

UNIVERSITY OF KARACHI

EVENING PROGRAM ADMISSIONS 2018-19

**UNIVERSITY OF
KARACHI**

میرے نوجوان دوستو!

"میں نوجوان نسل کی جانب دیکھتا ہوں جو پاکستان کی حقیقی معمار ہے۔ اپنے آپ کو ضائع نہ ہونے دیں اور نہ ہی اپنے آپ کو گمراہ ہونے دیں۔ اپنے درمیان مکمل اتحاد اور یکجہتی پیدا کریں۔ ایسی مثال قائم کریں کہ نوجوان کیا کچھ کر سکتے ہیں۔ آپکا اصل کام اپنے آپ سے وفا، اپنے والدین سے وفا اور اپنے ملک سے وفا ہونا چاہیے۔ اپنی تعلیم کی طرف مکمل توجہ دیں۔ اگر اب آپ نے اپنی توانائی ضائع کی تو اس پر آپ پچھتائیں گے۔ اپنی درسگاہوں سے فارغ التحصیل ہونے کے بعد آپ اپنی اور اپنے وطن کی ترقی کے لیے اپنا آزادانہ کردار ادا کر سکتے ہیں۔"

قائد اعظم محمد علی جناحؒ

University of Karachi

Master's / Diploma / Certificate Programs

Admissions 2018-19

Our Vision

To become a world recognized university accessible to all sections of society and a representative of the best of human values and intellectual endeavor in all academic disciplines, contributing to the success and prosperity of the nation

Our Mission

The University aims to be a prominent international seat of higher learning, providing a vibrant academic environment and a focal point for creativity through research, mobilization of the community and quality education for humanity.

University of Karachi

Prof. Dr. Muhammad Ajmal Khan S.I.
Vice Chancellor

MESSAGE

I welcome all the keen seekers of admission to the University of Karachi, who can secure admission in the desired department by satisfying the specific criteria. I find it important to highlight that the University of Karachi is making efforts to promote higher education in the region. Due to this fact, University of Karachi stands in the list of top 200 Universities in Asia. Nevertheless, this journey of rapid development does not limit itself to the current international ranking only; we are rather trying very hard to take our Alma Mater to the list of top universities in the World. In this relation, extensive developmental work is being carried out in every sphere of the University, be it academic or administrative.

Our teaching and research is on a par with the international standards and address issues that have a global impact. Despite acute financial crises, the facilities that the University provides make the learning process easier and interesting. In short, we are fervently trying to raise a well-educated, professionally skilled and technically advanced new generation in Pakistan.

It is a matter of pride for me that the name of University of Karachi is a guarantee for absolute success and leadership in every field. This has been possible because of its alumni who are serving at outstanding positions at all levels of societal and professional brilliance.

As far as the admissions **2018-19** are concerned, I must say that we follow very strict merit criteria for admission in all the departments. Self-finance seats are introduced for the prospective students but even there the basic merit criteria are not compromised.

I wish best of luck to all those who wish to join University of Karachi for further studies and ensure that merit is given the first priority at University of Karachi.

Prof. Dr. Muhammad Ajmal Khan S.I.
Vice-Chancellor

Directorate of Evening Program University of Karachi

*Prof. Dr. Abid Hasnain
Director Evening*

MESSAGE

I would like to take this opportunity to welcome the students who wish to get admission in this august institution.

University of Karachi is one of the oldest and highly renowned institutions in Pakistan and has worldwide recognition. The higher education through evening program is an opportunity for those who due to any reason may not continue their education. Thus, the Evening Program with highly qualified and dedicated faculty members and supporting staff provide them an excellent opportunity to excel in the fields of their interest.

We have a very good reputation during the last 22 years and I sincerely hope that with the support and cooperation of the faculty members we will be able to produce the best graduates in all disciplines who will serve the country with pride and honour.

I wish the new entrants a very bright and successful future.

Prof. Dr. Abid Hasnain
Director Evening

Directorate of Admissions

University of Karachi

Prof. Dr. M. Ahmed Qadri
Director Admissions

MESSAGE

Welcome to the University of Karachi, where excellence is nurtured, pursued and celebrated as we work to create a positive change for a better world. The University has digitalized its entire admission process in order to facilitate students seeking admission to our esteemed institution. Due to computerization and modernization, our University is now globally connected and the information regarding admission criteria, and subsequent admission process, can now be fully accessed and completed by all applicants with ease. The applicants will now be able to submit their applications and fees online without visiting the University.

Outstanding students, staff and alumni, cross-sectoral partners, and research based teaching have all combined to place the University of Karachi in the top echelons of the world's universities. The confluence of teaching and research creates a distinctive learning environment for our students.

The University offers rigorous and vibrant undergraduate, graduate and postgraduate degree programs in the Faculties of Education, Islamic Studies, Law, Management & Administrative Sciences, Medicine, Pharmacy, Science, and Arts & Social Sciences. The teaching and research programs are supervised by our renowned scholars. The University of Karachi also offers graduate and post-graduate students' laboratories, a vast and rich and diverse library of printed books as well as a digital library, moreover video-conferencing facilities in a multi-disciplinary environment are also available.

All these quintessential components, outstanding teaching, scholarships, support programs with flexibility and choice in programs, co-curricular and extra-curricular benefits combine to create a transformational and productive academic experience. Therefore, our students are the emerging leaders who will help shape tomorrow's world and create a positive change.

Generations of students, staff and alumni have built a positive image and reputation. I am confident that the students of the University of Karachi of today, and also tomorrow, will significantly enhance its name and reputation in the future.

Prof. Dr. M. Ahmed Qadri

COMMENCEMENT OF CLASSES:	10th August 2018

Introduction

Established in June, 1951 the University of Karachi is known as one of the premier centers of teaching and research in the sub-continent and the third world. A large number of students from Karachi and other parts of the country are desirous of admission at this university for its high standard of education and highly qualified faculty. A number of scientists and scholars affiliated with the University are working in important positions both within and outside Pakistan and have won significant recognition and acclaim. One of the institutes of the University has got the distinction of being named as the Centre of the Third World Academy of Sciences. Students from several foreign countries are also pursuing for the Masters and Doctorate degrees. As the population of the city is increasing day by day, it is a real challenge for the University to accommodate all the applicants in various courses of studies in the morning program. Hence, to meet the increasing demand of education in various disciplines, the university has been running the Evening Programs in several departments at the Masters, BS, B.A./B.Sc.(Hons.), Diploma and Certificate levels since the Directorate of Evening Program was established in 1995 to administer the Evening Program. The curricula for Morning and Evening programs are identical for the awards of university's degrees. In most cases, same teachers as well as the same laboratories and library facilities are available to the students of the morning and evening programs. Attendance, teaching and examination standard are the same for both the shifts.

At present, teaching in the University campus is conducted under eight faculties; Faculty Arts & of Social Sciences, Faculty of Education, Faculty of Engineering, Faculty of Islamic Studies, Faculty of Law, Faculty of Management & Administrative Sciences, Faculty of Pharmacy and Faculty of Science. As many as 54 departments and over 19 research institute/centers are imparting education to more than 35,000 students including students from foreign countries. The faculty comprises more than 650 highly qualified and experienced teachers; many of them have obtained higher degrees from abroad and earned international repute. The non-teaching staff comprises more than 2500 members to help with administrative and other matters.

The University of Karachi is also an affiliating and examining body. At present, more than 145 colleges and institutions are affiliated to the University. The courses of studies for these institutions are approved by the University and examinations are also conducted under its auspices. The University conducts examination of about 150,000 students studying in these colleges/institutes, and prepares their results and awards degrees.

Students' Affairs

To look after students affairs in general, and to supervise their extra curricular activities, an office of Advisor Students Affairs for the purpose is situated at the first floor of the Administration block. Teachers and the staff are available for guidance of the students.

In order to help the passing out students in securing jobs and solve their practical problems, an office of Students Guidance, Counseling and Placement Bureau functions at the first floor of a building facing Masjid-e-Ibrahim. The Bureau also conducts preparatory classes, every year, for those who wish to appear in the CSS examinations or to develop proficiency in the English language.

Discipline Committee

A discipline committee maintains law and order at the campus to ensure a proper academic environment. The Committee takes notice of the cases of infringement of law and order, and undesirable activities at the campus, and takes disciplinary action against the offenders. The Vice-Chancellor is Chairman of this Committee while the Advisor, Students' Affairs is its member secretary. The Committee meets several times a year to review the prevailing law and order situation and other related matters and take appropriate decisions.

Evening Program

The Evening Program of the University of Karachi offers Masters, Diploma and Certificates Programs. The timings of the program have been scheduled from 3:30 p.m. In departments where laboratory experiments are involved, it usual commences at 3:30 p.m. while in others, teaching schedule is decided by the department's management according to the needs of the courses within the working hours of the Evening Program. The timings of the program provide an excellent opportunity to individuals, who are in-service and want to improve their academic qualifications, for enhancing their learning and career prospects.

During the holy month of Ramdan, the classes remain suspended. There are two semesters in a year. Tuition fee is charged in each semester. The fee varies from Rs.13,000/- to 56,000/- per semester for different programs.

Who Should Enroll ?

- All prospective students wishing to join the University immediately to have an early start of their higher education.
- In-service candidates who are keen to improve their qualifications and skills.
- Female students are encouraged to enroll. Presently, nearly 50% girls are studying in the Evening Program.
- There is no restriction on the year of passing, but the pre-requisite examination must have been passed from a recognized institution / University.
- Minimum eligibility for admission is 2nd Division with at least 45% marks unless otherwise stated. Division Raised, Grace or Condonation marks shall not be considered. Department & Programs details are laid down in **Table I, II & III**.

System of Studies

The University follows the semester system. One academic year consists of two semesters (details available in the Academic Calendar shown at the end of this brochure).

Students admitted in the University have to be conversant with the University rules and must abide by them.

Rules governing attendance and promotion are of special importance. Under these rules:

1. Minimum attendance requirement to appear in the examination of any subject/course is 75%. For details please see 'Semester Examination Rules', booklet, available at the University Book Shop.
2. A student will not be promoted to the next higher class unless he/she has cleared at least 80% of the courses. This rule is being strictly followed as per decision of the University's Academic Council.

Instructions for Foreign Students

Foreign students are admitted to this University on nomination from the Ministry of Foreign Affairs and Ministry of Education, Government of Pakistan, subject to eligibility. Foreign students shall pay the prescribed fee shown in **Table-IV**.

Admission Policy

Admissions in University of Karachi are given according to merit. However, certain seats are reserved for university teachers, employees and their dependents, special persons and Army personnels. For reserved seats also, merit is the only criterion.

Additional five percent (5%) of the seats, allocated for open merit, have been reserved for applicants who have completed their graduation from other degree awarding institutions, situated in Karachi and recognized by the University of Karachi.

Note:

Subject to eligibility, admissions on reserved seats for armed forces are granted through nominations from the General Headquarters.

Admissions on Merit Seats

Since the number of applicants for the Master's Programs is much higher than the number of seats available, the admissions have been categorized in three groups i.e. K, S, and P. Each category is defined as follows:

Category "K"

Category "K" refers to those applicants who have passed their Secondary School Certificate (SSC or Matric), Higher Secondary Certificate (HSC or Intermediate) or equivalent, and graduation from the educational institutions, which are situated in Karachi and are also recognized by or affiliated with the University of Karachi.

Additional five percent (5%) of the seats, allocated for open merit, have been reserved for applicants who have completed their graduation from other degree awarding institutions, situated in Karachi and recognized by the University of Karachi.

CATEGORY "S"

Category "S" refers to those applicants who have passed at least one of the certificates: SSC/Matric, HSC/Intermediate or Bachelor's degree examinations from a recognized educational institution in the Province of Sindh (excluding Karachi).

CATEGORY "P"

Category "P" refers to those applicants who have passed at least one of the certificates, SSC/Matric, HSC/Intermediate or Bachelor's degree examinations from a recognized educational institution outside the Province of Sindh but within Pakistan.

Preference in admissions is given to "K" category candidates. If applicants are fewer than the seats, or if they do not qualify the eligibility criteria, or if the seats are left vacant, then "S" category candidates are considered. If seats are still available then consideration is given to "P" category candidates.

Additional two (2%) of the total allocated seats in each department is apportioned for the dependents (sons, daughters and spouse) of the employees of University of Karachi and for the special persons. Similarly, seats are reserved for the self-financed candidates

Note: Admissions in the Entry-Test-Based departments will be granted on merit after qualifying the Entry Test (minimum passing marks is 50%) irrespective of categories and reserved seats.

Admissions on open merit in the University are given strictly as per the above mentioned criteria of categories.

CHANGE OF CATEGORY (FOR OPEN MERIT BASED DEPARTMENTS)

Candidates who fulfill the following conditions can apply for change of category from S or P to K.

1. Those students whose parent (father or mother)/guardian has the domicile of Karachi but they have passed the pre-requisite examination from abroad that was conducted by any registered International Institution or any Pakistani Board or University, will have to produce the domicile certificate and copy of CNIC of their parent /guardian, showing their permanent address in Karachi.

2. Students whose parent / guardian are employed with Federal or Sindh Governments, Autonomous or Semi-autonomous bodies, Government Corporations, or Armed Forces, and who have been posted in or transferred to Karachi during the last three (03) years (for Bachelor's program) or five (05) years (for Master's program) will have to produce the appointment/deputation/transfer letter and joining letter of their Parents (father/mother) along with their application. Such candidates must have completed their further education from educational institutions located in Karachi after the date of transfer or posting of their parents.
3. Additional three percent (3%) seats in each department will be allocated for those candidates who have passed their pre-requisite examinations from a recognized educational institution located outside Karachi but they have their initial education including SSC/Matric and HSC/Intermediate from Karachi. Such candidates should have a CNIC and Permanent Residence Certificate (PRC) of Karachi and their parents should have the domicile and CNIC indicating their permanent address in Karachi. Candidates below the age of 18 years are required to submit scan copy of their 'B'-Form.
4. A candidate who comes under 'S' or 'P' category, but she/he has got married to a permanent resident of Karachi should submit a copy of the 'Nikah nama' along with the domicile and CNIC of his/her spouse showing his/her permanent address in Karachi.

APPLICATION FOR CHANGE OF CATEGORY: (FOR OPEN MERIT BASED DEPARTMENTS)

All such applicants who fulfill any of the criteria for change of category to 'K' described above, should attach, with their forms, an application on plain paper for change of category together with the required documents mentioned above. At the time of admission, they will have to produce the original and copies of all the documents.

Note: The candidates who are applying for Test-based departments are not required to apply for change of category.

ADMISSIONS ON SELF-FINANCED SEATS

The University offers admissions on Self-Financed Seats in Master's programs. The numbers of seats, distribution of seats in Master's Degree Programs.

Faculties of Science, Arts & Social Sciences, Islamic Studies

Rs. 200,000/-

Management & Administrative Sciences, Pharmacy and Pharmaceutical Sciences

ADMISSIONS ON RESERVED SEATS

Candidates for admission to reserved seats should ensure that they meet the criteria of eligibility for the University as well as the department concerned.

CONDITIONS FOR ELIGIBILITY

The conditions for eligibility, whether applying on merit or reserved seats, are given below:

Admission in the Faculties of Science, Arts & Social Sciences, Islamic Studies or Management & Administrative Sciences, Pharmacy and Pharmaceutical Sciences, Engineering and Law will be granted as per the eligibility criteria of the department (Grace/Condoned marks will not be taken into account).

- i. A student placed in 3rd division or obtaining less than forty-five percent (45%) marks in the pre-requisite examination is **NOT ELIGIBLE** for admission in the University.
- ii. A candidate who has already obtained a Master's degree is not eligible for re-admission or fresh admission in any Master's Programs or a candidate who has already obtained a Master's degree is not eligible for re-admission or fresh admission in any Master's Programs. If any such case is discovered, the student's admission will be cancelled at any stage of the studies and legal action can be initiated.
- iii. Candidates desirous of taking admission on the basis of degrees/certificates awarded by public sector institutions in Pakistan should get the equivalence of their degrees/certificates determined by the University Equivalence Committee.
- iv. All admissions are provisional subject to verification of documents. Fake documents and admissions/Inadvertent admission of candidates from non-recognized institutions can be cancelled at any time.

Procedure of Admission

1. The date of opening of admissions, availability of forms, submission of online forms and other details are announced through the University of Karachi website www.uok.edu.pk and www.uokadmission.edu.pk and advertisements in the newspapers.
2. Application forms will be available on the website www.uok.edu.pk and www.uokadmission.edu.pk with all the relevant instructions as well as the demo for guidance of the students. The applicants are required to read the instructions carefully. In case, if any mistake is committed by the applicant, the University shall not be held liable for such omission/commission.

3. Applicants are instructed to select departments strictly in accordance with eligibility criteria listed in Table I for Masters Program, Table II for Diploma Programs and Table III for Certificates Program. A maximum of five (05) choices of departments can be given in order of preference. The names of the departments should be mentioned very carefully since it is not possible to make any changes in the form once it is submitted.
4. Closing percentages for Masters Admissions 2017-18 are given in Table-V, Page No. 59 respectively. These percentages are only for guidance.
5. A candidate can apply for admission on Open Merit and Test Based Departments through same online forms, if any candidate submits more than one form for admission in Evening Program, all of her/his forms will be cancelled.
6. The provisional merit list of successful candidates will be displayed on the website of the University on the dates mentioned therein.

Procedure of Admission for selected candidates:

The list of successful candidates shall be displayed on www.uok.edu.pk.

Instructions for candidates whose names appear in the Admission Merit List

Candidates whose names appear on the admission list must complete all the formalities for admission within the stipulated time, otherwise their admission will lapse and no claim will be entertained.

The following documents are required to be submitted for completion of the admission process:

1. Print out of duly filled application form, submitted online by the applicant.
2. Original Marks Sheet of the last examination i.e. H.S.C./Intermediate or equivalent for Bachelors and Bachelors degree/Graduation for Masters Program (non-returnable).
3. An Original character certificate from the Head of the last attended institution. For external candidates, a character certificate is required from any gazetted officer (non-returnable).
4. Original and copy of the CNIC of the candidate. In case where the candidate is below 18 years of age, the original and a copy of his/her parent's (father/mother)/guardian CNIC. The original will be returned after verification.
5. The original certificate of S.S.C./Matric, H.S.C./Intermediate, A/O Level and an attested copy of the same. The original will be returned after verification.
6. Three (3) recent photographs (1x1.5 inch) on a white background.
7. Payment of prescribed Fee. (**Table-V Page No.57 to 59**)
8. Signed copy of an undertaking on Rs.100/ stamp paper (specimen attached on page No.9).

Date and Timings of Classes:

- a) **Regular Classes shall commence from August 10th, 2018.**
- b) Classes will start at 3:30 p.m.
- c) The University rules regarding the attendance and promotion from one class to another are the same as applicable to the morning students of the University of Karachi.
- d) **In order to commence teaching, the minimum number of students enrolled in Masters, Diploma and Certificate programs is 35 while.**

Note:

- After the completion of admission fee submission for the merit list, candidates who are not admitted to any department, will be given a choice to apply again online for those departments where seats are vacant provided they are eligible and their percentages fall within the closing percentages of those departments.
- Students of Diploma leading to Master Programs who have appeared in the final examinations but are waiting for result should register themselves online but they need not to fill the admission form. Admissions of such students shall be processed on recommendation from the chairman of the concerned department.
- If the minimum number of students does not register by paying the fee in time, the program shall not be initiated and the fee shall be refunded to the registered students.

Important Note:

Any admission secured on the basis of fake documents or misinformation shall be cancelled and fees shall be confiscated in favor of the University of Karachi at any time. It is to be pointed out that all admissions are provisional and subject to verification of documents.

Department of

Arabic

Introduction

The department of Arabic is enjoying the patronage of renowned scholars of international repute. The cautiously designed syllabus has considered the needs of students and the contemporary literary world that is a confluence of ancient and modern Arabic Literature, Language and Linguistics. Besides academic activities, co-curricular activities are also stressed like extension lectures, debates, study tours, picnics and other events to discover, enhance and polish the abilities and talent of the students.

At present fifty seven (57) courses of Arabic Literature, Language and Linguistics are taught including computer and research methodology.

Facilities

There is a well-stocked Seminar Library in the department containing books on almost all relevant subjects, a state-of-the-art Computer Lab with internet facility and modern audiovisual aids.

Career Opportunities

The degree in Arabic would prove to be a key of success opening the doors of diversified fields such as teaching, translation, (academic, diplomatic and commercial etc.) and in electronic media as well.

Department of

Criminology

Introduction

Masters program in criminology was initiated in 1995. Dr. Naseer A. Shaikh, Dr. Abdul Wahab, Dr. Muhammad Shoaib Suddle, Prof. Shamim Hashmi, Dr. Fateh Muhammad Burfat, and Mr. Jameel Yousuf were the pioneers of the program. The program was upgraded and the Department of Criminology was established in 2014. The major objective of the program is to provide the students with hands on- training in the specialized fields of criminology such as control of violence and terrorism, forensic criminology, policing, security, criminal investigation, juvenile justice system, organized crime, money laundering, fraud and drug abuse related issues.

Facilities

Department of Criminology is a newly established department; efforts are being made to develop well equipped Forensic and Computer Laboratories and Seminar Library.

Career Opportunities

Criminologists are employed in Police, Military, Intelligence Agencies, National Accountability Bureau, Correctional Institutions, national and international NGOs and they are also working as Parole and Probation Officers, Juvenile Court Workers, Criminal Investigators, Security Experts, Crime Reporters, Correctional Counselors, Rehabilitation Counselors.

Department of

Economics

Introduction

The department of Economics is one of the largest departments in the Faculty of Social Sciences. It was established in 1950-51 with the enactment of the University of Karachi Act, at the old campus in the city, and was later shifted to its present location in 1960. Professor Newman Joseph Adams, an American national, was appointed as the first Chairman of the department. Due to its academic stance the department of Economics has the distinction of being recognized as a premier department in the country. Many of its graduates, have had secured key positions at various national as well as international organizations. It is because of these standards that the department was accorded with the honor of establishing a center of national capability in Economics by the name of "Applied Economics Research Center" through a grant from the Sindh Government.

Facilities

The seminar library has a good collection of books and periodicals related to Economics, Finance and Transport. In order to fill the gaps, an inter-library books borrowing and lending facilities are also available with other major libraries in the city. The department has two well-equipped computer labs.

Specific Research Areas

The research interest of the teaching faculty includes: International / Global Economics; Monetary Economics; Islamic Economics; Innovation & Productivity; Globalization Economics Growth; Development Economics; Banking & Finance; Human Resource Management and Financial Economics.

Career Opportunities

Graduation from Economics Department provides an opportunity of fresh graduates to secure respectable positions in various national and international institutions. They include State Bank of Pakistan; Planning Commission; Ministry of Finance & Economics Affairs; national and private banks; research institutions and finance &

brokerage companies; teaching positions in universities and colleges; and mid-career level managerial position in national and multinational companies.

Department of

Library & Information Science

Introduction

Department of Library Science, established in 1956, was the first ever to offer professional degree in Pakistan. Masters in Library Science (M.L.S.) has been offered since 1962. Since 1982 the Department has been known as Department of Library and Information Science, and information control / management became an integral part of the studies. Computer lab for practical training was established in 1984. Ph.D. Program of the Department was initiated in 1967.

The founder Chairman, Dr. Abdul Moid was the first Ph. D. holder in Library Science from the USA (1964). He was also the Chief Librarian of Karachi University Library (presently Dr. Mahmood Hussain Library). The Seminar library of the Department, inaugurated in 1985, is named after him.

Facilities

The Department of Library and Information Science has a well-stocked seminar library, a practical lab for cataloguing and classification and a large computer lab with 24 Pentium-IV PCs and 10 Core 2 due Pcs with the facility of networking and Internet. Multimedia, slide projectors, sound system and other equipment are available for academic and co-academic activities.

Specific Research Areas

Research is actively pursued by the faculty in their respective fields of interest. The students are required to produce research at various levels, ranging from short assignments to the optional Final year thesis.

Career Opportunities

As knowledge and information is needed by everyone and everywhere, all types of academic / research/ professional institutions need librarians. The need of a trained person to control and to search relevant information in the modern time has become a necessity. Opportunities for outgoing students are open in public and private sector and packages offered are better in comparison to other professions. In government offices, BLIS / BS degree holders are offered 16/17 (BPS) and MLIS 17 (BPS) and above.

Department of

Mass Communication

Introduction

Established as Department of Journalism in 1955 with a diploma course for working journalists, it was renamed as Department of Mass Communication in 1985. The department was established with an aim to produce qualified and trained journalists and media professional to cater to the growing needs of the media industry. A full-fledged M.A. program replaced the diploma program in 1962 to modernize media education in the country.

Facilities

The department has sufficiently equipped six teaching and training labs, TV lab, news lab, advertising lab and two computer labs, (one each for Urdu and English). The department runs FM Radio channel which provides a training base for the students in radio broadcasting.

Career Opportunities

Students have wide job opportunities in the growing industry including media and advertising and public relations. Some of the students conveniently find positions in private sector FM radio and TV channels and print media even before passing out.

At both Bachelors and Masters level the department offers specialization in three different streams;

- Print Media
- Electronic Media
- Advertising and Public Relations

Department of

Political Science

Introduction

The department of Political Science was established in 1952. It has since then initiated programs for the award of research degrees of M.Phil. and Ph.D. in Political Science and its allied fields.

The Department of Political Science has been playing an important role in the overall development of the University. It has been the mother of the Department of International Relations, Sociology and Public Administration. At present the department is second in the Faculty of Social Sciences, after Economics, in terms of the number of students enrolled.

Facilities

The department has a fully functional Seminar Library with over 2000 books. Most of the books are recent publications in the subject in both English and Urdu. The library also offers dailies, periodicals and research journals for reading to its students. Moreover, there is a well equipped specialized Library with latest books and periodicals in all the areas relevant to Public Policy. The Library maintains a reference section which has a reasonable collection of books for ready reference. Thus the Library provides a very supportive environment for research activities.

Computer Lab

The Computer Lab is equipped with high speed computers, printers and scanner facilities. These computers are networked with a server and a stand by server. Audio/ Visual aids including multimedia option are used during presentations/lectures. Internet access is also available to the students.

Specific Research Areas

Global Politics, Political Economy, International Relations, Comparative Politics, Islamic Political System, Government and Politics of Pakistan, Western Political Theory, Foreign Policy Theory and practice with reference to India, USA, UK, China and the Muslim countries.

Career Opportunities

In addition to teaching and research positions in academic settings, Political Science degree holders are prepared for careers at all levels of government as well as journalism, International business, International risk analysis and Political campaign organization their skills of surveys and statistical analysis is in high demand in the public and private sectors. Their knowledge and scientific education on current affairs, both national and international, caters to the needs of the job market especially competitive exams.

Department of

Psychology

Introduction

The department of Psychology came into existence in 1954 under the Chairmanship of Professor Dr. Qazi Aslam. It gradually attracted both students and teachers with the result that teaching and research psychologists like Dr. Haseen Uddin Zuberi, Dr. S. M. Hafeez Zaid, Dr. Farrukh Z. Ahmed, Dr. Afzal Imam and Dr. M. Wasim led the department to its present academic heights. It has now become one of the leading departments in the Faculty of Social Sciences.

Since 1956, the teaching and practice of Clinical psychology has enjoyed popularity both amongst teachers and students of the department.

Teachers of the department are also members of the Sindh Psychological Association and the Pakistan Psychological Association. They further act as subject specialists in the Provincial and Federal Public service commission for the appointment of teachers in colleges. Seminars, lectures, mental health camps, conferences and professional development courses, etc. are arranged for the students so that they remain updated with current activities and will be able to grow intellectually.

Facilities

The department's library has a collection of over 800 books. This large collection includes latest Books, publications and encyclopedias. The department is fully equipped with audio-visual aids for meeting the instructional needs.

The Department of Psychology is committed for mental health awareness, and continuously offering Psychological Services which includes, Assessment Counseling and Psychotherapies to the students, faculty, staff members and community at large.

Specific Research Areas

The Faculty members are actively involved in pursuing important areas in research. Some research topics include: child development

relationship, gender issues, community psychology, therapeutic techniques and diagnosis, organizational behavior, consumer behavior, social and psychological issues.

Career Opportunities

After doing Masters in Psychology (Clinical/Industrial/Educational /Investigative Psychology), the students can pursue careers in any of the following fields:

Department of

Urdu

Introduction

The department of Urdu officially came into existence in 1955 when the University of Karachi decided to organize postgraduate classes in Urdu under its own management instead of through the colleges.

At the time of its establishment, Moulvi Abdul Haq, *Baba-e-Urdu* was made honorary Professor and the Chairman of the Department. Teaching responsibilities were carried out by the teachers of local colleges. Later Dr. Ghulam Mustafa Khan, a prominent scholar and Professor at Urdu College Karachi, was appointed both as a cooperative teacher and as the Chairman of the department. In the same year, Dr. Abul Lais Siddiqui was appointed as a Reader and Chairman and Dr. Abdul Qayyum, Dr. Syed Shah Ali, and Qudratullah Fatimi joined as lecturers.

With the valuable efforts and abilities of these teachers and scholars, the department has kept making progress. The following famous academics have been associated with the Urdu department. Dr. Syed Abul Khair Kashfi, Dr. Farman Fatehpuri, Dr. Aslam Farrukhi, Prof. Jameel Akhtar Khan, Dr. Haneef Fauq, Dr. Younus Hasni, Shamim Ahmed, Prof. Sahar Ansari, Dr. Vaqar Ahmed Rizvi, Dr. Sidiqa Arman, Dr. Moinuddin Aqeel, Dr. Zafar Iqbal and Dr. Uzma Farman.

The department of Urdu has a prominent position in the University of Karachi for research. Over 80 people have completed their Ph.D. research program and approximately twelve projects are in progress.

In addition to regular teaching and lectures, co-curricular literary and academic activities and gatherings are also held frequently.

Centre of Excellence for

Women's & Gender Studies

Introduction

Since the last 27 years Centre of Excellence for Women's Studies (CEWS) University of Karachi has been offering teaching and research facilities in a friendly environment to prepare students to act as agents of change. We are the first to offer M.A. and M. Phil/Ph.D. degree programs in Pakistan, currently the Centre offers M.A., B.A.(Hons.) (Morning / Evening) and M.Phil. / Ph.D. programs. Women's Studies, an interdisciplinary subject, aims to make visible women's role and contribution towards building a gender-bias free society for a holistic development of the nation. We offer a variety of courses to address the issues of women and gender, both nationally and internationally. The major focus of our teaching and research is to bridge the gap between the academia and women at the grass-root level. Thus, our students move beyond the Campus and interact with women to document their every-day lived experiences.

Career Opportunities

As Women's Studies prepares students to act as agents of social change, therefore, our students are well equipped and trained to take up jobs that a person qualified in any other discipline can undertake. Majority of CEWS graduates are now hired in various positions by government and non-government agencies. As one of the requirement of our teaching is practicum, our students work as interns with various GOs/NGOs and thus gain practical training and gain experience. To help our students in their future careers, we remain engaged with the corporate sector.

Facilities

CEWS has well-qualified faculty to help and assist students in their quest for knowledge. We also invite scholars, academics and activists from various fields to share their scholarship and experiences with our students.

Our library with its holding of more than 4000 books, journals, reports on women and gender is the only library of its kind in the country. We have

a collection of press-clippings on almost all aspects of women's lives. Our library is accessed not only by our students but it also caters to the academic search needs of scholars, activists and journalist who wish to avail this facility. Soon, our library catalogue is accessible through our electronic portal.

Specific Research Areas

- Women & Work: Child Labour, Girl Child, Self-Employed Women
- Women & Entrepreneurship
- Women, Religion & Religious Traditions
- Health Concerns of Women & Gender
- Women's History
- Women & Law
- Women & Politics
- Women & Media
- Women Sports & Physical Education
- Psychology of Women
- Development Planning (nationally & globally) and Women

Department of

Special Education

Introduction

The vision of the Department of Special Education is that of an inclusive society in which all individuals are afforded equal access and opportunities that improve the quality of life. The mission of the department is to create such a society through innovative and collaborative personnel preparation, research and scholarly activity, and advocacy. The goal of the Department of Special Education is to provide university students with information and skills in working with persons with disabilities. The department provides Baccalaureate and Post Baccalaureate degrees in Special Education that prepares educators to become eligible for working in Special Education. Our faculty and staff are committed to preparing educators who desire to help children reach their potential. Prepare to make a difference.

Facilities

The department has lecturer and seminar rooms, audio visual room, as well as seminar library with most recent books. The department has equipment which provides practical work facilities to students as well as exposure of practical teaching at special schools.

Specific Research Areas

- Five Major Disabilities (Visual Impairment, Learning Disabilities, Hearing Impairment, Physical Handicap, Mental Retardation).
- Disabilities and Psychology
- High & low incidence disability
- Professional services (Occupational Therapy, Physiotherapy, Speech Therapy).
- Teaching strategy (Curriculum Planning, Assessment and Management).
- Early Intervention
- Behavior Management
- Rehabilitation and Community
- Inclusive Education
- Teachers' Development
- Guidance & Counseling

- Vocational Education
- Educational programming
- Issues in Special Education
- Audiology
- Management and Leadership

Career Opportunities

A career in Special Education is very rewarding. Careers for graduates from the Special Education department include teachers within general or special education settings, early intervention educators, adult service/workforce providers, for positions in clinical settings and careers with organization serving individuals with disabilities. Those in the Ph. D program often enter faculty positions in higher education. Programs are designed for students who desire to enter educational and human services professions.

Faculty Members

Professors

- Dr. Shagufta Shahzadi
- Dr. Nasir Sulman (*Dean Faculty of Education*)

Associate Professors

- Dr. Humera Aziz (*Chairperson*)

Department of

Teacher Education

Introduction

The Department of Teacher Education is a newly established program at the University of Karachi. The Department offers B.Ed.(Hons.) program for the first time bringing a change in the scenario of Teacher Education in the country. The department aims at providing high quality teachers in line with National Professional Standards for Teachers in Pakistan for developing teachers for 21st century as reflective professionals.

Facilities

The program is being run under the supervision of Dean, Faculty of Education, University of Karachi. The program has a seminar library with all recent reading materials and teacher aids. Further to it, the students enrolled in the program can take benefit from all centralized student support services available at the University of Karachi.

Career Opportunities

Teaching is one of the largest professions with ample opportunities for Continuous Professional Development. B.Ed. (Hons.) is pre-service degree for prospective teachers. The graduates of this program can serve at beginner, mid-career and senior professional career ladder such as Elementary and Secondary School Teachers, Academic Coordinators, Educational Evaluators, Educational Managers, Curriculum Developers, Educational Researchers, Teacher Educators and Master Trainers, both at Government and NGO levels.

Specific Research Areas

- Child Development
- General Methods of Teaching
- Classroom Management
- Classroom Assessment, Test Development & Evaluation
- School, community and Teacher
- Foundations of Education
- Educational Psychology
- Guidance and Counseling

- Research Methods in Education
- School Management
- Curriculum Development
- Trends and contemporary issues in Education
- Comparative Education

Faculty Members

Assistant Professors

- Dr. Safia Urooj (*In charge*)
- Dr. Imtiaz Ahmad
- Dr. Muhammad Asim

Lecturer

- Mr. Intizar Hussain
- Ms. Syeda Nazish Hasan
- Ms. Qurat ul Ain Rauf Khan

Program Available

Masters Programs

- B.Ed. (2 year program after ADE)
- B.Ed (Hons) Secondary (1.5 Years) (Weekend Program)
- M.Ed (Weekend Program)

Postgraduate Diploma

(Leading to Masters Program) (Weekend Program)

- Early Childhood Education

Department of

Islamic Learning

Introduction

Department of Islamic Learning is one of the oldest departments of the University of Karachi and was founded in 1954 to fulfill the need of scholars of Islamic studies in various institutions of Islamic Republic of Pakistan. The department aims to promote the study of Islamic thoughts and offers an opportunity to study Islam on Graduate and Post- Graduate level. The M. Phil. and Ph.D. program in the department of Islamic learning covers the general areas of Islamic Studies with special focus on the modern and contemporary issues. The area of Islamic thought, Islamic Economics, Comparative Religion, Islamic Sociology and Muslim Political thought are also be pursued in the Ph.D. Program.

The department is situated in a beautiful building of Islamic Studies near Masjid-i-Ibrahim. In this department students are learning Islamic sciences like Tafseer, Hadith, Seerah, History, Islamic Jurisprudence, Principles of Islamic Jurisprudence, Mysticism, Ethics, Philosophy and Arabic. The department is producing scholars for educational, religious and social institutions for the country and abroad.

Facilities

The Seminar Library provides a valuable resource of bibliographical and reference works, news sources, and current periodicals on Islam and Muslim World.

Specific Research Areas

The faculty members of the department of Islamic Studies are engaged in research projects funded by the university as well as on individual capacity. Their research articles are published in the journal of the faculty and in the reputed journals of Islamic Studies in Pakistan and abroad. The faculty members of the department also participate in the debate, discussions and talk-shows of different television channels and provide their views on different national and international issues of Islam and Muslim Ummah.

Career Opportunities

Students passing out from this department provide their services to educational institutions, research institutes, religious institutions and armed forces.

Faculty Members

Associate Professor

- Dr. Zahid Ali Zahidi (*Chairman*)
- Dr. M. Arif Khan Saqi

Assistant Professors

- Dr. Nasiruddin
- Dr. Taj Muhammad
- Dr. Muhammad Atif Aslam
- Dr. Jawad Haider
- Dr. Umair Mahmood Siddiqui

Program Available

- Masters in Islamic Learning
- Islamic Banking & Finance (IBF)

Department of

Quran-o-Sunnah

Introduction

The Department was established in 2000. Master's Degree Program is available in this department. All the Students who have passed B.A. or *Shahadat-ul-Aliya* from Wafaqul Madaris and other Madaris are eligible for admission. Those candidates who have done only *Shahadat-ul-Aliya* are required to submit complete equivalence certificate issued by the University of Karachi.

Specific Research Areas

The research activities in the department are remarkable such as:

- To write thesis on M.A. level is a part of research activities.
- At least 50 candidates have successfully completed their Ph.D. research since the establishment of this department in 2000.
- More than a hundred students have been enrolled in M. Phil. /Ph.D.

Career Opportunities

After passing M.A. there is vast scope in Schools, Colleges, Universities, Madaras as teachers, as well as in other national and multinational institutions as *Sarri'ah* experts.

Faculty Members

Associate Professors

- Dr. Shahnaz Ghazi (*Chairperson*)
- Dr. Zeenat Haroon

Assistant Professors

- Dr. Mufti Imran-Ul-Haq Kalyanvi
- Dr. Syed Ghazanfar Ahmed

Program Available

- Masters in Quran-o-Sunnah

Department of

Commerce

Introduction

The department of Commerce has been imparting quality research oriented business education since 1974. In order to keep pace with the dynamic world of business and business education, the department of Commerce has brought a change in its curriculum which is in compliance with the courses which are demanded in the business world. The students are capable of acquiring good jobs both at national and international level.

The department has been instrumental in providing candidates with thorough knowledge and understanding of the principles of commerce and business.

Career Opportunities

The mission of the department of Commerce is to equip students with analytical tools required for business management in the contemporary competitive world and to provide students with opportunities to explore new business vistas.

Faculty Members

Assistant Professors

- Dr. Zaeema Asrar Mohiuddin (*In charge*)
- Dr. Hasan Raza
- Dr. Sadaf Mustafa
- Mr. Muhammad Arfeen Siddiqui

Lecturers

Karachi University

Business School

Introduction

Karachi University Business School (KUBS) was established in 1999-2000 after Institute of Business Administration (IBA a constituent of University of Karachi) was declared autonomous degree awarding institution.

KUBS within short period of time has become well established institution with good reputation and high image in the business world. KUBS is presently offering a number of programs, namely BBA Four Years (Morning), MBA Three & Half Years (Morning), MBA Executive Two & Half Years, BS (Business Administration) two years after graduation in Evening and MS program. KUBS is also provides wide ranging exemption from different renowned bodies.

The mission of KUBS is to educate the leaders who make a difference in this time of extraordinary change throughout the world. We, at KUBS, are committed to impart general management education focusing on building a deep understanding of business, teaching with skill and passion. We intend to imbibe a spirit of entrepreneurship and creativity among our students and prepare them for a global community that is increasingly reliant on technology.

KUBS was recently awarded the **Asia's 2nd Best Business School Award** under the category of "Innovation Leadership Award" for its tremendous contribution to the field of Business Management in the form of its high achieving graduates who are working in various reputable organizations across the globe. Business schools from 25 countries were nominated and awarded under various categories.

Facilities

Karachi University Business School (KUBS) is located in new spacious well equipped purpose build building. KUBS provides industry specific learning experience based on Pakistan business environment.

A large number of books can be subscribed by the departmental library. Students can also consult Dr. Mahmood Hussain Library that has a good number of books on business and professional journals. KUBS also house a well established Ph.D. & Research Program.

Career Opportunities

Great opportunities in the field of Banking, Finance, and Marketing in national and multinational organizations are available and our graduates are in great demand and highly paid jobs are offered to them with swift placement.

Note:

- Admission in **MBA (3.5 Years)** will be granted on the basis of Aptitude Test and minimum qualifying marks in the Test is 50 %
- Weightage for preparation of merit list is:
Academic Record 50% + Aptitude Test 50 %
- After successful completion of two years **MBA (3.5 Years)**, the candidate will be eligible for Admission in 1.5 years MBA.

Department of

Public Administration

Introduction

The department of Public Administration prepares exceptional students for leadership positions in government, business and civil society. With its academic programs emphasizing academic excellence and practical orientation, the department has quickly occupied a unique position in the University of Karachi after being established formally as a department in the year 1995. The objective of DPA is to approach the issues relating to the stewardship of common goods with an interdisciplinary approach, at tries to work at the intersection of economics, business, law, political and social sciences.

Career Opportunities

The department of Public Administration aims to cater to the need of the times, and to impart such skills to its graduate which can be called upon under ever-changing circumstances. Having received training in leadership skills, sociopolitical analysis and management, the graduates of our department are serving at leading positions within the public and corporate sector, academia, research institutions and media.

Specific Research Areas

The department of Public Administration conducts analytically rigorous and theoretically informed research within the following fields:

- Governance and Globalization
- Public Policy and Policy Analysis
- Local Government Financial Management
- Marketing Management
- Human Resource Management

Facilities

The newly constructed state-of-the-art building houses not only multiple lecture rooms and the faculty offices (while offering significant flexible space for staff and students) but also has: Conference Hall and Common Rooms Well-equipped Computer Lab Seminar Library housing relevant books, journals and academic literature Research Lab.

Faculty Members

Department of

Pharmaceutics

Introduction

The department covers 24 courses spread over five years of Pharm-D. program. The department is actively involved in pharmaceutical research that covers all aspects of pharmaceutical sciences offering M.Pharm and Ph.D. programs. Till date, the department has produced 69 M. Phil. and 11 Ph.D. scholars in different disciplines of pharmaceutics.

The department of Pharmaceutics has its history as old as the history of the faculty of pharmacy itself. The Faculty of Pharmacy was first founded in 1964 as a department under the faculty of science in University of Karachi by the now known as Father of Pharmacy Professor Dr. S.M.S. Zoha. In the year 1973, in which the status of the department was approved as a faculty with four distinctive departments one of which was the department of pharmaceutics.

Facilities

- Laboratories
- Research Laboratories
- Computer Laboratory
- Seminar Library

Specific Research Areas

- Formulation Development
- Formulation optimization and improvisation
- Pharmaceutical Microbiology
- Novel drug delivery system
- Nanotechnology
- Bio-Pharmaceutics
- Bioavailability
- Physical Pharmacy
- Clinical Pharmacy and Pharmacy Practice

Career Opportunities

The scope of pharmacy all over the world is very promising in which the graduate in pharmacy find himself in a very prestigious and professional status to serve the society in different disciplines of the field as a health care professional. After obtaining graduation degree from the faculty of pharmacy the students have the opportunity to join hospitals where they would be drug experts taking right decisions about the safe use of medicine, in

community as one of the beneficial members of the society, in pharmaceutical industries that has the largest proportion of openings in different departments of the industry. Similarly, he could also join governmental jobs where he regulates the drug portfolio and establishes policies regarding the drug usage and regulatory matters, in pharmaceutical journalism, in academia where he would be in a highly prestigious assignment to train and produce more pharmacists. A pharmacist would also find good opportunities in research and development where one can satisfy his eager to participate in pharmaceutical research as a scientist. And that is not all; there are too many job opportunities and career enhancing chances for pharmacist abroad.

Department of

Pharmacology

Introduction

The department of Pharmacology has been one of the important departments in the Faculty of Pharmacy since 1973, not only sharing a major load at the under graduate level but also preparing students to fill the gap by suitably qualified manpower in the field of Pharmacology at Post graduate levels. The current expansion of the graduate programs in the areas of pharmacology including Neuropharmacology, Toxicology and Biochemical Pharmacology would expected to place the department among high research ranking departments in the University of Karachi.

The major academic objectives of the department are to facilitate Basic and Applied Research, educate under-graduate, and professional students in various disciplines and provide academic excellence. Department of Pharmacology has so far produced the highest number of Ph.Ds in the faculty of Pharmacy and a large number of M. Phil and M. Pharm. The department is proud of having highly competent primary faculty, research faculty and technical support staff.

Facilities

- The department of Pharmacology laboratories are well equipped to conduct the experimental courses of Pharmacology, Physiology, Biochemistry and Pathology.
- Separate Research labs are present for Research students having facilities for required research work.
- Pharmacy library has also been equipped with latest books and research journals of pharmacology.

Specific Research Areas

- Neuropharmacology
- Toxicology
- Biochemical Pharmacology
- Cardio vascular pharmacology
- Psychopharmacology

Career Opportunities

After completion of M. Phil./Ph.D. in the field of Pharmacology successful, candidates will have career opportunities in the following areas:

- Research
- Education
- Hospital Pharmacy
- Clinical Pharmacy
- Pharmaceutical Industry
- Drug regulatory bodies

Faculty Members

Professors

- Dr. Rafeeq Alam Khan
(*Chairman & Meritorious Professor*)

Department of

Pharmacognosy

Introduction

This department was established under faculty of pharmacy in 1973. Since inception the department has been serving as back bone for the various branches of pharmaceutical sciences.

Pharmacognosy derives its origin from two Greek words, *pharmakon* (drug), and *gnosis* (knowledge). It is the study of natural bioactive substances obtained from terrestrial and marine plants, animals, microbes and minerals, for their physical, chemical, biochemical and biological properties, their taxonomy and ethnobiology. Pharmacognosy, one of the major areas of pharmaceutical sciences, is a highly interdisciplinary science, linked to phytochemistry, microbial chemistry, biosynthesis, biotransformation, chemotax-onomy, biotechnology and other biological and chemical sciences. Research in Pharmacognosy provides for the discovery of lead compounds for drug development, new methods of analysis for drugs, toxins and herbal preparations.

The objective of the department of Pharmacognosy is to educate students about the natural sources of drugs, their pharmacognostic and phytopharmacological attributes, chemical and spectroscopic profile of isolated molecules and their development as modern pharmaceutical products.

During the past five decades it shared with the other departments to produce more than 5000 B. Pharm and about 1719 Doctor of Pharmacy graduates. The department of Pharmacognosy always endeavored to promote higher education this resulted in 58 M. Pharm, 37 M. Phil and 40 Ph.D. graduates. The active faculty members collectively produced more than 28 books, wrote hundreds of research papers in well reputed journals at national and international levels.

Facilities

The department has one lab at under graduate level and two graduate level labs. These are well equipped to conduct the lab work at both levels. The students can work on latest

spectrophotometer, PCR, HPLC, lyophilizer, rotary evaporator, incubator, oven, flash chromatography, distillation assembly, two channel recorder, Plethysmometer, Analgesia meter, soxhlet apparatus.

Specific Research Areas

Natural products, clinical studies, standardization of herbal products, formulations, isolation of natural products, analysis of marine and terrestrial flora and fauna, ethnopharmacognosy, natural toxicants, nutraceuticals, cosmeceuticals.

Career Opportunities

The graduates from the various programs offered can work in both modern and herbal pharmaceutical organizations, ministry of health, WHO, various drug regulatory bodies, research organizations and teaching institutions.

Department of

Agriculture & Agribusiness Management

Introduction

The department of Agriculture launched BS-Program in Agriculture in 2004 and acquired the status of the department in 2006. It was renamed as the Department of Agriculture and Agribusiness Management in 2008. The Department offers specializations in agribusiness management, plant protection and plant pathology.

Agribusiness is an important and ever expanding industry in Pakistan. It combines the study of agricultural sciences with the management skills providing an understanding of economic and business principles and their application to Agribusiness.

The program aims to develop a range of personal and transferable skills and critical appreciation of the techniques to assist effective execution of the agribusiness management function.

It cannot be denied that the implementation of proper pest and disease management strategies can be helpful in increasing the crop yield and ultimately boost the economy of the country. The courses offered for specialization in plant pathology or plant protection enable the students to acquire in-depth knowledge of pest and diseases affecting crop, vegetable, fruit and ornamental plants in the country and make them aware of the management strategies to overcome the problem.

Career Opportunities

Specialization in Agribusiness management is helpful in getting jobs in farm business related to national and multinational organizations as managers, consultants, supply chain coordinators and accountants. It also provides an opportunity to enter self-employment immediately after graduating, largely within the farming or food sectors.

Students specializing in plant protection or plant pathology have job opportunities in various research organizations like plant protection, PARC, PCSIR, NIAB, NIA, ARI etc. They can also get jobs in plant and pesticide related national and multinational organizations.

Specific Research Areas

The department is actively engaged in research related to Entomology, Mycology, Plant Pathology and Agribusiness. Several research students are also enrolled for M. Phil. /Ph.D. programs. Faculty members and research students regularly publish research papers in journals of national and international repute.

Facilities

The department is well equipped with modern teaching aids. It also has facilities for research on topics related to fields of entomology, mycology, plant pathology and Agribusiness. The department's seminar library has a good collection of books related to agriculture and agribusiness that students can have easy access to.

Department of

Applied Physics

Introduction

The Applied Physics department was established in 1971. The objective was to teach and train student to meet the growing technological needs of the industries of Pakistan in the area of Applied Physics. Over the years emphasis has shifted toward Electronics and semiconductor technology because of the growing demand of technologically advanced industries in Pakistan. The syllabus has been continually updated to keep abreast with development in the technology.

Our objective is to prepare students to take-on challenges of the fast growing technologies in the field of Electronics and Semiconductors. The curriculum provides in depth understanding of the subject such as Analog and Digital Electronics, Industrial Electronics, Semiconductor Devices, Communication systems including Microwave and optical fiber communications.

Microprocessor / Microcontroller and Digital Signal processors (DSP) are hubs of intelligent electronic systems including computers and almost all state-of-the-art equipment used in communications, Industrial and Medical applications use these devices. A comprehensive scheme of study and applications is provided for these subjects.

To teach practical aspect of electronics and give hands-on experience, laboratories have been equipped with latest equipments. Students are required to spend a considerable time in the laboratories to develop in depth understanding of the subject they study in classes. For this purpose separate laboratory courses are designed. The laboratory training begins with circuits related to basis Analog Electronics, progressively perform experiments on Digital Electronics, Industrial Electronics and finally develop a single board computer based on microcontroller. The student are also trained on Programmable Logic Controllers (PLC) through the use of software and hardware simulators. Similarly, they are trained in the field of communication using Communication training kits.

Career Opportunities

A wide range of employment opportunities are available to the graduates of the Applied Physics, from public sector organizations to multinational and national industries and research organizations.

Facilities

There has been continuous up gradation of laboratories in the department. In addition to general purpose laboratories where students perform experiments on circuits based on Analog and Digital Electronics, separate laboratories are established for training. These include *Computer Laboratory* which is equipped with latest branded computers connected through LAN. *Communication Laboratory* has trainers to train students on Microwave and Optical fiber communication systems. *Programmable Logic Controller (PLC)* is equipped with PLCs from Siemens and Ge-Fanuc. Students use Software and Hardware simulators to develop and verify programs. Cargo lift, Conveyor belt and process models have been developed indigenously that are controlled by the PLC. **Embedded systems laboratory** is facilitated with software and hardware tools such as VHDL, Electronic Design automation to develop embedded systems. Computer Controlled (CNC) PCB prototyping machine, Logic Analyzer, FPGA and DSP kits are available for development of applications. *Semiconductor Research Lab*, has instruments such as thin film coating unit, CV analyzer, Spectrometer, Lock-In-Amplifiers etc. for research in the field of semiconductor.

Faculty Members

Assistant Professors

- Ms. Farida Farrukh
- Mr. Abid Hussain (*In Charge*)
- Mr. Arshad Hussain

Department of

Botany

Introduction

The department of Botany was established in 1953. The University at that time was located on Chand Bibi Road, near Civil Hospital Karachi. When the University moved to its present premises on 18th January 1960, the department of Botany was initially located in two barracks. The present building of the department of Botany with laboratories, lecture rooms and an auditorium was built in the late 1960s.

The department offers over 70 different courses at undergraduate and post graduate levels to cater to the human resource requirements for teaching and research in the fields of education, agriculture, environmental NGO's, pharmaceutical and other industries. In the first and second year the students begin by taking Botany as a major subject together with two subsidiary subjects in other departments of the University. Starting with the diversity of plant life, an outline of the classification of plants, their identification, structure and function, it continues with genetic basis of variation and evolution of plants.

In the 3rd and 4th years, instead of subsidiary subjects, they are required to study major subjects within the field of Botany. In M.Sc. Final, the students specialize in one of the branches of Botany, which include: Applied Botany, Mycology & Plant Pathology, Plant Physiology, Plant Ecology, Phycology & Marine Botany and Plant Taxonomy.

Career Opportunities

Specialization in different branches of plant sciences offered by the department is helpful in getting jobs in agriculture based organizations, teaching in various colleges and universities and in environmental NGOs like WWF and IUCN

Facilities

The Department has well equipped laboratories for undergraduate, graduate, post graduate and PhD studies and a vast collection of books and research papers in the Seminar library. Department of Botany has also established computer lab for fast track searching of study materials. It provides facilities to students for research on topics related to different fields of plants sciences. The Karachi University Herbarium in the Department of Botany has a vast collection of plant specimens collected from different regions of Pakistan, in addition to a large collection of specimens of algae and fungi. Department of Botany has established Shameel memorial library, Stress physiology and phenomics center and Biosaline research lab and experimental field for research and productivity.

Specific Research Areas

Faculty members are working in six specialized fields of plant sciences and are endeavoring to enhance knowledge of plant world. Following are the specific research areas:

1. Classical Taxonomy, Chemosystematics, Cytogenetics and Medicinal plants.
2. Plant Anatomy and Plant Tissue Culture.
3. Phycology, Marine Botany and Economic Importance of Seaweed.
4. Mycology, Plant Pathology, Fungal Biotechnology, Plant microbe interaction and Diagnosis of emerging and re-emerging plant diseases.
5. Plant Physiology, Plant enzymology, Biosaline Agriculture, Stress Physiology and phenomics.
6. Plant Ecology, Dendrochronology and Environmental Pollution, Halophytes utilization.

Member of the teaching staff have completed about 50 research projects with the support of national and international funding agencies. Currently several research projects are in progress. More than 2500 research papers have been published in journals of international repute by the teachers and researchers of the Department. The Pakistan Journal of Botany and International Journal of Biology and Biotechnology are also published from the Department of Botany, University of Karachi.

Department of

Chemistry

Introduction

Chemistry is a noble central science which helps to understand the origin of life and suggest ways to use non-living things for giving comfort to life. To train the young generation and to direct their approach to accomplish this task easily, it is necessary to make the students understand the principles underlying the composition, structure and properties of substances along with the transformation that they undergo. It is therefore obvious that chemical orientation cannot be imparted in isolation and has to be developed through a cocktail of physics and biology on one hand and engineering and applied sciences on the other. The Department of Chemistry, University of Karachi is well equipped for pursuing this goal having skilled and proficient faculty, well equipped laboratories and other infrastructure.

The Department of Chemistry is one of the oldest departments of University of Karachi. When the university was shifted to its present location, the department occupied one of the few newly constructed buildings and is still housed there for the last 63 years.

Career Opportunities

A person with a B.Sc.(Hons.)/M.Sc. degree in Chemistry has a wide choice of employment opportunities especially in one of the many industries listed below and research institutions that are emerging in the country. These include the; Textile Industry, Pharmaceutical Industry, Clinical Laboratories, Oil Refineries, Chemical Industry, Paint Industry, Cement Industry, Beverages & Food Product Industry, Analytical & Instrumental Service, agencies, Polymer Industry.

Specific Research Areas

Analytical, Inorganic, Industrial, Organic, Physical, Environmental, Pharmaceutical, Clinical and Polymer Chemistry.

Facilities

There was several libraries in the University of Karachi, which hold chemistry books and related technical journals. These include Department of Chemistry's own Seminar Library. This library has a stock of about 10,000 books and research journals on various fields of chemistry. The Department of Chemistry is equipped with many modern instruments for training of students for challenging careers and research. These include, pH/Ion meters, conductometers, polarimeters, refractometers, potentiometers, electrochemical analyzers, HPLC, atomic absorption spectrometers, UV-Visible spectrophotometers, FTIR Spectrometers, Guoy Balance for magnetic susceptibility measurements, flame photometers, computers, deionizers, analytical balances, ovens, furnaces, centri-fuges as well as a substantial stock of glassware and chemicals. A modern instrument laboratory has been furnished to house the new atomic absorption

spectrometers, HPLC, GC, GC-MS nuclear magnetic resonance spectrometer as well as some other modern instruments. These and other instruments were acquired through a generous grant of Rs.39.95 million provided by the Higher Education Commission. The department of chemistry has a internet available in almost every teachers room/research lab. Which is to the central facility through a fiber-optic link. Furthermore, the department also has a well equipped computer lab for 45 students.

Faculty Members

Professors

- Dr. Nasreen Fatima
- Dr. Majid Mumtaz
(Chairman/Registrar, UoK)
- Dr. Hajra Tahir
- Dr. M. Nasir Uddin Khan
- Dr. Rehana Saeed
- Dr. Rafia Saeed

Associate Professors

- Dr. Sumayya Saied
- Dr. Firdous
- Dr. Itrat Anis
- Dr. Uzma Ashiq
- Dr. Shaista Perveen
- Dr. Shaikh Mohiuddin

Assistant Professors

- Dr. Masooda Qadri
- Mr. Muti ur Rehman
- Dr. Munawar Rashid (On Lien at CEMF)
- Dr. Rashida Perveen
- Dr. Reifat Ara Jamal
- Dr. Shazia Nisar

Department of

Computer Science

Introduction

Since its inception, 32 years ago, the Department of Computer Science is imparting quality education in various Computer Science, Information Technology and related disciplines. The Department of Computer Science was established by a resolution of Academic Council in its meeting held on November 27, 1984 and began functioning in the academic year 1985-86 by offering a two year degree program, Master of Computer Science (MCS). Then in 1996 department start offering 4 year undergraduate program BS (Computer Science), and a two year graduate program MS (Computer Science) as well as Ph.D. (Computer Science). The Department is also offering BS (Software Engineering) since last 16 years.

Alumni of the department are not only serving top international and national organizations, governments, science and technology institutions and other public and private sectors but also playing their active role in development and research. Many of them have created unconventional state of art solution needed by industry; own University-Spinoff companies, authors of books published by world renowned publishers.

The faculty and alumni have published and presented hundreds of research papers in reputed journals and conferences.

Career Opportunities

Excellent career opportunities exist for the graduates of Department of Computer Science. More than 80% of graduates are immediately hired by top ranking software houses and other institutions. Top software houses are in contact with the department and conduct job tests and hire students even before their graduation. We are proud that our graduates are working in top international organizations and there are graduates who become entrepreneur and running their own entrepreneurial businesses.

Facilities

Computing Facilities

The new building of the Department of Computer Science (UBIT) is fully equipped with latest technology for students to get hands-on experience on different platforms of both hardware and software fields of computer science. Each lab is equipped with latest high end user computing facilities. The internet facility is available round the clock in all the labs, which enables students and faculty members to keep in touch with the latest trends in academic and the corporate world. The department is continuously upgrading the computing infrastructure according to the market demands. Following labs are functioning in the department.

- Physics Laboratory
- Electronics Laboratory
- Networking Laboratory
- Software Engineering Laboratory

- AI and Soft Computing Laboratory
- Database and Information System Laboratory
- Graphics , Vision and Image Processing Laboratory
- General purpose Computing Laboratory

Seminar Library

The department also provides an in-house seminar library facility which contains more than a thousand books on computer science/IT and related disciplines along with IT/CS magazines, international research journals and periodicals.

Specific Research Areas

More than 300 Research Articles have been published by faculty members of this department. The department has also produced Ph.Ds during the past few years and over 25 candidates are on their way to the completion of their MS (CS) and Ph.D. (Computer Science) research work. Our research areas include: Artificial Intelligence, machine learning, Advance Database systems (temporal and fuzzy), Management Information System, Computer Networks, Network Security, Parallel & Distributed Computing, Natural Language Processing, Computer Graphics, Image Processing, Pattern Recognition, Data Mining and Cloud Computing.

Faculty Members

Associate Professors

- Dr. M. Sadiq Ali Khan (*Chairman*)
- Dr. Nadeem Mahmood

Assistant Professors

- Mr. Badar Sami
- Dr. Syed Jamal Husain
- Dr. Tahseen Ahmed Jilani
- Dr. Muhammad Saeed
- Mr. Hussain Saleem
- Dr. Syed Asim Ali
- Mr. S. M. Khalid Jamal
- Dr. Syed M. Zain Abbas
- Mr. Farhan Ahmed Siddiqui
- Dr. Humera Tariq

Lecturers

- Ms. Erum Shahid
- Mr. Muhammad Sajid
- Mr. Jameel Ahmed
- Mr. M. Naveed Anwar
- Ms. Shaista Rais
- Mr. Taha Bin Niaz
- Mrs. Madiha Khurram Pasha
- Ms. Humera
- Ms. Maryam Feroz

Program Available

- Diploma in Computer and Information Sciences (PGDCIS)

Institute of

Environmental Studies

Introduction

The subject of environmental studies is interdisciplinary, in which the relationships of humans with their physical, biological and social environments are discoursed. The subject provides an integrated approach to the understanding and the solution of the environmental issues that range from the human community health to the global climate change. The subject emphasizes the importance of sustainable development to ensure the continuous supply of materials and constant removal of wastes and recovery from the damages that occurs due to human's activities, particularly after Industrial Revolution.

The Institute of Environmental Studies was founded in 1982 for developing the human resources to address the environmental issues of the country. This is the oldest institute in the field of environmental studies. Initially the institute offered M. Phil and Ph. D. Programmes. Later, in 1996, the Evening Programme was started for offering M.Sc. degree. Currently the Institute of Environmental Studies offers B.Sc. (Hons.), M.Sc., M.Phil, and Ph.D. degrees in both the Evening and the Morning Programmes. So far, the Institute has produced five Ph.D. scholars and hundreds of M.Sc. graduates. The Institute's graduates are currently serving in a number of national and international organizations.

The Institute provides air-conditioned lecture halls, laboratories, audio-visual facilities for the students. The Institute enjoys focal position on a number of environmental issues and activities for many national and international organizations such as WHO, UNEP, IUCN, WWF, LEADS etc. The Institute has organized many national and international workshops and seminars in collaboration with the Higher Education Commission and the Ministry of Health and Environment. The Institute has many Ph. D. faculty members which regularly publish their research works in various national and international journals.

Apart from regular teaching and research, the Institute has been regularly organizing short-term training activities for in-service personnel and for those who are involved in research and development programmes. The Mission of the Institute is to produce highly skilled man-power who could handle contemporary environmental issues and well-being of mankind, disseminate, apply and use knowledge of environment and related fields to meet the basic human needs for the improvement of environmental quality and to meet the Millennium Development Goals (MDG).

Career Opportunities

After completing the B.Sc. (Hons.), M.Sc., M.Phil, and Ph.D. degree programmes, the graduate would be able to take up managerial, technical and consultative responsibilities in various industries, multinational companies, civic agencies, consulting firms, environmental health laboratories and organizations, educational and research institutions and environmental protection agencies (EPAs). The Evening Programme of the Institute provides an excellent opportunity for the in-service professionals, particularly those who are engaged in any environment related occupation to enhance their education and understanding of the subject.

Facilities

The Institute is equipped with advanced laboratories, an updated library and modern equipments that help in researching on the global issues.

Specific Research Areas

- Global Climate Change and its impacts in Pakistan
- Capable of designing and developing low cost wastewater treatment and disposal systems for small and medium size communities.
- Agriculture sustainability through the use of treated wastewater.
- Treatment of water for potable use
- Public health aspects of wastewater treatment, disposal and reuse.
- Wastewater reclamation technology in hot climate for agriculture and fish culture.
- Capable of developing environmental health programme for monitoring and surveillance of water supply and sanitation.
- Industrial pollution control and management.
- Environmental hygiene (food and water hygiene and safety)
- Environmental Impact Assessment
- Marine pollution and control
- Ecological studies
- Biodegradation of hazardous waste
- Urban forestry and urban greening
- Coastal and Marine Conservation
- Air and noise pollution
- Ocean-atmosphere process and biological productivity
- Environmental Remote Sensing

Faculty Members

Professors

- Dr. Tariq Masood Ali Khan
- Dr. Omm-e-Hany (*Director*)
- Dr. Moazzam Ali Khan

Associate Professor

- Dr. Scema Jeelani

Assistant Professors

Department of

Geography

Introduction

The Department of Geography is one of the pioneer departments in the University of Karachi, established in November 1952. Internationally recognized geographers and teachers including the young and enthusiastic faculty members have eminently served the Department since its inception. The Department has an excellent academic history, which started with Prof. Dr. Manik B. Pithawala as the first Chairman (leading author of local geographical literature, with more than 35 excellent books on local subjects), followed by Prof. Oskar Schmieder, a leading German geographer who also served as Chairman in the Department followed by the leadership of top eminent Geographer of South Asia, Prof. Dr. Iqtidar H. Zaidi (served as Chairman from 1985-1988). The Department of Geography has been providing teaching and research facilities in various fields of geography for the last 63 years and produced outstanding graduates serving Pakistan and abroad in organizations of international repute. It also organizes Graduate and Post Graduate courses including MS /M.Phil and Ph.D. programs. It is the only Department amongst all Universities of Pakistan which has hosted International Geography Union Conference, moreover it also hosted 2nd, 7th and 13th all Pakistan Geographical Conferences in the years 1967, 1997 and 2008 respectively. This Department has the honor to produce the largest number of Ph.D./M.Phil. graduates in Pakistan. The prime objective of the department is to impart appropriate knowledge and training to the students in pragmatic geographical research, both in the domains of physical and social sciences. The ultimate product of the Department always remains beneficial and helpful for planning, management, allocation, distribution and evaluation sectors of Pakistan. Department of Geography has strong academic linkages with Humboldt University, Berlin (Germany), University of Salzburg (Austria), Hamburg University (Germany), University of British Columbia, Canada and University of Georgia (USA).

Career Opportunities

Geography graduates with Masters' degree generally find valuable employment in diversified fields, i.e., education, environment, administration, consultants and NGOs. Development authorities and agencies throughout the country utilize their specialty and expertise in many sectors of Human Development. It is more obvious in various government departments, such as, Survey of Pakistan, Geological Survey of Pakistan, Statistical Bureaus, Population Census Organization, SUPARCO, PTCL, K-Electric, SSGC, KWSB, CDGK, Archeological Department, Pakistan Meteorological Department, Planning Commission, and provincial departments of planning and development have employed geographers for their special skills. Private consulting firms and Non-governmental Organizations (NGOs) also utilize the expertise of geographers. There are various fields of applications in Pakistan where geographers could excel successfully, especially in the field of Geo-Informatics.

Facilities

Department of geography has

- Building (Housed in 21 rooms including Lecture rooms)
- Remote Sensing Lab.
- GISLab. with Server Room
- Cartography Lab.
- Seminar Library
- Survey Equipment Store
- Multi-Media Class Rooms
- Meteorological Observatory
- Abdur Rauf Khan's Prehistoric Museum

Specific Research Areas

- | | |
|--|-------------------------------------|
| • Advanced Cartography | • Political Geography |
| • Agricultural Geography | • Population Geography |
| • Agro-Climatology | • Regional Planning and Development |
| • Arid Lands: Desertification and Management | • Remote Sensing |
| • Disease Ecology | • Rural Geography |
| • Environmental Geography | • Transportation Geography |
| • Geographical Information Sciences (GIS) | • Tourism Geography |
| • Geography of Administration | • Urban Ecology |
| • Metropolitan Transportation | • Urban Land use and Planning |
| • Oceanography | • Water Resource Management |

Faculty Members

Professors

- Dr. Farkhunda Burke
- Dr. Syed Jamil Hasan Kazmi
(*Meritorious Professor & Chairman*)

Associate Professors

- Dr. Shamshad Akhtar
- Dr. Syed Shahid Ali
- Dr. Sheeba Afsar

Assistant Professors

- Dr. Saima Shaikh
- Dr. Salman Zubair
- Dr. Anila Kausar
- Dr. Lubna Ghazal
- Dr. Yasmeen Anis
- Dr. Imran Ahmed Khan

Program Available

- MS in Remote Sensing and Geographical Information System (RS/GIS)

Department of

Genetics

Introduction

The department of Genetics was established in 1969 at the University of Karachi. The department has highly qualified faculty members and takes great pride in maintaining an intellectual atmosphere in order to promote learning.

Career Opportunities

Graduates of the department have job opportunities in hospitals, universities and industries. Many of the former students are also serving various organizations in foreign countries.

Facilities

The department maintains an in-house seminar-library as well as computer clusters in the Bioinformatics Lab. In addition to the regular teaching laboratories, there are four research laboratories equipped with modern and latest apparatus for research students. Some in-house recreational facilities are also available for healthy activities of students.

Specific Research Areas

Various research projects have been completed successfully in the department and many others are in progress, including the ones on human genetics, plant genetics and microbial genetics. The Department also enjoys collaboration in research with many foreign and local universities including other departments of the University of Karachi. The outcome of the research has been published in various reputed international journals.

Faculty Members

Professors

- Dr. Maqsood Ali Ansari
- Dr. Uzma Badar

Associate Professors

- Dr. Obaid Yusuf (*Chairman*)
- Dr. Fouad Maqsood Qureshi (*Director*)
- Dr. Simeen Mansoor Shahid
- Dr. Erum Shoaib

Assistant Professors

- Dr. Shakeel ur Rehman Farooqui
- Dr. Nadia Khan
- Dr. Shumaiza Anis

Lecturers

- Ms. Ayesha Riaz
- Ms. Sarwat Afshan

Program Available

- Diploma in Applied Genetics

Department of

Health, Physical Education & Sports Sciences

Introduction

The department was established in 1996. Initially it introduced one year Masters program in physical education after Bachelor of Physical Education (B.P.ED).

The 2-year Masters program was introduced in 2001. The department introduced B.Sc.(Honors) Program in January 2012.

The department of Health, Physical Education & Sports Sciences provides students with knowledge and skills to enable them to achieve a degree of autonomy in developing and maintaining their physical, mental, social and emotional health. The subject matter focuses on the importance of a healthy lifestyle and physical activity in the lives of individuals and groups in society.

Career Opportunities

Our graduates can teach physical education in public and private schools, coach school-based sports and work in many other sports and recreation related careers.

A master's degree in Health, Physical Education & Sports Sciences will prepare graduates to teach physical education at a public and private high school/college/University, or become a Director/Deputy Director of Physical Education Program or become an athletic trainer or can be a fitness instructor. Furthermore, people with a physical education degree could find themselves working in city parks and recreation departments.

Facilities

The department is equipped with all the required practical facilities. A variety of sports facilities including playing fields for cricket, hockey, football and athletics, a squash court and indoor games facilities in the campus gymnasium are also available.

Every year competitive sports for both male and female students are organized at inter-departmental, inter-collegiate and inter-university levels through a variety of sports like hockey, football, cricket, badminton, athletic, etc.

The department plans to establish a fully equipped Human Performance Laboratory to incorporate the

latest techniques and performance analysis methodologies.

Specific Research Areas

The Health, Physical Education & Sports Sciences has a broader scope for research in the field of Kinesiology; Exercise Physiology, Socioeconomic impact of Physical Education, Curriculum development and etc.

The basic and applied research can be done in the field of Kinesiology, Exercise Physiology and other subjects.

Due to the availability of a wide variety of topics, both qualitative & quantitative research can be done easily.

Faculty Members

Associate Professor

- Dr. Basit Ansari (*Chairman*)

Assistant Professor

- Mr. Mazahir Zia Shaikh

Lecturers

- Ms. Shazia Tabassum
- Mr. Humayun Imran Azeemi
- Mr. Kunwer Muhammad Asif
- Mr. Muhammad Wasif Nisar

Programs Available

- M.Sc. in Health, Physical Education & Sports Sciences
- Diploma in Sports Administration and Management (PGD-SAM)

Department of

Mathematics

Introduction

The Department of Mathematics was established in 1956. Prof. Dr. Suleman Kerafala was the Founder Chairman. Many new courses including Applied Abstract Algebra, Biomathematics have been introduced to highlight the application of Mathematics in different fields. The mission of the Department is to bring life to Mathematics and Mathematics for life. Areas of Pure Mathematics, Applied Mathematics and Interdisciplinary Mathematics are being pursued in teaching and research. At all levels, students are instructed in the rigor and precision characteristics of Mathematical Reasoning. They are facilitated to become acquainted with the elementary tools of Mathematics and the techniques to use them. The Department has many Ph.D. faculty members which regularly publish their research work in National and International Journals.

Career Opportunities

Our graduates have been employed in the Educational, Financial, Industrial and Commercial Institutes. They can opt for any of the following professions: High School Mathematics Teacher, College Mathematics Professor, Actuary, Software Designer, Biostatistician, Government Lab Researcher, Financial Analyst, Industry Analyst/Engineer, Education Materials Developer, Industry Consultant and Suparco etc.

Facilities

The department offers peaceful environment and provides all modern facilities to students. This is the second largest Department of the Faculty of Science, with three-story building consisting of many rooms, computer laboratory with internet facility and seminar library having three thousand books. To keep the students informed and updated with the latest developments in the modern era, department organizes seminars and workshops for faculty members and students. The Faculty Members and students actively participate in local, national and international mathematical activities and conferences.

Specific Research Areas

The Faculty is engaged in research in the following areas:

- Algebra
- Anthromathematics
- Astrodynamics
- Fluid Dynamics
- Mathematical Physics
- Numerical Analysis
- Operational Research
- Relativity and Gravitation

The Ph. D. program facilitates young researchers in getting the experience necessary to do original research in areas of their interest.

Department of

Microbiology

Introduction

The department of Microbiology was established in 1957. This was the first and only department of Microbiology, for many years in this country offering undergraduate and postgraduate degrees.

Microbiology is a broad discipline with both basic and applied aspects. Therefore, microbiologists must have a good understanding about microbial taxonomy, genetics, immunology and physiology to identify these agents, explore their metabolic potential on commercial levels and to manipulate these organisms for the betterment of humanity. The study of microorganisms and their potential is also necessary for the production of bread, cheese, antibiotics, vaccines, vitamins and many other important products. Microorganisms are involved in causing serious infections in humans, animals and plants.

Because of the importance of the subject and its applicability, this department is now regarded as one of the best departments within the Faculty of Science. As a result this department has become one of the popular departments and a large number of students opt to study Microbiology.

Career opportunities

A person with M.Sc. in Microbiology has a choice of employment opportunities in the following organizations:

- Pathological/ clinical/ hospital laboratories
- Food and beverage industry and agriculture
- Pharmaceutical industry
- Biotechnology industry
- KWSB/ KMC/ R & D organizations
- University/ colleges teaching and research
- Epidemiological monitoring programs
- Environmental monitoring and impact assessments

Facilities

Laboratory and Lecture Rooms

The department has 10 laboratories and 3 lecture hall/rooms where theory and practical classes are held. In addition to this, there are 3 media preparation rooms.

Cold Room Facility

The department of Microbiology is the only teaching department which possesses cold room where the research experiment at below ambient temperature can be conducted.

Computer Lab.

The lab with internet facility is available to all students.

Research Lab.

A separate equipped lab. is allocated for research students.

Specific Research Areas

Research scholars are working on exceptionally diverse area of microbiology including: various fields in biochemistry, genetics, clinical microbiology, mechanisms of microbial virulence, epidemiological studies, studies on microbial enzymes of industrial importance, biotransformation, studies on bioactivities of microbial metabolites, immunological aspects of diagnosis, molecular aspects of disease diagnosis and microbial control, bacteriocins, bioactivities of natural products, molecular biology of phages, biodiversity & Environment exploration of biotechnological potential of microorganisms and many others.

Faculty Members

Professors

- Dr. Tasneem Adam Ali (*Dean Science*)
- Dr. Fasihuddin Ahmed Ansari (*Chairman*)

Associate Professors

- Ms. Nayyar Jahan
- Dr. Talit Yasmeen Mujahid
- Dr. Asma Naeem

Assistant Professors

- | | |
|--------------------------|--------------------------|
| • Ms. Nayyar Mehmood | • Dr. Tanveer Abbas |
| • Dr. Syed Abdus Subhan | • Dr. Asma Saeed |
| • Dr. Fozia Haider | • Dr. Abdul Wahab |
| • Dr. Zaid Ahmed Pirzada | • Dr. Wajeeda Binte Asad |
| • Dr. Muhammad Sohail | • Dr. Adnan Khan |
| • Mr. M. Tariq Tayyab | • Dr. Munccra Naz Baloch |
| • Dr. Sana Ejaz | • Dr. Anjum Zehra Naqvi |
| • Dr. Urooj Zafar | • Dr. Yasir Raza |

Lecturers

- Ms. Sadia Muhammad Salcemullah Khan
- Ms. Tasneem Akhter
- Ms. Amna Alam

Programs Available

- M. Sc. in Microbiology
- Microbiology Certificate Course (MCC)

Department of

Petroleum Technology

Introduction

Petroleum Technology masters program of the University of Karachi was initiated in 1996 in the evening program, while in the morning program it was introduced in 2004. From the session 2013-14 also started B.Sc.(H) in morning program. The program aims to meet the future technical and professional requirements in petroleum industry. It is a multi-disciplinary program of the Faculty of Science/Engineering organized in collaboration with petroleum industry.

The program aims to impart theoretical and practical knowledge in upstream and downstream activities of petroleum industry such as chemistry, geology, drilling, exploration, production, reservoir, pipeline, corrosion, natural gas, LPG, refining technologies, environmental impact, health and safety designs, petroleum logistics, marketing and management, etc.

The Department of Petroleum Technology has produced a large number of graduates holds positions in national and international organizations.

Career Opportunities

Students obtaining a Master's degree in Petroleum Technology can easily get jobs in Pakistan, middle East and other countries. A Petroleum technologist is required by petroleum industry at every stage i.e. exploration and development of oil and gas fields, transportation and distillation of crude in refineries, distribution and marketing of its products.

Facilities

Internship and training programs are arranged for students in various sectors of oil and gas industries such as oil companies, refineries and services companies, i.e. Pakistan Oilfield Limited, Oil and Gas Development Corporation, National Refinery, Pakistan Refinery, Pak Arab Refinery, Byco Refinery, Pakistan State Oil Ltd, Shell Pakistan, EUP Pakistan, Sui Southern Gas Co Ltd, Baker Hughes, Halliburton Ltd, Marathon Construction, Mari Gas, MOL Pakistan, Nuricon, OMV Pakistan etc. This will help in preparing prospective candidates for petroleum industry.

Department also organized technical lectures and seminars conducted by professionals to develop sound knowledge and skill in the students for their career building. Students also participate in students chapters of many learned societies such as SPE, PAPG, KUPTAA. Field works in the various industries/areas are conducted by the department for student's practical training/knowledge.

Faculty Members

Associate Professor

- Mr. Nadeem Ahmed Khan (*Chairman*)

Lecturers

- Mr. Kashif Sadiq
- Mr. Syed Hasan Abbas Zaidi
- Mr. Syed Ghufraan Alam
- Mr. Atif Zafar

Programs Available

- M.Sc. in Petroleum Technology
- Diploma in Petroleum Technology (PGD)

For Further Enquiry

Department of

Physics

Introduction

The department of Physics at Karachi University aims to ensure the delivery of quality education to students of Physics, extending from graduation to Ph.D. In view of the rapid development in science & technology, it is now necessary to enhance awareness and promote the real research in various branches of Physics. All faculty member of the Physics department are endeavoring to fulfill the state of the art requirements for various academic and technological applications

Career Opportunities

Once completing a degree in Physics with good grades, there are bright chances of acquiring employment in government's organization and in private sector. For higher studies leading to M.Phil./Ph.D., interested students may proceed abroad or continue their education within the country.

Facilities

Beside teaching laboratories, the department has a number of other laboratories for research purpose.

Below is the list of some facilities:

- Spectroscopy Research Laboratory
- Solid State Research Laboratory
- Condensed Matter Research Laboratory
- Electronics Laboratory
- Computer Laboratory
- A Liquid Nitrogen Plant
- Seminar Library
- Mechanical Workshop
- Glass Blowing Section

Specific Research Areas

An important and perhaps the most significant aspect of learning Physics is that it is an experimental science, not an abstract intellectual discipline. Its implications relate continually to our everyday experience. Presently M.Phil./Ph.D. programs are in progress and research studies in various fields are being going on. It these studies collaboration from other organization / institutes is also sought when needed.

Qualified faculty members are actively engaged in research areas such as:

- Spectroscopy
- Medical Physics
- Environmental Science
- Space Physics
- Theoretical Physics
- Material Science
- Optics

Faculty Members

Professors

- Dr. Altaf Hussain
- Dr. Shahid Mehmood Siddiqui (*Chairman*)
- Dr. Shabana Rizvi

Assistant Professors

- Dr. Imran Ahmed Siddiqui
- Dr. Zaheeruddin
- Dr. Syed Zeeshan Abbas

Department of

Physiology

Introduction

The department of Physiology is an important segment of the Faculty of Sciences, University of Karachi and occupies a very prominent place in the modern age of Biosciences, Clinical/Biomedical Sciences and other Applied Biological Sciences. Founded by Prof. Dr. M. H. Qazi, in 1964, the department of Physiology was the first department outside medical colleges to introduce teaching and research programs in basic and experimental physiology at the graduate and postgraduate levels. Currently, the department has 21 faculty members, 17 supporting staff members and more than 1000 students. Several renowned professors are the pioneer faculty members of the department and are presently serving on key posts in various organizations.

Career Opportunities

Physiology is the core of medical research being done all over the world. Dozens of foreign scholarships for advanced studies in Physiology. Physiologists are required in a number of places, like, pharmaceutical industry, health monitoring departments, biosynthetic industry, instrumentations in biomedical sciences, health related organizations, population welfare division, agriculture, livestock and poultry industry, diagnostic laboratories, occupational therapies, physiotherapy centers, nutritional/sports centers, radiological institutions, bio-technology, bioinformatics, bioengineering, synthetic biology, nursing, medical universities, hospitals, diagnostic laboratories, pharmaceutical industry, research and teaching institutions.

Facilities

The department has sufficient facilities necessary to run the academic and research activities. Below is the list of all the facilities:

- Well equipped labs for students & researchers;
- Audiovisual aids like overhead projectors, multimedia, camera and television for interactive teaching;
- A well organized Seminar Library with up to date textbooks and references on various disciplines of Physiology;
- Basic & ultimate Power Labs for laboratory experiments & demonstrations;
- Computer facilities are available in all special units for researchers. A separate computer laboratory with 12 computers is available for academic & research activities.
- Internship facilities for students in different organizations are available.

Specific Research Areas

A great deal of research at M. Phil. & Ph.D. levels is conducted in different disciplines of Physiology, such as Neuromuscular Physiology, Hematology, Molecular Physiology & Biophysics, Molecular & Clinical Endocrinology and Reproduction and Poultry Physiology, which is being done in collaboration with K&Ns Poultry diagnostic & research Laboratory. Currently, more than 25 research scholars are registered in M. Phil./Ph.D. programs in various disciplines including clinicians from hospitals and medical universities.

Blood disorders; Endocrine/Metabolic & Reproductive abnormalities, especially, Diabetes mellitus, Metabolic Syndrome, Infertility. PCOS changes; Breast Cancer; Reproductive Changes in marine models; Poultry Vaccinology, diseases and molecular studies of disease mechanism; Neuromuscular disorders; Oxidative stress.

Faculty Members

Professors

- Ms. Qamar Amin
- Dr. Habib Fatima (*Chairperson*)

Associate Professor

- Dr. Taseer A. Khan

Assistant Professors

- | | |
|------------------------------|-------------------------|
| • Dr. Aisha Javed | • Dr. Arifa Savanur |
| • Mr. Zulfiqar Ahmed | • Ms. Nazish Iqbal Khan |
| • Dr. Lubna Naz | • Dr. Sadaf Ahmed |
| • Dr. Ghazala Yasmeen | • Dr. Anwar Ali |
| • Ms. Ambreen Niazi | • Dr. Sumera Sohail |
| • Dr. Syed Mudassir H. Rizvi | • Dr. Mehru Nisa |

Lecturers

- Ms. Samia Mushtaq
- Mr. Faizan Mirza
- Ms. Uzma Firdous
- Mr. Muhammad Nisar

Program Available

- M.Sc. in Physiology

Institute of

Space & Planetary Astrophysics

Introduction

The main objective of Institute of Space and Planetary Astrophysics (ISPA), University of Karachi, is to promote space Science Education in Pakistan and to carry out research in space science and Technology. The institute has already produced quality research work in diversified areas of Space Science. ISPA has collaboration with Pakistan Space Agency SUPARCO, Centre for Astrophysics and Supercomputing, Swinburne University of Technology, Australia and School of Marine and Atmospheric Science, Stony Brook University, NY, USA.

ISPA is offering admission to B.Sc. (Hons.) and M.Sc. degree programs in Space Sciences and Technology. These programs will provide a broader background for understanding linkages between space science, engineering and technology. In fact, these undergraduate programs are multi-disciplinary program which include Electronics, Digital Signal processing, Communications Systems, Satellite Communication, Global Navigation Satellite System, Aero-Space Science, Computational Astronomy, Computer programming and Remote Sensing & GIS.

Career Opportunities

Our graduates have job opening in Telecommunications Corporations Ltd. National Telecommunications Corporations, Pakistan sui Sothern Gas Company and oil and Gas Development Ltd. SUPARCO, NESCOM, Civil Aviation Authority, PIA, Pakistan Meteorological Department, etc.

Facilities

- ISPA Observatory is equipped with Meade 16 inch LX-200 Coma free telescope automated equatorial pier mount, CCD camera including computers, filters, weather station and software. We have also one movable telescope.
- Computational Astronomy Lab: The computer lab is equipped with space science related software.
- GIS Lab
- GPS Lab
- Digital Library
- Seminar Library

Specific Research Areas

- Computational and Observational Astronomy
- Cosmology / Astrophysics
- Space Flight Dynamics
- Global Navigation Satellite System (GNSS)
- Satellite Communication / Space Antennas
- Remote Sensing and Geographical information Science (GIS)
- Atmospheric Science
- Solar and Ionospheric physics

Faculty Members

Professors

- Dr. Muhammad Jawed Iqbal (*Director*)

Associate Professor

- Dr. Mudassar Hassan Arsalan

Assistant Professors

- Mr. Mirza Jawwad Baig
- Dr. Naeem Sadiq

Lecturers

- Mr. Muhammad Anas Qureshi
- Mr. Fayyaz Ur Rasheed
- Mr. Muhammad Saleem Khan

Program Available

- M.Sc. (Space Science and Technology)

Department of

Statistics

Introduction

The department of Statistics was established in the year 1963. Both in terms of physical facilities and academic facilities the department of Statistics is one of the most popular departments within the university.

Career Opportunities

The opportunities are open for the Students of Statistics and Actuarial Sciences and Risk Management in all fields including banks, industries, Government Organization (FBS, SBS, PBS, State Bank, etc.), Research Organizations, insurance and investment fields.

Facilities

The department has a Seminar Library and data bank stocked with a number of latest and good books on all branches of statistics. The Library has also a large collection of statistical publications of national and international organizations. The students and researchers are also using the facilities of data bank in the department that has several computer laboratories having more than 100 computers.

Well-equipped Computer Laboratories with an environment of networking and statistical packages such as SAS, SPSS, S-PLUS, R.STATA, EViews, MATHEMATICA, MATLAB, MINITAB, ITSM etc. are available for students and researchers.

Faculty Members

Professor

- Dr. Mudassir Uddin

Associate Professors

- Mr. Muhammad Aslam
- Dr. Ehtesham Hussain (*Chairman*)
- Dr. Javed Iqbal

Assistant Professors

- Mrs. Rafia Shafi
- Dr. Farah Yasmeen
- Dr. Arfa Maqsood
- Dr. Suboohi Safdar
- Dr. Bushra Shamshad
- Ms. Samreen Fatima

Lecturers

- Ms. Rahat Bibi
- Ms. Tanzeela Yaqoob
- Ms. Zara Omar
- Ms. Saba Naz
- Mr. Tayyab Raza Fraz

Program Available

- M.A./M.Sc. in Applied Statistics

TABLE - I
MASTERS PROGRAMS

S.No.	Program	No. of Seats	Required Eligibility
1.	ADMINISTRATIVE SCIENCE (MAS) (One Year After PGDPA)	120	Postgraduate Diploma in Public Administration (PGDPA)
2.	AGRICULTURE & AGRIBUSINESS MANAGEMENT	50	BS Agriculture/B.Sc.(Hons.) Agriculture
3.	APPLIED MATHEMATICS (Department of Mathematics)	200	i) B.A/B.Sc/B.Tech.(H)/B.E./BCS with Mathematics ii) B.A/B.Sc. Pass with (Mathematics or Diploma in Mathematics) iii) B.Com. with Diploma in Mathematics
4.	APPLIED PHYSICS (with specialization in Electronics)	60	i) B.Sc. with Physics and Mathematics ii) B.E (Electronics/Electrical) iii) B.Tech.(Hons.) Electronics/ Electrical/Telecommunication)
5.	APPLIED STATISTICS	50	i) B.A/B.Sc./B.Com./M.B.B.S/B.E./BBA ii) Graduation in any discipline
6.	B-Ed. (Special Education)	100	B.A/B.Sc./B.Com.
7.	B-Ed. (Teacher Education) (2 year program after ADE)	50	ADE (Associate Degree in Education)
8.	BOTANY	50	B.Sc. with Botany
9.	CHEMISTRY	60	B.Sc. with Chemistry
10.	COMMERCE (General)	120	B.Com with at least 50% marks
11.	COMMERCE (Insurance)	60	Graduation with at least 50% marks
12.	CRIMINOLOGY	75	Graduation/LLB or Equivalent Degree
13.	ECONOMICS	75	i) B.A/B.Com with Economics ii) B.Sc. with Math / Physics or Statistics (at least one subject)
14.	ECONOMICS & FINANCE	175	Graduation
15.	EDUCATION	50	30 for B.A. with Education 20 for Graduation

S.No.	Program	No. of Seats	Required Eligibility
16.	ENGLISH Note: (Candidates with Functional English are not eligible for admission)	70	i) Graduation (B.A/ B.Sc./B.Com) with at least 45 % marks in Elective, Advance English ii) Graduation (B.A/ B.Sc./B.Com) with at least 55 % marks in English compulsory
17.	ENGLISH Linguistics/Literature (One year)	50	M.A. English (Literature / Linguistics)
18.	ENVIRONMENTAL STUDIES	50	B.Sc./B.Pharm./Pharm-D/B.E./M.B.B.S./ B.Sc. (Nursing) or any relevant science degree
19.	GENERAL HISTORY	20 30	B.A with General History Graduation in any discipline
20.	HEALTH, PHYSICAL EDUCATION & SPORTS SCIENCES	60	i) Bachelor in Physical Education(B.P.Ed.) ii) B.A. / B.Sc. (With Physical Education as subject) iii) M.B.B.S. / B.S.P.T. (B.Sc. in Medical Technology/B-Pharm) iv) B.A./B.Sc./B.Com. and participated in any game at college. v) Graduation in any discipline
21.	HUMAN RESOURCE MANAGEMENT	50	Bachelor's degree in any discipline with at least 50% marks. 10 seats are reserved for professionals
22.	INTERNATIONAL RELATIONS	70	Graduation
23.	ISLAMIC LEARNING	50	i) B.A.(with Islamic Studies or Arabic Optional) / L.L.B. ii) Shahad-Tul-Aliya
24.	ISLAMIC BANKING & FINANCE	50	B.A./B.Sc./ B.Com.
25.	INSTITUTE OF SPACE & PLANETARY ASTROPHYSICS (ISPA) (M.Sc. Space Science & Technology)	50	B.Sc. with Physics and Mathematics / B.E. or Equivalent
26.	M-PHARM. (Pharmacognosy)	50	B-Pharm. / Pharm-D.
27.	LIBRARY AND INFORMATION SCIENCE	35	Graduation
28.	MASS COMMUNICATION	50	Graduation

S.No.	Program	No. of Seats	Required Eligibility
29.	M.I.B.M. (Industrial & Business Mathematics) (Department of Mathematics)	50	i) B.A/B.Sc/B.Tech.(H)/B.E./BCS with Mathematics ii) B.A/B.Sc Pass with (Mathematics or Diploma in Mathematics) iii) B.Com. with Diploma in Mathematics
30.	MBA (MASTERS IN BUSINESS ADMINISTRATION) (3.5 Years)	50	Graduation in any discipline with at least 50% marks
	NOTE: - Admission will be granted on the basis of Aptitude Test and minimum qualifying marks in the Test is 50 % - Weightage for preparation of merit list is: Academic Record 50% + Aptitude Test 50 %		
31.	MICROBIOLOGY	35	i) B.Sc. with Microbiology ii) MBBS/BDS/B.Sc. in Life Sciences discipline with Microbiology Certificate Course (MCC).
32.	PETROLEUM TECHNOLOGY	60	i) B.Sc. with Mathematics ii) B.E. iii) B.Tech.(Hons.) in (Petroleum / Chemical / Mechanical)
33.	PHYSICS (with specialization in Electronics and Communication)	40	B.Sc. (with Physics) or Equivalent
34.	PHYSIOLOGY	50	i) B.Sc. Biology group (with Microbiology / Biochemistry / Botany / Zoology / Chemistry) ii) B.Sc.(Physiotherapy) / B.Sc.(Nursing) iii) D.V.M / M.B.B.S.
35.	POPULATION SCIENCES (Department of Sociology)	50	Graduation
36.	PSYCHOLOGY	50	i) 35 seats for Graduation with Psychology ii) 15 seats for Graduation without Psychology
37.	PUBLIC ADMINISTRATION	60	Graduation
38.	PUBLIC POLICY (Department of Political Science)	75	Graduation

S.No.	Program	No. of Seats	Required Eligibility
39.	POLITICAL SCIENCE	40	B.A. with Political Science
40.	QUR'AN AND SUNNAH	80	i) B.A.(with Islamic Studies or Arabic Optional) / L.L.B. ii) Shahad-Tul-Aliya
41.	SOCIOLOGY	75	Graduation
42.	TEACHER EDUCATION B.ED (H) SECONDARY (1.5 YEARS) (Weekend)	35	Masters/BS (16 Years of Education) in any Discipline with atleast 45% Marks (Second Division)
43.	TEACHER EDUCATION (M.ED) (Weekend)	35	B.Ed (01 Years) from any HEC recognized Institute/University with atleast 45% marks (Second Division)
44.	TRANSPORT MANAGEMENT (MTM) (Department of Economics)	75	Graduation
45.	URDU	50	Graduation
46.	WOMEN'S & GENDER STUDIES	50	Graduation

M.S. (Masters of Studies) PROGRAM

S.No.	Program	No. of Seats	Required Eligibility
1.	REMOTE SENSING & GEOGRAPHICAL INFORMATION SYSTEMS (RS/GIS) Note: (Admission will be granted on the basis of Aptitude Test) Minimum qualifying marks in the Test is 50% Weightage for preparation of Merit List is: Academic Record = 50% Aptitude Test = 50%	20 15	M.Sc./M.A. in Geography, Four (4) years BS in Geography, BS Remote Sensing and GIS or minimum 16 years of education (HEC) Recognized Institutes / Universities) M.Sc./M.A. with Allied Sciences * (Geology, Environmental Sciences or Engg., Civil Engg., Forestry, Agriculture, Town Planning, City & Regional Planning, Oceanography, Electrical Engg., Mechanical Engg., Zoology, Botany, Mathematics, Computer Sciences, Physics, Applied Physics, Public Health, Medical Science Disciplines, Education, Epidemiology, Land Management, Landscape Architecture, Archeology and Architecture. * These candidates are required to complete the deficiency courses (The students have to pay Rs.6,000/= per course. The total number of deficiency courses are 03)
2.	MS PHARMACEUTICS	50	B. Pharm/ D-Pharm
3.	MS PHARMACOLOGY	45	B. Pharm/ D-Pharm

TABLE - II

DIPLOMA PROGRAMS

S.No.	Program	No. of Seats	Required Eligibility
1.	APPLIED GENETICS Note: (Admission will be granted on the basis of Aptitude Test) Minimum qualifying marks in the Test is 50 % Weightage for preparation of Merit List is: Academic Record = 50% Aptitude Test = 50%	35	Minimum Sixteen years of education with biological sciences including Medical / Dental / Physiotherapy/ Agriculture / Medical Technology / Psychology/Pharmaceutical / Veterinary Sciences.
2.	ASSESSMENT, COUNSELING & PSYCHOTHERAPY	40	Masters degree in Psychology
3.	AUDIOLOGY AND SPEECH PATHOLOGY (PGD Special Education, leading to Masters)	50	B.A., B.Sc. & B.Com.
4.	COMPUTER & INFORMATION SCIENCES (PGDCIS)	50	B.A., B.Sc. & B.Com. or Equivalent
5.	CONTEMPORARY ARABIC	50	Certificate in Arabic Language
6.	CRIMINOLOGY	50	Graduation / LLB
7.	DIPLOMA IN (EARLY CHILDHOOD EDUCATION) LEADING TO MASTERS (Weekend)	35	Graduation (14 Years of Education) in any Discipline with atleast 45% Marks (Second Division)
8.	ECONOMICS & FINANCE (PGD)	50	Graduation
9.	ENVIRONMENTAL STUDIES	80	B.Sc. / B. Pharm./Pharm-D / B.E./ M.B.B.S. or other relevant science degree
10.	FUNCTIONAL ARABIC (PGD)	50	Graduation with Arabic / Diploma in Arabic / Al-Shahadat ul Aliya
11.	HUMAN RESOURCE MANAGEMENT (PGDHRM)	50	Graduation
12.	INCLUSIVE EDUCATION(PGD)	100	B.A., B.Sc. & B.Com.
13.	INDUSTRIAL AND ORGANIZATIONAL PSYCHOLOGY	50	(i) Masters degree in Psychology (ii) Professional degree
14.	INVESTIGATIVE PSYCHOLOGY	50	Graduation
15.	LOCAL GOVERNMENT (DLG) (leading to Masters)	50	Graduation

S.No.	Program	No. of Seats	Required Eligibility
16.	PERSIAN	50	Intermediate with Certificate in Persian from Karachi University
17.	PETROLEUM TECHNOLOGY (PGD)	40	B.Sc. Pre Engineering, B.E./ B.Tech.(H)
18.	PUBLIC ADMINISTRATION (PGDPA) (leading to MAS)	120	Graduation, M.B.B.S., L.L.B., B.E. or Equivalent
19.	PUBLIC ADMINISTRATION AND PUBLIC POLICY ANALYSIS (PGDPA&PPA)	60	Graduation
20.	PUBLIC POLICY (Leading to M.A. in Public Policy) (Department of Political Science)	50	Graduation
21.	QURANIC ARABIC LANGUAGE	50	Certificate in Arabic Language
22.	SPORTS ADMINISTRATION AND MANAGEMENT (PGD-SAM)	50	i) BS/M.Sc./M.A. in Health, Physical Education and Sports Sciences. ii) BS/D.P.T./M.Sc. in Physiotherapy iii) M.B.B.S./Pharm-D/M.P.A./MBA/M.Com.
23.	SPECIAL EDUCATION (PGD) (leading to Masters)	50	B.A., B.Sc., B.Com.
24.	SUPPLY CHAIN MANAGEMENT (PGD) (leading to Masters)	50	Graduation
25.	URDU (PGD) FOR FOREIGNERS	45	Graduation or equivalent (Only those Foreign students are eligible who have successfully completed their certificate course for Urdu Language)

TABLE - III

CERTIFICATE COURSES

S.No.	Program	No. of Seats	Required Eligibility
1.	MICROBIOLOGY (MCC)	45	Candidates possessing MBBS / BDS / B.Sc. in any Life Sciences discipline.
2.	URDU (One Year Professional Certificate Course (Teaching of Urdu))	45	Graduation or equivalent
3.	URDU (One Year Certificate Course for Foreigners)	45	Graduation or equivalent
4.	WOMEN'S STUDIES	45	Graduation or equivalent

TABLE –IV

FEE STRUCTURE

Admission Fee

a)	Admission Fees (Shall be Charged at the beginning of each academic year)	Rs. 2,000/-
b)	Enrolment Fee	Rs. 1,000/-
c)	Development Fee	Rs. 2,000/-
d)	Caution Money (Refundable)	Rs. 1,000/-
TOTAL AMOUNT		Rs. 6,000/-

Tuition Fee (At the Beginning of Every Semester)

MASTERS / B.ED. / BLIS PROGRAMS

S.#	Program	Tuition Fee	Admission Fee	Total Fee
1	Administrative Sciences (MAS)	22000	6000	Rs.28,000/=
2	Agriculture & Agribusiness Management	25500	6000	Rs.31,500/=
3	Applied Mathematics	25500	6000	Rs.31,500/=
4	Applied Physics	25500	6000	Rs.31,500/=
5	Applied Statistics	25500	6000	Rs.31,500/=

27	M.I.B.M	25500	6000	Rs.31,500/=
28	Microbiology	25500	6000	Rs.31,500/=
29	M-Pharm. (Pharmacognosy)	50000	6000	Rs.56,000/=
30	MS Pharmaceutics	50000	6000	Rs.56,000/=
31	MS Pharmacology	50000	6000	Rs.56,000/=
32	MS in Remote Sensing & Geographical Information Systems (RS/GIS) (Department of Geography)	38500	6000	Rs.44,500/=
33	Petroleum Technology	33000	6000	Rs.39,000/=
34	Physics	25500	6000	Rs.31,500/=
35	Physiology	25500	6000	Rs.31,500/=
36	Population Science	22000	6000	Rs.28,000/=
37	Political Science	22000	6000	Rs.28,000/=
38	Psychology	22000	6000	Rs.28,000/=
39	Public Administration (MPA)	27500	6000	Rs.33,500/=
40	Public Policy (Department of Political Science)	25500	6000	Rs.31,500/=
41	Quran-o-Sunnah	22000	6000	Rs.28,000/=
42	Sociology	22000	6000	Rs.28,000/=
43	Teacher Education B.ed (H) Secondary (1.5 Years)(Weekend Program)	40000	6000	Rs.46,000/=
44	Teacher Education (M.ed) (Weekend Program)	40000	6000	Rs.46,000/=
45	Space Science (ISPA)	25500	6000	Rs.31,500/=
46	Transport Management (MTM)	22000	6000	Rs.28,000/=
47	Urdu	22000	6000	Rs.28,000/=
48	Women's & Gender Studies	22000	6000	Rs.28,000/=

DIPLOMA PROGRAMS

S.#	Program	Tuition Fee	Admission Fee	Total Fee
1	Applied Genetics	23000	6000	Rs.29,000/=
2	Assessment, Counseling & Psychotherapy	19000	6000	Rs.25,000/=
3	Audiology & Speech Pathology (Special Education)	19000	6000	Rs.25,000/=
4	Computer Science	27500	6000	Rs.33,500/=
5	Contemporary Arabic	19000	6000	Rs.25,000/=
6	Criminology (Department of Sociology)	19000	6000	Rs.25,000/=

7	Diploma in (Early Childhood Education) Leading to Masters (Weekend Program)	40000	6000	Rs.46,000/=
8	Economics & Finance	19000	6000	Rs.25,000/=
9	Environmental Studies	20000	6000	Rs.26,000/=
10	Human Resource Management (PGDHRM)	20000	6000	Rs.26,000/=
11	Inclusive Education	19000	6000	Rs. 25,000/=
12	Industrial & Organizational Psychology	19000	6000	Rs. 25,000/=
13	Investigative Psychology	19000	6000	Rs. 25,000/=
14	Functional Arabic	19000	6000	Rs. 25,000/=
15	Local Government (DLG)	19000	6000	Rs. 25,000/=
16	Persian	19000	6000	Rs. 25,000/=
17	Petroleum Technology	19000	6000	Rs. 25,000/=
18	Public Administration (PGDPA)	20000	6000	Rs.26,000/=
19	Public Administration & Public Policy Analysis (PGDPA & PPA)	19000	6000	Rs.25,000/=
20	Public Policy (Department of Political Science)	19000	6000	Rs.25,000/=
21	Qur'anic Arabic Language	19000	6000	Rs.25,000/=
22	Sports Administration and Management (PGD-SAM)	23000	6000	Rs.29,000/=
23	Special Education	19000	6000	Rs.25,000/=
24	Supply Chain Management	19000	6000	Rs.25,000/=
25	Urdu (PGD) for Foreigners	220000	6000	Rs.2,26,000/=

CERTIFICATE COURSES

S.#	Program	Tuition Fee	Admission Fee	Total Fee
1	Microbiology (MCC)	24,000	6000	Rs.30,000/=
2	Urdu (One Year Professional Certificate Course (Teaching of Urdu))	7000	6000	Rs.13,000/=
3	URDU (One Year Certificate Course for Foreigners)	220000	6000	Rs.22,6000/=
4	Women's Studies	7000	6000	Rs.13,000/=

FEE STRUCTURE FOR INTERNATIONAL STUDENTS

At the Masters / Diploma level, International Students are required to Pay Rs.2,00,000/- per academic year & Examination Fee Rs.200/- Per Course.

1. Admission Fee will be submitted in HBL Bank.
2. Fee once deposited is non-refundable under any circumstances.
3. There is no provision for fee concession, installments or scholarships.
4. Examination Fee for all students will charged @ Rs.200/= per course
