

NADEEM A. KHAN

*Nadeem Ahmed Khan
Associate Professor
Department of Geology
University of Karachi*

Home Address: Ph. Off. 4967551, 9261300-17 Ext. 2295, 2418
E.mail: nakhan9641@yahoo.com

Summary

Twenty Four year's teaching experience of Graduate and Post Graduate classes with Department of Geology, University of Karachi. Petroleum Geology and Marine Geology and Remote Sensing are the field of specialization.

Served as an Acting Chairman in Department of Petroleum Technology, University of Karachi.

Working in different Research Projects and assignments. Published research articles in scientific journals of national and International repute.

Actively engaged as an adjunct faculty in different departments of the University of Karachi .

Background for managing training courses/workshops in different organizations to developed industry academia collaboration based on development needs.

Advise students for higher studies, local and foreign scholarship programs; and prepare student's career development plans on individual/organizational need basis.

Excellent coaching and facilitation skills with result oriented approach

Experience of working with multi-culture /ethnic groups of students in the University

Sharing and coordinating Administrative/Financial responsibilities of the University / Department in different capacities.

Successfully completed different special /confidential assignment/projects with senior management of the University of Karachi.

ACADEMIC

P.hD	:	Presently working on Sustainable Management of Upstream and Downstream Water Resources Of Malir River, Karachi, Pakistan.
M.Sc	:	FIRST DIVISION from Department of Geology, University of Karachi.
B.Sc (Hons)	:	FIRST DIVISION from Department of Geology, University of Karachi.
H.S.C	:	Good Second Division from Karachi Board.
S.S.C	:	FIRST DIVISION from Karachi Board.
<i>Field of Specialization</i>	:	Petroleum Geology ,Marine Geology , Remote Sensing

EMPLOYMENT RECORD

Jan. 01, 2001 to Present	:	Associate Professor, Department of Geology
Jan. 30, 1995 to Dec. 31, 2000	:	Assistant Professor, Department of Geology
Dec. 16, 1991 to Jan. 29, 1995	:	Lecturer, Department of Geology
Jan. 01, 1987 to Dec. 15, 1991	:	Cooperative Teacher, Department of Geology
Jan. 01, 1986 to Dec. 31, 1986	:	Research Assistant, Department of Geology

TEACHING EXPERIENCE

Associate Professor in Department of Geology, University of Karachi

- * Teaching Marine Geology to Graduate and Postgraduate classes
- * Incharge of conducting practical Courses in Marine Geology
- * **Teaching Petroleum Geology to Postgraduate classes.**
- * Teaching different lab courses in **Geology** e.g. (Physical Mineralogy, Economic Geology, Crystallography, Petrology and **Petroleum Geology**).

In Department of Petroleum Technology (Evening Program) University of Karachi

- * **Conducting Mineralogy and Petrology laboratories.**
- * **Conducting Computer laboratory.**
- * **Conducting drilling and well completion laboratory.**
- * **Conducting Surveying and Computer Graphics laboratory.**

- * **Conducting Oil & Gas Production Technology class & lab.**

**Assistant Professor in Department of Geology
University of Karachi.**

- * Teaching experience in Marine Geology.
- * Marine Geology laboratory.
- * Mineralogy and Petrology laboratories.
- * Crystallography laboratory.

**Lecturer in Department of Geology
University of Karachi.**

- * Marine Geology laboratory.
- * Mineralogy and Petrology laboratories.
- * Crystallography laboratory.

PROFESSIONAL TRAINING COURSES

During the last Eighteen years with University of Karachi, I have satisfactorily completed Post Graduate Technical and Management courses.

Courses of various discipline of **PETROLEUM** completed from **Oil and Gas Training Institute (OGTI), Islamabad. Conducted by Canadian International Development Agency (CIDA) and OGTL.**

- **3 days Course of Fundamentals of Oil and Gas development (12 hrs.)**
- **Introduction to well site Geology (One Week/42 hrs)**
- **Cross Section , Contouring and Hydrocarbon Prospecting (One Week/42 hrs)**
- **Introduction to Drilling (One Week/42 hrs)**
- **Fundamental of Seismic Data Interpretation (One Week/42 hrs)**
- **Introduction to Production (One Week/42 hrs)**
- * Completed a course in **Basic Drilling Fluid Technology** (from Feb.03 to Feb.05, 1999) organized **MI Drilling Fluid** and Department of Geology. University of Karachi.
- * Training Course in **Secondary and Enhanced Oil Recovery** (from March 15 to 19, 1999), Conducted by Oil and Gas Training Institute, **Islamabad /CIDA**. Course Instructor ‘**Barbara Howes**’
- * Short Course on **Sedimentology, Stratigraphy and Petroleum Geology** (Nov. 24 & 25, 1999) Course Instructor was **Prof. Dr. Harold G. Reading, University of Oxford U.K.**
- * **Concepts of Sequence Stratigraphy** from February 19 to 21, 1998. Instructed by **Dr. Bilal U Haq Director of Marine Geoscience Programmes , National Science Foundation , Washington, USA.**
- * Completed a workshop on “**Oil Field Familiarization**” (Feb. 10 to 12, 2005.) organized by

Department of Geology , University of Karachi with technical collaboration of **M-I Swaco, U.A.E.**

- * Completed a Course in **Seismic Stratigraphy** from August 16 to 18, 1999 held at the Department of Geology, University of Karachi.
 - * Participate in the Society of **Petroleum Engineers Annual Technical** Conference-Oil show held in Islamabad, 02–04 November 2002.
 - * Participate in the Society of **Petroleum Engineers Annual Technical** Conference-Oil show held in Islamabad, 03–05 October 2003.
 - * Present a paper in the Society of **Petroleum Engineers Annual Technical** Conference held in Islamabad, 03–05 October 2004.
-

Successfully completed the following Courses organized by **National Institute of Oceanography (Ministry of Science and Technology, Pakistan)**

- * **Fifteen days** course in Oceanography (from Dec. 04 to Dec. 18, 1988).
- * The **IOC - IOMAC German Training** course in from November 12 to November 26, 1994.
- * Participate in regional seminar on **“Utilization of Marine Resources”** held from December 20 to 22, 20002

SUPERVISION OF POSTGRADUATE RESEARCH

- * Supervise research projects of or the students of M.Sc.
- * Supervise geological mapping programme for the students of M.Sc. (Final, Course Geol. 604)
- * Supervise geological fieldwork for the students of B.Sc.Hons. III rd year

Short Training Courses/Workshops/Seminars

- * 3 days Workshop on **Geoscientific Writing and Editing** , organized by Geoscientists for International Development, Bangkok.
- * **First Post Graduate Training Course in Plate Tectonics** under the sponsorship of **UNESCO** from April 25 to May 08, 1991.
- * **First South Asia Geological Congress**, organized by Ministry of Petroleum and Natural Resources and HDIP, Islamabad.
- * **Course in Environmental Assessments and Audits**, organized by **Association of Pakistani Scientists and Engineers of North America (ASPENA)** from December 08 to December 10, 1996.
- * **Course in Groundwater Contamination from Waste Lagoons**, organized by **Association of Pakistani Scientists and Engineers of North America (ASPENA)** from February 08 to 10, 1999.
- * Attended a Seminar on **“Environmental Impact Evolution And Pollution Control”** organized by Sir Syed University of Engineering & Technology in collaboration with Sindh Environmental Protection Agency on October 12, 2000.
- * Attended the course on **“ Total Quality Management (TQM)”** organized by the University of

Karachi in collaboration with International Network of Management Development Consultants held on April 20,2000.`

- * Participate in the workshop on “ISO 14001 Environmental Management System” held from June 06 & 07, at the Insitute of Environmental Studies , University of Karachi.
- * Participate in the workshop on “Marine Resources” in NIO

COURSES / SEMINARS ORGANIZED

- * Fundamentals of Oil and Gas development.
- * Workshop on Geoscientific Writing and Editing , organized by Geoscientists for International Development, Bangkok.
- * Training course/workshop on Fundamental of Photogrammetry / Remote sensing in SUPARCO
- * Different training courses/Lectures for students on career development program.
- * Lectures/Seminars on Communication skills for Master’s students

ADMINISTRATIVE / FINANCIAL RESPONSIBILITIES

- * Working as a **Member of Admission Committee** of the Department of Geology, University of Karachi .
- * **Designed different advance courses** at Graduate/Post Graduate level
- * **Member of Admission Committee of the Evening Program** of University of Karachi
- * Worked as an **Advisor to Chairman** in financial affairs.
- * **Organized several Seminars/Workshops/courses** of local and Foreign speakers in the department.
- * Experience of **Local and Foreign Technical purchasing** of Instruments/Equipment. Associate with **departmental budgeting** , developments of different **Laboratories and f PC-1 etc.**
- * Member of **Souvenir Committee of an International Petroleum Seminar in 1994**, under in the department of Geology, University of Karachi.
- * Organize 2nd Annual KUGAA reunion at the department of Geology on March ,2002.

EXAMINER

- * **Supervised Graduate and Post Graduate examinations** in the University of Karachi.
- * **Supervised M.Sc Thesis examinations** in the University of Karachi.
- * **Examiner for several years for Graduate/Post graduate students** in Geology and at college level.
- * **Examiner for B.E (Civil Engineering)** in NED University of Engineering and Technology.
- * **Member of the Examination Committee** of the University of Karachi.
- * **Holding Confidential responsibilities** of different examination held by the Karachi University

Computer skills and Soft Ware Knowledge

- Teaching different courses of computers in under graduate and graduate level in **department of Geology & in the department of Petroleum Technology, University of Karachi.**
- * Making different types of **maps, models** by using different **Graphic** software.
- * Seven years of Practical experience of Computerization, Data Analyses & Data integration
- * Application of different Graphical software

- * Completed one month Training Course of **GIS and its application.**

RESEARCH ACTIVITIES

Research Publications

- * Present a paper in **National Conference on Economic and Environmental** sustainability of Mineral resources of Pakistan.
- * Published Fifteen Research article in different Scientific Journal of national and international repute.
- * Engaged in completing different Research articles and projects.

Research Projects

- * Completed a Research Project on Impact of Sedimentological progress on Mangrove Ecosystem, Indus Delta, Sponsored/Funded by the World Conservation **Union (IUCN)** in 1992.
- * Presently working on different research projects
- * Present a research paper in International Conference held in NIO on Non Living Marine resources from Dec. 20 to Dec. 23, 2002.

Post Graduate Research

- * Supervision of different assigned research projects

Research Grant

- * Awarded Research Grant by **the World Conservation Union (IUCN)**
- * Presently University of Karachi awarded research grant
- * Awarded research grant by HEC for completing assign project.

SPECIAL ASSIGNMENT

- **Completed an assignment as a member of Campus Wide Network Committee.**
- **Completed different confidential assignment/projects with senior management of the University of Karachi.**

MEMBERSHIP

- * Member of the Pakistan Association of Scientists and Scientific Profession .
Membership No. 4627

EXTRACURRICULAR ACTIVITIES

- * Reading Scientific articles
- * Mind Sciences Programs
- * Table Tennis
