PERSONAL INFORMATION	
Father's name: Farooq Ali	Religion : Islam
D.O.B : 18-10-1984	Nationality: Pakistani
N I C: 42401-4901742-9	Languages: Urdu, English
Status: Single	

FINAL YEAR PROJECT

Wet Air Oxidation of Refinery Spent Caustic.

(In this project, my work was to design heat exchanger to achieve reaction temperature.)

COMPUTER SKILLS

- 1 Operate window 98,Win XP
- 2 Microsoft Office
- 3 Languages GW basic, C++
- 4 Internet
- 5 Beginner of *HYSYS*

FIELD OF INTEREST

Petroleum Refineries

Design And Simulation

Edible Oil & FMCG

Fertilizers

& Petro-chemicals.

INTERESTS

- Attending Seminars Pertaining to Chemical Technology.
- Interest in Current Affairs & NEWS.

Reference will be furnished on demand.
