- Basic Computer Programming

AWARDS & SCHOLARSHIPS

1. The Presidential Award of 2000, "**IZAZ-I-FAZEELAT**", was awarded by the Government of Pakistan on 14th August **2000**, in recognition of scientific research work on the development of herbal medicine, medicinal plants and services for Humanity.
2. A **Gold Medal** in **1999** was awarded by Pakistan Society of Pharmacognosy, in recognition of scientific research work on medicine, medicinal plants and services to humanity.
3. **Major Zia-ur-Rehman (Shaheed) Memorial Medal** was awarded for Excellence in recognition of scientific research work in medicine and medicinal plants, **1998**.
4. **American Bibliographical Society** included my name in the International Directory of Distinguished Leadership of **1997** for leadership qualities and excellent services in the field of pharmacy and medicine.
5. **Pakistan Pharmacists Association (PPA, Sindh)** awarded a medal of **Excellence** in recognition of dedication, care, guidance and professionalism in teaching and research in the field of pharmacy **1997**.
6. A **Gold Medal** of Outstanding Researcher was awarded by Al-Mufakkir Forum (Thinker Forum) Karachi in recognition of scientific research work on medicine and medicinal plants, **1994**.

7. A **Medal** of Outstanding Research was awarded by the PSF in recognition of scientific research work on medicine and medicinal plants, **1994**.
8. **German** Government Scholarship (DAAD) **1st May 1994-31 July 1994**. The research work was carried out under the supervision of Prof. Dr. Horst Rimpler, Institut **Pharmazeutische** Biologie, Albert-Ludwigs Universitat, Freiburg, in the field of Medicinal Plants (Chemical and Biological Studies).
9. **German** Government Scholarship (DAAD) **1989**, Post Doctoral research work was carried out under the supervision of Prof. Dr. Horst Rimpler, Institut fur **Pharmazeutische** Biologie, Albert-Ludwigs Universitat, Freiburg, in the field of Medicinal Plants (Chemical and Biological Studies).
10. **Swiss** Government Scholarship, **1980-85**. Doctoral research was carried out under the supervision of Prof. Dr. Otto Sticher, Department of Pharmacy, ETH-Zurich, in the field of Natural Products Chemistry and Pharmacognosy.

PUBLICATIONS

List of 135 international publications, 8 published books may be provided upon request and 10 general articles of public health interest.

ACHIVEMENTS OF PROFESSOR DR. MANSOOR AHMAD

Administrative Experiences

He served the Department of Pharmacognosy, Pharmacy, and University of Karachi, as *Chairman* from **1977-79, 1990-92, 1994** (Care Taker), **1996-99, 2005-2006** and *Dean* (Acting) Pharmacy 15 Dec. 2006 to 24 Jan. 2007, *Chairman*, Equivalence Committee, University of Karachi. *Secretary Affiliation Committee* **July 8, 2010 – date**; *Director* (Acting) BCC&T Press **March 10, 2008 –July 7, 2010**

1. As chairman (1990-91) of the department prepared maps and documents for Research Institute of Pharmaceutical Sciences (RIPS).
2. Developed and constructed the building of RIPS as major active member in 1998.
3. Developed the labs of Pharmacognosy with latest equipments 1999.
4. Brought donations for M. Phil./Ph. D. research labs;
 - Glassware of worth Rs.1500,000/=
 - Gas Chromatograph of worth Rs.10,00,000/=
 - Methanol Analytical Grade of worth Rs.200000/=
5. Prepared PC-1 for purchasing of equipments and government has approved it and sanctioned Rs.10300000/= for four department of Pharmacy in 1999.
6. Prepared PC-1 for Department of Pharmacognosy in mega project of university. Mega Project was approved and sanctioned an amount (Rs26000000/=) for Pharmacy, for the purchase of books, laboratory equipments, construction of separate building of Pharmacognosy, scholarships for faculty development in 2005.
7. Developed a liaison between pharmacy and pharma industry and in result of it industries asked for solving their problems. Got many project on it.
8. Services to pharma industry prepared documents for herbal drugs of export quality for herbal pharma industries, and university earned Rs.300000/= (2004-2005)

Professional and Research Activities

1. In 1998-99 designed, prepared and formulated Six most important herbal medicines for *Arthritis, Ulcer, Reproductive disorders, Fever & Cough (Respiratory infections) and Digestion*, which is his an outstanding achievement towards professionalism and a work for humanity.

2. Presidential Award 2000 (*Izaz-e-Fazeelat*) was received in August 2000 and Karachi University Teachers Society (KUTS) awarded Nishan-e-Azmat-e-Danish in October 2000.
3. Productive Research Award (PRA) from Pakistan Council for Science & Technology, Government of Pakistan. 2011.
4. Patented the herbal drug.
5. He is Editor-in-Chief of International Chemical, Pharmaceutical & Medical Journal which is serving as a linkage among chemists, biologists, pharmaceutical industries, doctors/physicians.
6. Productive Scientist of the Pakistan ranking book published by PCST (Ministry of Science and Technology) in 2004. His rank in the country is 125 and on the Top of Pharmacognosy (Pharmacy).
7. Recently selected as Meritorious Professor through Board and appointed by the Governor of Sindh in BPS **Grade-22** (May 2008).
8. He is a Selected Research Supervisor of HEC for Ph. Ds.
9. Published 7 books on pharmacy and medical.
10. Memberships to Scientific Societies:

a) Scientific Society of Pakistan	b) Chemical Society of Pakistan
c) Pakistan Pharmacological Society	d) Pakistan Society of Biochemists
e) Pakistan Botanical Society	f) Pakistan Society of Pharmacognosy
g) American Chemical Society, (USA)	h) New York Academy of Sciences (USA)
i) Board of Advance Studies Research (UK)	j) Board of Studies (Fed. Urdu Univ.)
k) Board of Studies (Hamdard Univ.)	l) Board of Studies (Peshawar Univ.)
m) Board of Studies (Gomal Univ.)	
n) Board of Advance Studies Research (Dow Univ. Health Sci.)	
o) Board of Studies (Malakand Univ.)	

Presentation of a New Theory

1. His 1995 & 1996 research publications deal with the drugs having *cardiac pharmacological* activities. In these publications, he proposed a theory on Cardiac Drugs Design in *Phytotherapy Research Journal*, U. K. (September vol. 9) 1995 and 1996, which might change the trend of *drug designing and preparations*.
His previous publications (1990-93) on *synthetic & semi synthetic* drugs for cardiac problem especially *Anti-Cholesterol* and *Anti-Lipid agents*, are of high significance.

Services for Life Saving Profession (Medical/Medicine)

1. Nowadays he is organizing the research and research facilities in the field of *Phyto-medicine/Phytochemistry & Pharmacognosy/Herbal Medicines, Biology*, at newly established *Research Institute of Pharmaceutical Sciences*, Faculty of Pharmacy, University of Karachi.
2. In 1997, 1999, 2004 & 2010 he organized National Science Conference on Herbs, Medicines & Therapeutics and published the proceedings of First Science Conference organized in March 1997.
3. Till date **35** students obtained their degree of *M. Pharm./M. Phil. degree/Ph. D.*
4. Represented the Department of Pharmacognosy in **Pak Pharma Expo 2006, 2007 & 2011** and displayed the achievements and services of the department to common people and Pharma industries from 7-9 June 2011.

INTERNATIONAL PATENTS SOLO

- 1) Patent No. **1549/2006** dated 23-11-2006

- Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Novel product as therapeutic agent against gastrointestinal ulcer***”
- 2) Patent No. **586/2007** dated 23-05-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Novel product as therapeutic agent against hypertension***”.
- 3) Patent No. **971/2007** dated 15-08-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***A novel hepatoprotective compound from *Buddleja davidii****”.
- 4) Patent No. **972/2007** dated 15-08-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***An antimicrobial and antileishmanial compound *Solanum nigrum****”.
- 5) Patent No. **1171/2007** dated 10-10-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Novel herbal cream as therapeutic agent for aging***”.
- 6) Patent No. **1172/2007** dated 10-10-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Novel hair growth promoting oil***”.
- 7) Patent No. **1497/2007** dated 18-12-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Herbal remedy against sexual dysfunction***”.
- 8) Patent No. **1498/2007** dated 18-12-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Herbal remedy against gastritis***”.
- 9) Patent No. **1499/2007** dated 18-12-2007
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Herbal remedy against hepatitis***”.
- 10) Patent No. **1432/2008** dated
 Registered by **Dr. Mansoor Ahmad**, University of Karachi
 Title: “***Sexual lubricants containing sodium as an antiviral agent***”
