PERSONAL INFORMATION

Father's Name: -----	Sufder Ali
Date of Birth: -----	18- 01-1981
Place of Birth: -----	Karachi, Pakistan
Domicile: -----	Karachi
N.I.C No: -----	42000-4941717-8
Passport No: -----	AR9857171
Marital Status: -----	Married
Sex: -----	Female
Nationality: -----	Pakistani
Religion: -----	Islam
Languages: -----	Urdu, English

EDUCATIONAL PROFILE

S. No	Degree	Board/ University	%age	Grade/ Division	Year
1	Ph.D	Enrolled for Ph.D on “groundwater quality assessment for determining geogenic pollution contamination and health effects in Thatta-Hyderabad region, Sindh” Under the supervision of Prof. Dr. Viqar Husain, Department of Geology, University of Karachi .			
2	M. Sc Geology	University of Karachi	65.1%	1 st	2003
3	B.Sc (Hons) Geology	University of Karachi	59.5%	2 nd	2002
4	Intermediate (H. S.C)	Karachi Board	64.3%	1 st	1999
5	Matriculation (S.S.C)	Karachi Board	70%	1 st	1997

WORK HISTORY AND EXPERIENCE

More than six years research and teaching experience at graduate and post graduate level.

1. Cooperative Teacher at the Department of Geology, University of Karachi, from 1-1-2004 to 13-09-2006.
2. Working as a Lecturer from 14-09-2006 till date.

RESEARCH PUBLICATIONS

1. Naseem S. , Naseem S. , Bashir E. , Shirin K. , and Shiekh S.A.(2005) **Biogeochemical evaluation of *Nannorrhops ritchiana*: A Mg-flora from Khuzdar , Balochistan , Pakistan. Chinese Journal of Geochemistry. Vol. 24, (4) pp.327-337**
2. Naseem S., Naseem S., and Shiekh S.A. (2005) **Geochemical Evaluation of Depositional Environment of Parh Limestone, Southern Pab Range, Balochistan, Pakistan. Proc. PAPG-SPE Annual Tech. Conf. Nov. 2005, Islamabad, pp.104-112.**
3. **Bashir E. Naseem S., Naseem S., Shiekh S.A. and Shirin K.(2004) Petrography , mineralogy and geochemistry of Baran Lak Magnesite and associated rocks, Khuzdar, Balochistan, Pakistan. In. Shah M.T., Hamidullah S. Ahmad J. and Arif**

- M.(eds).Economic and environmental sustainability of mineral resources of Pakistan. Geol. Bull. Univ. Peshawar. Spec. Pub. Vol: 37, pp.155-166.**
- 4. Bashir E. Jalil T. Naseem S. and Naseem S. (2006) Economic Evaluation of Chalk Deposits of Jamshoro and Thatta Districts, Sindh, Pakistan. Sindh University Research Journal (Science Series), Vol. 38 (2), 128-139.**
 - 5. Husain V., Naseem, S. and Bhattacharya P. Geogenic Arsenic in the Indus Delta: Influence of Extensive Ground Water Irrigation in Rural Areas of Sindh, Pakistan, G.S.A, Annual Meeting 18-21 October 2009, Portland, Oregon, U.S.A.(abstract accepted)**
 - 6. Naseem, S. Assessment of Groundwater Quality for Geogenic and Anthropogenic Sources in Thatta, Sindh, Pakistan (paper submitted)**

PAPERS PRESENTED

- Geochemical Evaluation of Depositional Environment of Parh Limestone, Southern Pab Range, Balochistan, Pakistan. PAPG-SPE Annual Technical Conference. November. 2005, Islamabad, Pakistan**
- Assessment of Groundwater Quality for Geogenic and Anthropogenic Sources in Thatta, Sindh, Pakistan. International conference on geoscience for global development (GeoDev), 26 Oct- 1st Nov 2009, Dhaka, Bangladesh.**

CONFERENCES ATTENDED

- National conference on fossil fuels and mineral resources of Sindh, 28 February-01 March 2005.University of Sindh, Jamshoro, Pakistan.**
- 35th All Pakistan Science Conference, December 20-23, University of Karachi, Karachi, Pakistan.**

FIELD WORKS & VISITS

- Kirthar Range**
- Pab Range**
- Mor Range**
- Bela Ophiolites**
- Laki Range**
- Manghopir**
- Mochko and Hub area**
- Salt Range**
- Sona Pass**

FIELD WORK SUPERVISION

- Ten days geological field work and mapping around Sona Pass area, Balochistan**
- Ten days geological fieldwork in the Salt Range Area, Punjab.**

TEACHING

Carbonate Sedimentology, Optical Mineralogy, Igneous Petrology, General Geology
Geomorphology, Stratigraphy, Engineering Geology, Hydrological System & Environment

RESEARCH INTEREST

- Evaluation of ground geochemistry and contamination.

GRANT AWARDED

- Dean's Research Grant 2007-2008 for "Parh Limestone of Gadani Coastal strip and adjoining areas: An assessment of depositional environment through Geochemical Analysis".
- Dean's Research Grant 2009-2010 for "Geogenic and other sources of ground and surface water pollution and mitigation options around Phulileli canal area, Hyderabad, Sindh".
- Dean's Research Grant 2011-2012 for "Assessment of Arsenic Contamination in Holocene Alluvial Sediments, Thatta District, Sindh.

PROFESSIONAL COURSES & WORKSHOPS

- Two days workshop on "Wireline Logging " held at the Department of Geology, University of Sindh, Jamshoro on 28-29 September, 2004
- Three days workshop on "Oil Field Familiarization" held at the Department of Geology, University of Karachi, Karachi on 10-12, February, 2005
- Two days workshop on "ISO 14001 Environmental Management System" held at Institute of Environmental Studies, University of Karachi, Karachi on 6-7, June 2005.
- One month course on "Jewellery Design Foundation" at ARY-Academy of Gems and Jewellery, Dubai on 28 June -24 July 2008.
- One month course on "Polished Diamond Grading "at ARY-Academy of Gems and Jewellery, Dubai on 28 June -24 July 2008.
- One month course on "Basic Gemology" at ARY-Academy of Gems and Jewellery, Dubai on 28 June -24 July 2008.

MEMBERSHIP

Life Member of "Society of Economic Geologists and Mineral Technologists of Pakistan", SEGMI.

OTHER INFORMATION

- **Member technical committee for purchase of the equipments tendered for the PC-1 project “ Strengthening of teaching and research facilities in the geology department, University of Karachi”**
- **Associate Editor of International Journal of Economic and Environment Geology.**

COMPUTER SKILLS

Windows 98, XP ,MS Word, MS Excel, MS Power Point, Internet, Corel Draw, Freehand
