MOU between KUBS and SECP

On 12th Sept, 2018 Karachi University Business School and Securities Exchange Commission of Pakistan (SECP) signed a MOU at its Karachi office. It was signed on behalf of perspective parties i.e. Mr Shauzab Ali, Commissioner (IED-SECP) and Dr Muhammad Asim signed it on behalf of Prof. Dr Tahir Ali Dean Faculty of management and Administrative Sciences, UoK. This MOU will help in facilitating the various exchange programs as SECP will enhance awareness and education among current and potential investors of capital market and corporate sector ensuring a trajectory of learning from basic financial literacy to financial capability. The MOU between the parties will also strengthen the industry-academia linkage and collaborations.

Maintenance and Developmental activities

KUBS was once again active during the year in the maintenance and developmental activities of the department. After a long struggle the problem of water shortage was so heel as the water boring was completed on 6th September, 18 after which a long term need of the department was fulfilled. Further, for a long time a large land area outside department was unusable, but the

management completed the land cleaning and the area was spic and span which is now usable for parking and other purposes. This all was possible due to the untiring efforts of Dr Asim and his team. The whole department was also made “Green” by plantation drives and individual efforts of the Chairman.

Workshop on CV Building

On Oct 19th, 2018 a workshop on CV building was held in Karachi University Business School, under the supervision of Faculty member Syeda Nazneen. This session was conducted by Ms Maheen Abid, working as a career consultant. She advised the students on how to create the perfect CV, sharing with them essential hints and tips on interview technique and what interviewers are actually looking for in a candidate. The workshop is designed to enhance our students ability to write a compelling CV and excel in a job interview, also to tailor their CVs to the requirements of the job ads. This is to assist the students with career planning, developing effective job search skills and building professional skills to make a good impression in the workshop. The purpose of this workshop was to create valuable opportunity for students to gain key information to support their career.

Plantation Drive at KUBS

On Thursday, 30th August 2018, The students Council of Karachi University Business School (KUBS), under the supervision of Dr. Sarah Anjum and Ms. Sidrah Farooq, initiated a Plantation drive named “I OWN KUBS” with an aim of cleaning the campus and making it green. Considering the disadvantage of environment damaging trees like Conocarpus, students decided to run a campaign to cut down those trees and plant nature friendly ones. Students contributed wholly to support this worthy cause and planted more than 200 plants around the campus. Moreover, the campus was cleansed overall and dustbins have been arranged for every lecture room and corridor. The institute is looking forward to initiate many such community welfare activities.

Summer School at Warwick University

Farwa Shahid is a student of KUBS currently enrolled in BBA VIII Specialized. She was privileged to attend Warwick Summer School 2018.
