

SHAGUFTA ISHTIAQUE

University of Karachi, Department of Chemical Engineering

Email: shaguftai@uok.edu.pk

HIGHLIGHTS OF QUALIFICATIONS:

- A result oriented, self-motivated, leading, enterprising and versatile with more than 20 years professional experience.
- More than 10 years of University level teaching, research and administration..
- Familiar with all methods of Process Design & Management.
- Profound experience on use of various computer software and programs relevant to the Chemical Engineering process and management.
- Established Chemical Engineering Department in University of Karachi, accredited by Pakistan Engineering Council accreditation.

PROFESSIONAL EXPERIENCE

Incharge & Asst .Professor, University of Karachi,PAk April 2011 - Present

- Developed curriculum for Chemical Engineering as per Higher Education Commission of Pakistan (HEC) and Pakistan Engineering Council (PEC) guidelines.
- Designed and supervised fabrication of instruments for process control lab and other Engineering Laboratories..
- Taught different subjects eg Chemical Engineering Thermodynamic, Instrumentation and Control, Project Management, Maintenance Engineering & Safety etc
- Supervised and guided final year B.E on different design projects .
- Developed state of art Laboratories funded by PPL Ltd,Pakistan.
- Organized technical workshop and seminars for students and faculty members.
- Developed industrial linkage program.
- Conducted research on solid waste management, use of natural antioxidants in food packaging, Process control, Health and safety etc

Lecturer, University of Karachi, Pakistan

Feb. 2006 – April 2011

- Taught Chemical Engineering courses like thermodynamic, Industrial management , process control & instrumentation etc
- Organized technical workshops for student of Chemical Engineering Department.
- Worked as a student advisor on academic advisory.
- Involved in design experiments for thermodynamic ,process control ,Fuel and Combustion labs to meet requirements of PEC.

Visiting Faculty, Federal Urdu University

Jan 2005 - December 2005

Taught following courses:

- Principles of Management
- Production Management
- Marketing Management

Project Implementer, Computer Research (Pvt.) Ltd, May 2001-January 2002

- Worked on customized software like oracle financial/SAP.
- Planning & monitoring of project using MS project2000 software.
- Prepared business flow diagram using Visio and other tools.
- Implemented ERP software in different organizations.

Director, Aqua Link Ltd, Pakistan

February 2004 - February 2006

- Provided consultancy services to different industries with respect to water treatment and energy conservation.
- Installed and commissioned RO plant in various organization.

**Application Engineer, Orient service (Pvt.) Ltd, Pakistan
Jan.1998**

January 1995 –

- Prepared water treatment proposal using software provided by Drew Ameroid for boiler water treatment, RO water etc.
- Supervised service Engineers.

Assistant Manager, National Fibers Ltd, Pakistan

May 1990 -May 1994

- Worked as process engineer in the Polymer Plant .
- Worked on several projects eg power factor improvement, condensate recovery, utilization of Flash steam, replacement of old steam traps, polymer recovery plant, Data logging system for batch monitoring and generation of real time production reports of polymer plant etc.
- Planned, designed, implemented & monitor various energy conservation project on the basis of that Electricity/gas bills of the organization reduced to about 7 to 10%.
- Boiler and Furnace tune-up by ENERCON after which efficiency had been increased up to 5-8%.
- Worked with Foreign experts during the installation and commissioning of Polymer Waste recovery Plant.

EDUCATION:

- PhD (Chemical Engineering,2014)
University of Karachi, Pakistan
- Masters in Engineering (Chemical Engineering,2010)
NED Engineering University, Pakistan.
- Masters in Business Administration, MBA (M.I.S,2002)
Allama Iqbal Open University, Pakistan.
- Bachelor of Engineering (Chemical,1990)
Mehran University of Engineering & Technology, Pakistan

PROFESSIONAL MEMBERSHIPS:

- Associate Member "The Pakistan Institute of Chemical Engineers". Pakistan
- Vice President Chemical Engineers Society (Mehran Engineering University ,Jamshoro)(2014 up to date)
- Royal Member , "Institute of Engineers, Pakistan"(IEP)
- Secretary , "Rotary Club Mid City Karachi",Pakistan
- Corporate member, "International Waste Working Group" IWWP
- Registered Professional Engineer as per Pakistan Engineering Council(PEC).

INTERNATIONAL/IN-HOUSE TRAINING, CERTIFICATIONS & PUBLICATIONS:

- Participated in 12 weeks Professional training course held under ministry of production for young Engineers in PEROMAN held in 1991.
- Received 3 weeks training on spinning process at Reiter automatic in Germany and Switzerland in 1994.
- Participated in Web page design course organized by Computer Department of University of Karachi in 2006.
- Presented Paper in the international symposium organized by ENERSON and presented paper based on "success story of energy conservation projects at National Fibers Ltd" in 1999.
- Presented Paper on "HSE Improves Productivity and Company Image" in 8th National Seminar on "Occupational Health, Safety and Environment" organized by IEP in 2011.
- Participated in "CPD Framework for professional Development of Engineers"(0.5 CPD credit point) at Pakistan steel held on August 20, 2013.
- Completed 40 credit hrs course on Business English Program from IBA in 2011.
- Participated in the International Symposium held at Mehran Engineering University on "Sustainable water management in developing Countries" in 2010.
- Participated in National Symposium on "Health Safety and Industrial Hazard" organized by Institute of Engineers(IEP) in 2011.
- Participated in workshop on "Renewable energy" organized by NED Engineering University in 2011.
- Participated in National Workshop on Occupational Health and Safety organized by the IEP in 2011
- Published Paper in Yambol Journal Of Engineering and Science, On "Turbulence Modeling in Sensed Carotid Arteries Using CFD" Gasification of Coal, Vol 2, 2012.

- Published paper in Journal of Agricultural science ,ISSN 1916-9752,Antioxidant Potential of the Polyphenolics in *Grewia asiatica*,*Eugenia Jambolana* and *Carissa Carandas*,Vol 3,2013.
- Published paper in Journal of antioxidants, ISSN 2076-3921,Antioxidant Potential of the extracts, Fractions and oils derived from oilseeds, vol 2,2013
- Published paper in Sind University Research Journal(science Series),Remedial measure of health and safety in Ginning Industry of Pakistan, Vol 46(2)185-188.
- Presented Poster on Use of Decision Support Software Tool in assessment of practices in solid waste management in Karachi, in an International Symposium on Energy from Biomass and waste held in Venice, Italy 17-20 Nov.2014.
- Organized technical workshop on the role of Female Engineers of Pakistan at IEP, Karachi on 8th March 2014.
- Attended one day professional course on “How to write a Technical Research Paper” held on August 29,2013 at Usman Institute of Technology, Karachi.
- Participated in 03 days workshop on “Outcome Based Learning & Assessment Workshop in First International Young Engineers Convention (IYEC-2014).
- Participated in workshop "CPD FRAMEWORK FOR PROFESSIONAL DEVELOPMENT OF ENGINEERS" (2014) organized by IEP.
- Participated as an Expert in 93rd Adjourned meeting of the Selection Board held in Mehran Engineering University Jamshoro, 2014.
