mr. SohaibuzZaman)
4. Marketing Society (Ms. Sara Anjum)

10. Literary Society (Mr. HammadZafar)

CENTRES AND OFFICES

Personal Effectiveness Unit:

Students may get information regarding scope of their subjects, job market, tips for CV writing and job interviews.

Centre for Executive Education and Research:

To make research a top precedence at KUBS, the Centre is established so that aims to promote and enhance research activities and helping them to commercialize and industrialize.

Placement Cell:

Different Organizations may approach this Office for placing advertisement of jobs/internship in KUBS. Office plays an active role in placement of students in different industries and other Offices.

Quality Enhancement Cell:

The objective of this cell is to support the business school in its endeavors to improve the standard of education and research and make it compatible with international requirements.

Program Offices (Main, Evening, Weekend):

The Program Office is endowed with all utilities for the faculty members and the students. It serves as the communication bridge between the faculty and the student body and also keeps track of faculty and student attendance.

Examination Office:

The Office plays an important role in conducting exams at KUBS. It promotes compliance with the examination rules through a disciplined environment. Moreover, it serves to safeguard the confidential examination matters and ensure fair results.

Affiliation Office:

The Office serves to inspect the educational institution seeking affiliation with, or admission to the privileges of the department. It also resolves complaints alleging breach of conditions of affiliation by affiliated institutions.

Maintenance Office:

The Maintenance Office provides custodial, maintenance, building environment control in addition to responding to the department's maintenance emergencies.

IT Implementation Office:

With the well-equipped computer laboratory and round-the-clock internet connectivity, the IT team is always up-and-coming. Moreover, the online research facility proves the department's value in the research field.

Finance Office:

The Finance Office establishes the department's accounting standards and communicates all major financial procedures and processes to the faculty and students in an effective and consistent method.
