

Engr. Kashif Hussain Mangi

Flat No: B-905 Rao & Israr Heights, Block-13 Gulistan-e Johar Karachi

Email: khmangi@uok.edu.pk & kash_sa3@yahoo.com

Cell: +92-345-3882997

Career Objective

To obtain a Responsible position in a reputed organization, which appreciates professional approach, growth, creativity, and analytical thinking in the area of emerging technology, where I can utilize knowledge, skills & experience in contribution towards the growth objectives of organization.

Personal Profile

❖ Father's Name:	Muhammad Shahmir Mangi
❖ CNIC No:	45502-2791259-7
❖ PEC Reg: No:	Chem-7531
❖ Date of Birth:	1 st April 1986
❖ Place of Birth :	Sukkur, Pakistan
❖ Marital Status:	Married

Research Projects

- ❖ M.E (Research Project)
Development of Enviro-friendly Bio-coagulant from date Pit for water treatment.
- ❖ B.E (Final Year Project)
Regeneration of Hydrochloric acid from spent pickle liquor at Steel Industries.

Educational Qualification

• Ph.D CHEMICAL ENGG:	MUET JAMSHORO	STARTED IN 2014
• M.E CHEMICAL	MUET JAMSHORO	3.8/4.0 2014
• B.E CHEMICAL	MUET JAMSHORO	3.3/4.0 2009
• HSC	BISE SUKKUR	72.5% 2004
• SSC	BISE SUKKUR	66% 2001

Current Employment

Lecturer (Chemical Engg :) (28 th March 2012 to date) <u>Responsibilities:</u>	Working as Lecturer (BPS-18) in the Department of Chemical Engineering at University of Karachi. ➤ Course in-charge of Environmental Engineering, Fluid Mechanics and Heat Transfer. ➤ Departmental QEC Coordinator from Chemical Engineering Department. ➤ Tabulator at Semester Cell for Chemical Engineering Department. ➤ Organized Technical Workshops and Lectures for student of Chemical Engineering Department University of Karachi.
---	--

Previous Employment

Lecturer (Chemical Technology) <i>(May 2011 to December 2011)</i> <u>Responsibilities:</u>	Worked as Lecturer at Petroleum Technical Training Institute (STEVTA) Government of Sindh. ➤ Conducted Classes and Lab Practicals as per course outline. ➤ Prepared study Manuals of Various Subjects for Post-Diploma Courses. ➤ Administration and Management ➤ Organized Technical Workshops and Lectures for student of Chemical and Petroleum Technology.
Lecturer (Chemical Engg :) <i>(May 2010 December 2010)</i> <u>Responsibilities:</u>	Worked as Lecturer in the Department of Chemical Engineering at Mehran University of Engineering and Technology Jamshoro. ➤ Taught Chemical Engineering Subjects. ➤ Worked to improve Laboratory and Experimental facilities in Department. ➤ Organized Technical Workshops and Lectures for student of Chemical Engineering Department, MUET Jamshoro.
Project Engineer <i>January 2009- May 2010</i>	Worked as Project Engineer (Environment) at Al-Prince Engineers Karachi. ➤ Supervised on-site activities according to EPA rules and regulations. ➤ Delivered training to technical staff for awareness regarding safe professional working.
Professional Internship Trainings	✓ Four Weeks Internship training at Engrofoods Limited. ✓ Six Weeks Internship training at Ahmed Ghee Mills Private Limited. ✓ Three weeks internship training at Pepsi Cola International Sukkur. ✓ Two Weeks internship training at Rohri Cement Pvt. Limited Rohri.

Research Publications

Thesis Supervised

- ❖ "Acid Gas Removal from Hybrid plant using Amine and Membrane Technology" in December 2014 for the partial fulfillment of **Bachelor of Chemical Engineering** at University of Karachi, Pakistan.
- ❖ "Designing and Simulation of Atmospheric Distillation Unit" in December 2013 for the partial fulfillment of **Bachelor of Chemical Engineering** at University of Karachi, Pakistan.
- ❖ "Design of Condensate Stabilization Unit for Gas Processing Facility" in December 2012 for the partial fulfillment of **Bachelor of Chemical Engineering** at University of Karachi, Pakistan.

Thesis Authored

- ❖ "Development of Bio-Coagulant from Date Palm pit for Drinking Water Treatment" in January 2014 for the partial fulfillment of **Master of Chemical Engineering** at Mehran University of Engineering & Technology Jamshoro, Pakistan.
- ❖ "Regeneration of Hydro-chloric acid from Spent Pickle Liquor at Steel Industry" in January 2009 for the partial fulfillment of **Bachelor of Chemical Engineering** at Mehran University of Engineering & Technology Jamshoro, Pakistan.

Professional Affiliations / Memberships

- ❖ Member of International Association of Engineer's Chemical Engineers Society (Life time)
- ❖ Registered Engineer of Pakistan Engineering Council (Life time).
- ❖ Executive Member of Mehran University Chemical Engineer's Society (Life time)

Trainings / Conferences/ Workshop

- ❖ Workshop on Self-Assessment Report-2014 organized by Quality Enhancement Cell (QEC) University of Karachi.
- ❖ 2nd International Conference on Environmental Horizon "Greening the Blue" ICEH-2014, organized by University of Karachi.
- ❖ Workshop on Self-Assessment Report-2013 organized by Quality Enhancement Cell (QEC) University of Karachi.
- ❖ World Water Day 2012, organized by EPA Regional office Sukkur.
- ❖ World Environment Day 2011, organized by EPA Regional office Sukkur.
- ❖ World Earth Day 2011, organized by EPA Regional office Sukkur.

- ❖ International Conference on Sustainable Water Management 2010.
- ❖ 1st International Conference on Energy, Environment & Sustainable Development 2009.
- ❖ Second Regional Workshop on Sustainable Water Management 2009.
- ❖ One day Seminar on Water Resources Depletion, Treatment & Recycling 2008.
- ❖ 1st National Workshop on Food Processing Challenges & Opportunities in Pakistan 2006.
- ❖ One day Seminar on Industrial Hazards & Safety 2006.
- ❖ Seminar on Latest Trends in Waste Treatment & Management in Developed Countries & Pakistan.

Professional Skills

- ❖ MS Office
- ❖ Excellent problem solving and analytical skills.
- ❖ Efficient management and organizational skills.
- ❖ Good communication and writing skills.

Professional Referees

- ❖ Will be furnished if required.
