

A SYNOPSIS OF THE CURRICULUM VITAE OF

DR. MUHAMMAD ASAD HASAN

- a)
 - Possess Post-Graduate qualifications in Faculties of Engineering, Science, Management and Law [Ph.D. & Post-Graduate Diploma in Chemical Engineering from the University of Leeds and Surrey (England), M.Sc. in Chemistry from University of Karachi, Post-Graduate Diploma in Management Studies from Derby (England) and LLB from University of Sindh], in addition of score of Certificate for technical and management courses from 11 abroad and 4 national organizations. Also registered as ISO-9000 Lead Auditor from I.R.C.A. (London) and qualified ISO-14000 Lead Auditor from British Standards Institution (England), (Annexure "A").
 - LIFE MEMBER, PAK. ENG. COUNCIL, EX-M.A.I.C.H.E. & M.A.S.Q.C. (U.S.A.) F.B.I.M. (U.K.).
 - Name was included in the Roaster of the Common Wealth Secretariat, London as an expert in Quality, Standardization, Testing etc., in 1998 (Ref:0071845) and in IRTI Information Center, Islamic Development Bank, Jeddah, Saudi Arabia.
- b) Represented the country abroad in ten International Seminars, Conference, Symposia at China, France, India, Japan, Singapore, South Korea, Thailand and Turkey and score of workshops etc., at national level, (Annexure "B").
- c) Working as an Adjunct Professor in the department of Chemical Engineering, University of Karachi, since 2008.
- d) Worked as Professor in the Department of Chemical Engineering, Dawood College of Engineering Technology, Karachi (2007-2008) and as Adjunct Professor in the Department of Chemical Technology and Engineering, University of Karachi, after retirement (2004-2007).
- e) Possess about 40 years varied experiences [of premier Industries of Pakistan (with WPIDC and Pakistan Steel – 13 years) and Research & Development (with the University of Leeds, England and PCSIR – 6 years) in addition to 20 years experience with the Pakistan Standards Institution (PSI) and Pakistan Standards and Quality Control Authority (PSQCA)] (Annexure "C").
- f) Worked as the Deputy Director General and Head of Standards Development Centre, PSQCA (2000-2003) and as the Chief Executive of PSI, a statutory autonomous body (1984-2000) and the main Achievements may be summarized as:
 - Increased the self-generated income of PSI from Rs.1 million in 1983-1984 to 32 million in 1999-2000 and made the Institution self-financed, very rare example in public sector.
 - Increased its productivity more than 300 percent.
 - Took initiative, drafted and comprehensively worked for the enactment of Pakistan Standards & Quality Control Authority Act, 1996 and as a result PSQCA started working from December 1st, 2000.
 - Opened Regional Offices, at Karachi, Lahore, Peshawar and Quetta and an Information Cell alongwith training facilities and a modern Press at Head Office.
 - Procured plot sites for PSI offices and its Laboratories at Karachi, Peshawar and Quetta from self-generated income.
 - Published regularly supplements without any financial obligation in National Newspapers on the World Standards Day since October 1984.
- g) Published 12 research articles in International Research Journals and 5 in professional journal in addition to 12 articles in daily national Newspapers (Annexure "D")
- h) Delivered lectures at University, NIPA and Technical Seminars in addition to act as referee of technical papers for PCSIR Journal and observer for three IRCA Lead Auditor training courses (1985-2001).
- i) Acted as technical expert for the selection of teaching staff and examiner for M.Phil. Degree at the University of Karachi (1989-2001).
