

Engr. Muhammad Yasir Khan

C-324 Shahi Abad Colony, Noor ul Islam Metovill
SITE Town Karachi, Pakistan
E-mail: myasir@uok.edu.pk , engr_yasir@hotmail.com

QUALIFICATION HIGHLIGHTS

- Over 4.5 Years' Experience on Teaching Position in the University
- Fully Conversant with All Instrumentation Techniques Involved in Process Control
- Professional Post Graduate Degree in Chemical Engineering
- Proven Leadership with Core Competencies in Electrochemical Process Plant Management
- Involved in Erection, Commissioning and Operation of Automatic Galvanizing Plant
- Process Engineering Support to Plant for Quality, Risk Assessment, Health, Safety and Environmental Management System

WORK PROFILE

Academic Experience

- Lecturer (BPS-18)
(1st march 2007 Up to date)
Department of Chemical Engineering
University Of Karachi

RESPONSIBILITIES

Served as teaching assistant and grader for following Chemical Engineering courses

- Corrosion Engineering
Helped write problem sets and exams. Assisted students individually with home-work problems or material they found difficult to understand
- Transport Phenomena
Prepared teaching materials including problem sets and exams. Supervised other teaching assistants and graders. Addressed individual students' questions and needs.
- Instrumentation & Control Engineering (Theory / Labs)
Designed Lab of following practical (Overview Picture is enclosed)
 - Temperature, Pressure, Flow & Level Control Systems
 - Temperature & Pressure Calibrator

To familiarize the students with process parameter measurements and their instruments, various control strategies and response analysis

- Heat Transfer (Theory / Labs)
Supervised and instructed students in Heat Transfer techniques. Emphasized keeping complete and accurate scientific notes.

Industrial Experience

- Electroplating Engineer
(16 November 2005 30th February 2007)
MBI Industries (PVT) Limited S. I. T. E Karachi

RESPONSIBILITIES

MBI Industries (PVT) limited is one of the largest Fasteners (Auto Parts Manufacturer) in Pakistan. Electroplating Department is part of Surface Treatment Department. Responsibilities are

- Leadership, and Process Management
 - Electroplating Plant Operation from Raw Material to Finished Product, Quality and Quantity
 - Maintained the inventory of Incoming Nut Bolts and making daily Production Report
 - Successfully maintained the high level of production rate with low raw material consumptions
 - Designed automatic Zinc Electroplating Plant to increase the production rate as 10 tons/day to 20 tons/day
 - Successfully developed the wastewater treatment process to recover the Sodium Cyanide, which is highly dangerous to living life.
 - Designed successfully analytical and physical Laboratory testing methods and System operating Process to maintained best Concentration Level or Process Reactors
 - Efforts as a Electroplating Engineer MBI-Industry got ISO-9001-2000 Certificates within 40 days
 - Consumers of MBI- Industry are ATLAS HONDA, PAK-SUZUKI, HINOPAK MOTORS etc.
 - Successfully supervised 2 Assistant engineers, 4 shift supervisors and 60 workers of different job at Electroplating Department
- Trainee Sizing Engineer
(10 January 2005 to 15 November 2005), ***ACME Textile Mill (PVT) Limited***

RESPONSIBILITIES

ACME Textile mill is one of Largest weaving textile mill at Karachi, responsibilities are

- Checking the yarn quality and grade

- Maintaining the sizing reactor and keeping the quality of starch by used analytical and physical testing system
- Regularly maintaining the process of sizing
- To maintained the production of sized yarn as 6, 00000 meters / day
- Consumers of ACME Textile are U S A, UK, Singapore, etc
- Successfully supervised 40 workers and 4 shift supervisors as Sizing Engineer

ACADEMIC QUALIFICATION

- M.E in Chemical Engineering
(G.P.A 3.31 /4.0) 2007-2009
**NED University of Engineering & Technology Karachi,
Pakistan**
- B.E in Chemical Engineering
(G.P.A 3.32 /4.0) 2001 -2004
**Mehran University of Engineering & Technology Jamshoro
Sindh, Pakistan**

PROJECT SUMMARY

AS A STUDENT

- Design Study Design study of indigenous process control system (2004)
Mehran University of Engineering & Technology Jamshoro Sindh Pakistan
- Designing of Cathodic Corrosion Protection Method (2004)
Mehran University of Engineering & Technology Jamshoro Sindh Pakistan
- Environmental Impact of Waste to Local Area of UC#6 S.I.T.E Town Karachi (2003)
Mehran University of Engineering & Technology Jamshoro Sindh Pakistan

AS A TEACHER

- Revamping of Crude Oil Distillation (2010)
University of Karachi
- Design and Development of Process Plant Trainer for Chemical Binder Production (2011)
University of Karachi

UPCOMING SCIENTIFIC PUBLICATIONS:

- Manufacturing of Ethyl Acetate and Sodium Acetate using energy Efficient Sequential Control Strategy

INTERNSHIPS

- **Trainee Chemical Engineer**
(14 December 2003 to 28 December 2003)
2 weeks at *Hazara Phosphate Fertilizer Haripur*
- **Trainee Chemical Engineer** (7 June 2004 to 9 July 2004)
5 weeks at *National Refinery Limited Karachi*

COMPUTER QUALIFICATION

LANGUAGE

- TURBO C++

PACKAGES and DATABASE

- MS Office
- Primavera
- MS Project

PROFESSIONAL MEMBERSHIP

- ✓ Registered Engineer in Pakistan Engineering Council PEC No. CHEM/5973
- ✓ Executive Member of Society of Petroleum Engineering Mehran Student Chapter
- ✓ Executive Member of Institution of Engineer Pakistan Mehran Student Chapter
- ✓ Executive Member of Chemical Engineering Society MUET Jamshoro Sindh

TRAINING AND AWARD

- Teacher Training Program in Professional Development Center (2010) University of Karachi
- Short course on “Nuclear Engineering” (25th September 2004) Mehran University of Engineering & Technology, Jamshoro Sindh
- Seminar on “The Advancement of Engineering Profession in Emerging International Scenario “ (21st Sep 2004) Mehran University of Engineering & Technology, Jamshoro Sindh
- Short course on “Nuclear Engineering” (23rd October 2003) Mehran University of Engineering & Technology, Jamshoro Sindh

- Seminar on “ Interaction B/W Industry and Engineering Institutions “
(16th September 2003)
Mehran University of Engineering & Technology, Jamshoro Sindh

PERSONAL INFORMATION

- Father Name: ABDUL QADIR
- Date of Birth: 02-01-1982
- Domicile: Karachi (West)
- Nationality: Pakistani
