

CURRICULUM VITAE

QAZI ABDUL KHALIQUE ANSARI

Adjunct Professor, Department of Chemical Engineering
Karachi University Karachi

Email: gakpk@yahoo.com,

PROFILE

More than 30 years experience as a University teacher (& Professional Engineer) in the field of Chemical Engineering, Environmental Engineering including research, teaching and supervising research projects to the under-graduates and graduates students in developing process for indigenous Activated Carbon, Reactor Design, Feasibility studies, Water Quality Monitoring, Coastal Pollution, Industrial pollution, , Land Use Assessment through GIS, Sea water intrusion, Irrigation Drainage Systems & Ecology, Water Logging & Salinity impacts on crops, Water Resource Management.

More than 14 years Administrative & Management experience first as a Chairman, Chemical Engineering Department & then Director, Institute of Environmental Engineering & Management (Since it's Inception) in Mehran University Jamshoro.

More than 10 years worked experience as Environmental Engineer/Specialist in various activities such as planning, designing M.E course in Environmental Engineering, & developing PC-1 for the establishing the Institute of Environmental Engineering & Management in Mehran University, Jamshoro. Conducted different environmental studies through national & international organizations.

As Curriculum Development Consultant (Environmental Technology), worked with ACCC, Canadian Consultants for 6 months on Technical Education Project (ADB Loan # 1373, Pak-(SF) Ministry of Education, Pakistan) to develop need based Curriculum on Environmental Technology for diploma holders of Government College of Technology, Raiwand Lahore.

Worked as an **Environmental Specialist** in the Sindh Irrigation & Drainage Authority (SIDA) to introduce the **Institutional Reforms**, as per the agenda of National Drainage Program (NDP) to achieve the goals of equitable and reliable water supply to all farmers through participatory irrigation. Here I worked with all stakeholders including the Farmers Organizations (FOs) to develop strategy & schemes to implement the NDP " Environmental Management Plan (EMP) " through the establishment of EMU in SIDA. Environmental issues were addressed to minimize the environmental Impacts resulting from surface drainage rehabilitation projects.

Provided trainings to the Engineers of Public Health Engineering & other field Engineers on WHO Training Course on " Reuse of Treated Effluents in Agriculture". Training the B.Tech Engineer, NGOs & students on Environmental Issues. Gave In-house training to Sandoze (Pvt.) Ltd. on Environmental Engineering to strengthen the knowledge of HSE personnel. Recently (2006) organized the 3-day Professional Development training course on "MMS" for industry personnel.

Trained Civil Aviation Technicians on "Air Pollution and Ozone Depletion substances". Trained, Senior Managers of Industry in collaboration with Sindh EPA, Hyderabad.

“Direct Reduction of Iron Ore” (Gas-Solid Reactions) has remained my Ph.D field while the Masters Dissertation work was related with the Hydrodynamics of “Spouted Bed”. The Application of different reaction control models was made during my Ph.D research work. The Effect of Bitumen binder was evaluated on the crushing strength & Hydrogen reduction of Hematite & Magnetite superconcentrate. The purpose was to produce a high purity sponge iron, suitable for a direct steel process.

Since last 8 years, I am Working as Editor of “Quarterly Mehran University Research Journal of Engineering & Technology [ISSN-0254-7821]” published regularly since 1982.

PERSONAL

SURNAME:	Ansari
NAME:	Qazi Abdul Khaliq
NATIONALITY:	Pakistani
DATE OF BIRTH:	1 st March 1951
PROFESSION:	Chemical Engineer

SPECIALIZATION

Gas-Solid Reactions, Environmental Engineering, Sustainable Management

POSITION IN UNIVERSITY

Professor, & Coordinator Sustainable Development Research Cell, MUET, Jamshoro

PRESENT ADDRESS

Professor, Department of Chemical Engineering, Mehran University of Engineering & Technology Jamshoro, Sindh, Pakistan.

PERMANENT ADDRESS

“ Qadim-dar-ul-Shafa” Ansari Street, P. O. Hala (New), Dist. Hyderabad, Sindh, Pakistan

PHONE NO.

Office. 92-21- 99261300-6 Ext: 2535

Fax No: 92-21- 99261386

Residence 92-022- 2654813

E-MAIL:

gakpk@yahoo.com

PASSPORT NO.

AJ1717261

Languages

	<i>Speaking</i>	<i>Writing</i>	<i>Reading</i>
Urdu	Excellent	Good	Excellent
English	Good	Good	Good
Sindhi	Excellent	Excellent	Excellent

Countries Visited: United Kingdom, Nepal, Jordan, and Saudi Arabia, Indonesia, Malaysia

QUALIFICATIONS

Ph.D	1983	University of Wales U. K.
M.Sc	1979	University of Wales U. K.
B. E.	1974	Sindh University Jamshoro.

EXPERIENCE:

ADJUNCT PROFESSOR	Chemical Engineering Department University of Karachi, Karachi	August 2001-1-
PROFESSOR	Chemical Engineering Department Mehran University of Engineering & Technology Jamshoro Pakistan.	June.2006- Feb. 2011.
CHAIRMAN	Chemical Engineering Department	April 2005-June, 2006
COORDINATOR	Sustainable Development Research Cell (SDRC)	May 2004- Feb. 2011
PROFESSOR	Chemical Engineering Department Mehran University of Engineering & Technology Jamshoro Pakistan.	Feb.2003 -April 05
ENVIRONMENTAL SPECIALIST	Sindh Irrigation Drainage & Drainage Authority (SIDA), Hyderabad	Feb.2002-2003
DIRECTOR	Institute of Environmental Engineering & Management, Mehran University of Engineering & Technology Jamshoro Sindh, Pakistan.	Jan 1999-Feb.2002.
CURRICULUM DEVELOPMENT CONSULTANT (ENVIRONMENTAL TECHNOLOGY) DIRECTOR	Technical Education Project, ADB Loan # 1373, Pak- (SF) Ministry of Education, Pakistan	July 1998 to Dec 1998
CHAIRMAN	Institute of Environmental Engineering & Management, Mehran University of Engineering & Technology Jamshoro Sindh, Pakistan.	1993 to 1998
	Chemical Engineering Department Mehran University of Engineering & Technology Jamshoro Pakistan.	1990 to1993

PROFESSOR	Chemical Engineering Department Mehran University of Engineering & Technology Jamshoro Pakistan.	1989 to1990
ASSOCIATE PROFESSOR	Chemical Engineering Department, Dawood College of Engineering & Technology, Karachi, Sindh, Pakistan	1987 to1989
ASSISTANT PROFESSOR	Chemical Engineering Department, Dawood College of Engineering & Technology Karachi, Pakistan.	1983 to1987
LECTURER	Chemical Engineering Department, Dawood College of Engineering & Technology, Karachi, Sindh, Pakistan.	1975 to1983

ESTABLISHED THE INSTITUTE OF ENVIRONMENTAL ENGINEERING AND MANAGEMENT, MUET, JAMSHORO

Established and managed as a founder Director of the Institute of Environmental Engineering & Management Mehran University of Engineering and technology Jamshoro up to 2002 since its inception in March 1993.

BEST TEACHER AWARD

Bestowed with Best Teacher Award for the year 2003 by the Higher Education Commission Islamabad

SAFETY HEALTH & ENVIRONMENT COURSE

Introduced "Safety Health & Environment" course in Chemical Engineering Post Graduate Program. Teaching the ISO 14000, ISO 18000, OSHA to ME Students of Chemical Engineering & Environmental Engineering Students.

M.PHIL/M.E PROJECTS SUPERVISED	<u>YEAR</u>
(Completed & In-hand)	
1. Removal of Chromium from Dyeing Textile Industry Effluent of Kotri Site (M.E)	2008
2. Assessment of Health Care Waste Recycling Practices- Case Study of Civil Hospital Karachi (M.E)1.	2007
3. Enhancement of Methane through Thickening of Treated Effluent in Bulk Volume Fermenter (ME)	2006
4. Design of Hospital Waste Management Plan for LU Hospital (City),Hyderabad (ME)	2005
5. Sugar Industry Effluent Analysis and its Impact on the Local Environment. (M.E)	2004

6.	Environmental Monitoring of Tidal Link Drain- LBOD & Its Adjoining Coastal Areas. (M.E)	2004
7..	Comparative Study of Drinking Water Quality of Sukkur & Shikarpur Cities. (M.Phil)	2001
8.	Impact of Oil Pollution on Coastal Environment of Karachi. (M.E)	2000
9.	Impact of Scavenger Wells on Agriculture around Khadro. (M.E)	2000
10.	Road Traffic Noise & Road Control in Hyderabad City. (M.E)	1999
11.	Impact of Thermal Power Plant on Environment- A Case study on Thermal Power Station Jamshoro (M.E)	1998
12.	A perspective on the Spatial Distribution of Land use Constraints within the Bareji distributary command Mirpurkhas, component LBOD projects. (M.E)	1998
13.	Environmental Impact of RBOD Drainage Effluents. (M.E)	1997
14.	Environmental Impact Study of Sea Water Intrusion Around Tidal Link. (ME)	(in hand)
15.	Environmental Impact of solid waste on subsurface water of Mehran Town, Korangi Industrial Area. (M. Phil)	(in hand)
16.	Environmental Impact Assessment of Unregulated Uncontrolled Building Construction in the Garden Area Karachi (Pre-partition-post partition period) (M. Phil)	(in hand)
17.	Regional study of solid waste management and its application in Hyderabad (M. Phil)	(in hand)
18.	Environmental impact associated with fossil fuels and Policy guideline for the their control (M. Phil)	(in hand)

Ph.D ROJECTS SUPERVISED

YEAR

(Completed & In-hand)

1.	Production of granular Activated Carbon from Agriculture Waste for Sugar Decolorization & Water Treatment	2008
2.	Application of ANN Modeling for Monitoring of the quality of Drinking Water of Hyderabad City	(complete)
3.	Investigation of Sensitive Flocculation reagents for	(in hand)

- Improved solid / liquid separation
4. "Water Quality Assessment of Mediterranean Sea along the Gaza." 2010
 5. Suitability and Design Guide Lines of Grow technology (in hand) for Grey Water Treatment in hot climate.

Curriculum Development

1. Designed the M.E course in Environmental Engineering, which is attended by 20-30 students in the Institute of Environmental Engineering & Management in Mehran University Jamshoro.
2. Designed the Post graduate certificate Course on Waste Management in Collaboration with Brunel University UK. under HEC-BC Linkage Program
3. Developed the "Urban Water Demand Management" module in collaboration with Exeter University, UK through the DelPHE Project. This has been launched from January 2010 in the ME Program of IEEM, Mehran Univesity Jamshoro

Linkage Programs Established

1. The HEC-BC Joint Higher Education Links Programme with Brunel University has been won in April, 2006. The Programme Proposal on "Waste Treatment and Management" was co-authored and initiated as a Chairman Chemical Engineering Department MUET, Jamshoro in November, 2006. This linkage programme will continue for three years from 2007.
2. **DelPHE**(*Developing Partnerships in Higher Education*)Project was won on: "**Capacity Building for Urban Water Demand Management**" as a lead partner in 2008, having Exeter University as a UK partner with 2 partners (NCEAC,Jamshoro & SAU, Tando jam) from Pakistan.
Summary/ Aim: To develop a research base on aspects related to urban water demand management and enhance capacity at institutional and national level through structured knowledge transfer and provision of pilot scale demonstration sites for selected water demand management options.

Research Grants Secured

- "Survey on Waste Minimization Practices in Pakistan" through the support of Asian Productivity Organization (APO), JAPAN from July 1998 - Dec 1998
- Research project on " Drinking Water Quality Control of Hyderabad City" from August 1994 to Nov 1995
- Research study on " Environmental Problems of Sugar Industries of Sindh" sponsored by University Grants Commission from 1991 to1992

Conferences/ Workshop & Seminars Organised

- National Conference on “Impact of Drainage on Environment: Problems & Solutions” in collaboration with WAPDA, and PCRWR Islamabad. This program was jointly sponsored by MUET and DFID and held from August 10-12, 1997 at M.U.E.T. Jamshoro.
- 1st National Workshop on Food Processing Challenges & Opportunities in Pakistan held from April 23-25, 2007 in MUET, Jamshoro
- 1st workshop on urban water Demand Management -----August 2008
- 2nd workshop on Sustainable water management ----- August 2009
- International Conference on Sustainable water Management ---- September 2010

Organized the One Day Seminar on Water Resources Depletion, Treatment and Recycling” in collaboration with British Council Karachi & Oxfam Islamabad on 16 February 2009 at Hotel Indus, Hyderabad

- Organized the 3 –day Professional Development Training Course on “Maintenance Management Systems (MMS) “for Industry in Hotel Indus Hyderabad. From 3-5 July 2006
 - Organized the One day Workshop on “Industrial Hazards and Safety” on 5th September 2005
 - Organized the Symposium on “ Left bank Outfall Drain (LBOD) Project & its Impacts” in collaboration with Water and Power Development Authority (WAPDA) held on Nov 29, 1997 at MUET Jamshoro.
 - Organized the world Environment Day on 5th June 1996, with the theme of “Our Earth, Our Habitat, Our Home”. University teachers & students participated in this seminar.
 - Organized one day workshop on “ Environmental Advances in Water Engineering & Management ” at Mehran University Jamshoro on Dec. 19, 1995. Dr. T. H. Tebbutt, WHO Consultant was the main speaker.
 - Organized world Environment Day on 5th June 1995 with the active collaboration of Strengthening Participatory Organization, Sindh Hyderabad - a well known NGO. The theme was “We the people united for the global Environment”. This was largely attended by the NGOs.
 - Organized a week program on ‘ Living with better Environment” at Mehran University Jamshoro from 16 – 21 April 1994. The following three Seminars were arranged including the events of Walk a cause, Car rally, Exhibition, Hyde Park Show.
1. Conservation and Heritage.
 2. Environment & ecology.

3. Pollution and control

- Organized a National Training course on “ Reuse of treated effluents in agriculture” from 16 – 20 Dec. 1991. This course was organized in Hyderabad in collaboration with the World Health Organization for the practicing Engineers.

SEMINARS / WORKSHOPS ATTENDED (1995 to 2003)

- Participated in Seminar on Water Save Technologies in Exeter University, UK on 19 July 2008
- Participated in the 3rd National seminar on “Occupational Health Safety & Environment, organized by IEP, Karachi from 14th-15th October 2003.
- Seminar on “ Marine Environment 2003- after math of the Tasman Spill”, organized by the Center of Excellence in Marine Biology, University of Karachi on 15 Oct. 2003.
- Participated in the “Orientation for Sindh Environmental Magistrates on Pakistan Environmental Protection Act, 1997”, Organized by IUCN-EPA on 26th May 2003 at Hyderabad.
- Participated in the consultative workshop on “Poverty Environment Nexus” for the World Summit on Sustainable Development, organized by IUCN at Hyderabad on 10th April, 2002
- Invited speaker in the workshop “ Bringing together Stakeholders to Develop a Common Vision for the Indus Delta Ecoregion”, organized by WWF from December 16th –19th, 2002 Karachi
- Participated in the workshop on “Application of Geographic Information System (GIS) in Water Resources”, organized by Center of Excellence Water Resources (UET) Lahore, from 6th to 11th August 2001.
- Participated in the Public Hearing for Environmental Impact Assessment (EIA) of Seismic Exploration in the Sindh Protected Area of the Dumbur Concession organized by EPA, held on 7th June 2001, Karachi
- Presented a paper in the “Environment and Forestry Go Together” organized by the Sindh Forest Department held on April 17th to 19th 2001.
- Chaired Environmental Session of a seminar on “Construction of Highways and their Socio-Environmental Impacts” organized by NHA at Hyderabad on 25th Sept. 2001.
- Participated in the National Water Policy Workshop, organized by Federal Flood Commission at Lahore from 17-19 April 2002.
- Presented a paper in the Third Segmite International Symposium on “Sustainable Development of Surface and Ground Water Resources” at Karachi from March 8 -10 1999.

- Participated in the 3rd Sustainable Development Conference “A Dialogue on the Environment and Natural Resource Conservation” organized by SDPI and World Bank at Islamabad from December 14 to 16 1998.
- Presented a paper in the 24th WEDC Conference on “Sanitation and Water for all” held from 31st August to 4th September 1998.
- Participated in the workshop on “Draft Pakistan Environmental Protection Bill 1995” organized by Sindh Environmental Protection Agency on 30th July 1995 at Karachi.
- Presented a paper on “ Environmental Issues and Sustainable Development” in the International Conference on Science in Islamic Polity in the 21st Century organized by COMSTECH Islamabad from March 26 to 30 1995.

PROFESSIONAL AFFILIATION

- | | |
|---|------|
| ➤ American Institute of Chemical Engineers (Aich E) | 1986 |
| ➤ The Institution of Engineers Pakistan | 1985 |
| ➤ Petroleum Institute of Pakistan | 1987 |
| ➤ Pakistan Engineering Council (CHEM-177) | 1977 |

UNIVERSITY ASSIGNMENTS

- | | |
|---|-------------------|
| • Director, Industrial Liaison | 1993-1997 |
| • Editor, Mehran University
Research Journal | 1999 - up-to date |

STUDIES CONDUCTED

- “Survey on Waste Minimization Practices in Pakistan” through the support of Asian Productivity Organization (APO), JAPAN from July 1998 to Dec 1998
- Research project on “ Drinking Water Quality Control of Hyderabad City” from August 1994 to Nov 1995.
- Research study on “ Environmental Problems of Sugar Industries of Sindh” sponsored by University Grants Commission from 1991 to 1992

COUNTRY REPRESENTATION AT INTERNATIONAL LEVEL

- Represented Country by attending a coordination meeting of Asian Productivity Organization (APO) national experts on “Survey on Waste Minimization Practices” in Katmandu, Nepal from 8 to 10 July 1998.

- Represented Country by participating in the WHO-HQ/CEHA Regional Workshop on “Introducing EH Training Manual and Trainer’s Guide”, Amman, Jordan, 26th April to 7th May 1998.

POST- GRADUATE TEACHING EXPERIENCE

- Managing and teaching the M.E. program in Environmental Engineering at the Institute of Environmental Engineering & Management Mehran University of Engineering and technology Jamshoro since its inception in March 1993.
- Teaching various subjects of M.Sc (Chemical Engineering) at Mehran University of Engineering & Technology, Jamshoro, since 1989.

VISITING PROFESSOR

- Remained visiting Professor in NED University, Karachi to teach in M.E, program of Environmental Engineering in the year 1986- 1988.
- Remained visiting Professor in Bahria College of Engineering, Karachi to teach in B.E, program of Mechanical in the year 1986- 1988.
- Visiting professor in Centre for Environmental Sciences, University of Sindh, Jamshoro

Membership

- Senate-MUET. Academic Council-MUET.
- Chairman Board of Studies of Chemical Engineering
- Chairman DMRC (ISO 900), MUET
- Member, Board of Studies of Center of Environmental Sciences, University of Sindh
- Member, Board of Studies of Energy Environment Department QUEST, Nawabshah.

LIST OF REPORTS:

- “Sustainable Management of Water Resources in Sindh –Guidelines”, 2003
- “Environmental Assessment of Sugar Industries in Sindh”, 2003
- PC-1 on “Environmental Studies in Tidal Link & Chotiari Area”, SIDA, 2002
- “Establishment of Environmental Management Unit (EMU) in SIDA”, 2002 under NDP project
- Establishment of Environmental Data Management Information System in SIDA, 2002, under NDP project
- “Survey on Waste Minimization Practices in Pakistan” through APO Japan, 2000

- PC-1 on “ Establishment of Institute of Environmental Engineering & Management, MUET Jamshoro, 1995’
- Curriculum Development on Environmental Technology, December 1998 under ADB Technical Education Project
- The Competitiveness of the Dyestuffs Industry in Pakistan- Markets & Products, January, 1987 for IDBP, Karachi

PUBLICATIONS AND RESEARCH PAPER PRESENTATIONS.

1. “Polymeric Membranes Used in Natural Gas Processing to Separate Carbon Dioxide: the Facing Problems and Solutions”, Journal of Environmental Science and Engineering, Jan. 2010, Volume 4, No.1 (Serial No.26) ISSN 1934-8932, USA
2. Zaqoot, A. H.; Baloch, A; Ansari, A.K and Unar, M.A. (2010) “Application of [artificial neural networks](#) for predicting pH in seawater along Gaza beach”, Applied [artificial Intelligence](#), 24:7, 667-679.
3. “Assessment of Water Quality in the Coastal Environment of Karachi Bordering Northern Arabian Sea”, Journal of Flood Engineering 1(1) January-June 2009; pp: 5-19
4. “Chemical Activation of Tea Waste and Use for the Removal of Chromium (VI) from Aqueous Solution”, Mehran University Research Journal of Engineering & Technology, Jamshoro issue# 2 volume 28, April, 2009
