

Curriculum Vitae**Name: PROF. DR. RASHIDA QARI****Present Designation****DIRECTOR****INSTITUTE OF MARINE SCIENCE****(30 Years Teaching and Research Experience)**

Father Name: **Maulana Hakim Qari Ahmed Peeli Bheeti (Late)**
(Tehreek-Pakistan Gold Medalist)

Address: **Institute of Marine Science, University of Karachi, Karachi-75270**

Phone No.: **02199261379; 02199261300-2378**

Mobile: **0321-2763211**

E-mail: **rqari2002@yahoo.com**

N.I.C. No.: **42501-1544356-4**

Field of Specialization: **Marine Environment, Marine Pollution and Marine Biology**

Academic Qualification: **M.Sc. (Botany), M. Phil (Marine Biology), Ph.D (Marine Biology)**

Topic of M.Phil Thesis: **Seasonal variation in biomass and biochemical composition of some edible seaweed from Karachi coast.**

Topic of Ph.D. Thesis: **Studies of biodeposited trace metals and minerals in marine algae from Karachi coast.**

Languages: **English, German, and Urdu**

PUBLICATIONS:

1. **Qari, R.,** Munir, Z. and Aslam F., **2017.** Biochemical Composition of Three Commercially Important Fishes (*Liza vaigiensis*, *Rastrelliger kanagurta* and *Scomberoides tol*) Collected from Sonmiani, Balochistan Coast of Pakistan. *International Journal of Marine Science*, 7:39, 380-385.

38. **Qari, R.** and Qasim, R., **1988**. Seasonal change in the standing crop of intertidal seaweeds from the Karachi coast. Pp 449-456 In: Proc. **Marine Science of the Arabian Sea**. Thompson M. F. and Tirmizi N.M., eds. American Institutes of Biological Sciences, Washington, D.C. 449-456.

POPULAR ISLAMIC AND SCIENTIFIC URDU ARTICLES

SCIENTIFIC ARTICLES:

About Eighty popular scientific articles published in daily newspaper (Jang, Hurriat and Jisarat) Monthly Magazine (Science Digest, Shabistan, Jadeed Science, Baqai Sahat).

ISLAMIC ARTICLES:

Twenty Islamic articles published in daily news paper (Jang and Hurriat) Monthly Magazine (Mahrab- Member, Turjuman Ahla Sunnat, Mehromah and Ilham).

EMPLOYMENT RECORD:

S.No.	Name of the Post / Pay Scale	Department/ Institute/Centre	Date from To	Description of Work
1.	Director/ Professor (Grade-21)	Institute of Marine Science, University of Karachi	10-3-2014 to date	Administrative & Academic (Teaching and Research)
2.	Director/ Associate Professor (Grade-20)	Institute of Marine Science, University of Karachi	22-4-2010 to 9-3-2014	Administrative & Academic (Teaching and Research)
3	Care Taker / Associate Professor (Grade-20)	Institute of Marine Science, University of Karachi	9-10-2009 to 7-11-2009	Administrative & Academic (Teaching and Research)
4.	Associate Professor (Grade-20)	Institute of Marine Science, University of Karachi	7-10-2008 to date	Academic (Teaching and Research)
5.	Assistant Professor (Grade-19)	Center of Excellence in Marine Biology, University of Karachi	4-4-2003 to 6-10-2008	Academic (Teaching and Research)
6.	Lecturer (Grade-18)	Center of Excellence in Marine Biology, University of Karachi	26-10-2001 to 3-4-2003	Academic (Teaching and Research)

7.	Research Officer / Lecturer (Move Over to Grade-18)	Center of Excellence Marine Biology, University of Karachi	1-12-1999 to 25-10-2001	Academic (Teaching and Research)
8.	Research Officer / Lecturer (Grade-17)	Center of Excellence Marine Biology, University of Karachi	24-5-1987 to 30-11-1999	Academic (Teaching and Research)

LIST OF PH. D. AND M. PHIL STUDENTS OF DR. RASHIDA QARI SUPERVISED/SUPERVISING

S. No.	Name of Student	Title	Institution	Degree	Awarded
1.	Mr. Qaisar Abbas	The influence of oil spill by Tasman Spirit on the chemical and biochemical composition of sea weeds around the coast of Karachi.	Centre of Excellence in Marine Biology, University of Karachi	M. Phil.	2007
2.	Ms. Fozia Khan	Seasonal variation in alginic acid content extract from brown seaweeds of Karachi coast.	Institute of Marine Sciences, University of Karachi	M. Phil	2010
3.	Ms Erum Khan	Diversity of green seaweeds along the coat of Karachi.	Institute of Marine Sciences, University of Karachi	M.Phil	2012
4.	Ms. Rana Manzoor	Population dynamics and biology of the Ocypodid crabs (Brachyura, Ocypodidae) from the coast of Pakistan.	Institute of Marine Sciences, University of Karachi	M. Phil.	2014
5.	Ms. Yasmeen	An ecological study of moon crabs <i>Matuta planipes</i> and <i>M. lunaris</i> (Calappidae, Brachyura, Decapoda).	Institute of Marine Sciences, University of Karachi	M. Phil.	2017
6.	Mr. Abdul Rahim Khan	Antibacterial activities of common seaweeds from the coast of Karachi against Diarrhea.	Centre of Excellence in Marine Biology, University of Karachi	Ph. D.	2017
7.	Mr. Qaisar Abbas	Seasonal changes in the content of Carrageenan and gel properties in commercial species of the seaweed grown in coastal areas of Karachi.	Department of Botany, University of Karachi	Ph. D.	In progress
8.	Ms. Saima Haider	Physical and chemical characterization of agar polysaccharides extracted from the red seaweed of Karachi coast	Institute of Marine Sciences, University of Karachi	Ph. D.	In progress
9.	Mr. Fayyaz Rasool	An Assessment of Composition, Distribution and Accumulation of Floating Debris in the Karachi Harbour Waters, Karachi, Pakistan	Institute of Marine Sciences, University of Karachi	Ph. D.	In progress
10.	Ms. Musarrat Jahan	Natural antioxidant from seaweeds species of Chlorophyta, Phaeophyta and Rhodophyta division found at Karachi coast.	Centre of Excellence in Marine Biology, University of Karachi	M. Phil.	In progress
11.	Ms. Binish Fatima	Population structure and growth of Penaeid prawns, <i>Penaeus aponicas</i> Bate from coastal waters of Pakistan.	Institute of Marine Sciences, University of Karachi	Ph. D.	In progress
12.	Ms. Moniba Shafaat	Comparative study of biochemical content in some edible fishes collected from Karachi Fish Harbor	Institute of Marine Science, University of Karachi	M. Phil.	In progress
13.	Syed Mustafeez-ur-Rasool	The impact of leather industries effluent on abundance and community structure of fauna and flora at Korangi Creek, Karachi.	Institute of Marine Science, University of Karachi	M. Phil.	In progress

LIST OF M.A.S RESEARCH PROJECT DR. RASHIDA QARI SUPERVISED/SUPERVISING

S. No.	Name of Student	Title	Institution	Degree	Awarded
1	Ali Jan Essa	Chemical composition of seaweeds (<i>Chaetomorpha antennina</i> , <i>Bony kutz</i>) of Balochistan from Gadani beach.	Institute of Marine Sciences, University of Karachi	M.A.S.	2011
2	Aziz Ahmed	Antibacterial activity of mangrove tree <i>Avicennia marina</i> leaves extract against typhoid causing by <i>Salmonella typhi</i> .	Institute of Marine Sciences, University of Karachi	M.A.S.	2011
3	Mumtaz Anwer Mengal	Canopy of mangrove tree at Sandspit beach Karachi Sindh Pakistan (Northern Arabian Sea).	Institute of Marine Sciences, University of Karachi	M.A.S.	2011
4	Shabbir Ahmed	Heavy metal distribution in <i>Avicennia marina</i> from Bhira Village, Sonmiani, Balochistan coast.	Institute of Marine Sciences, University of Karachi	M.A.S.	2011
5	Mohammad Younus	Heavy metal distribution in <i>Rhizophora</i> , <i>Mucronata</i> from Bhira Village, Sonmiani, Balochistan.	Institute of Marine Sciences, University of Karachi	M.A.S.	2011
6	Zaighum Ali Bhutta	Heavy metals concentration in surface sediment of mangrove forest, Bhira village Miani Hor, Balochistan.	Institute of Marine Sciences, University of Karachi	M.A.S.	2011
7	Quratulain	Red seaweeds of Karachi coast.	Institute of Marine Sciences, University of Karachi .	M.A.S.	2011
8	Moniba Shafaat	Distribution and abundance of marine debris along the Coast of Karachi.	Institute of Marine Sciences, University of Karachi	M.A.S.	2013
9	Marrium Abdul Rahman	Identification of Some Commercial Fishes Collected From Fish Harbour	Institute of Marine Sciences, University of Karachi	M. Sc	2016
10	Bushra Shafiq	Spectrophotometric determination of vitamin C from the seaweed of the Buleji coast	Institute of Marine Sciences, University of Karachi	M. Sc	2016
11	Syeda Anam Haroon	Literature survey on: Shrimp farming technique in Pakistan	Institute of Marine Sciences, University of Karachi	M. Sc	2016
12	Mohammad Ali	Determination of antioxidant activity in the seaweeds of the Karachi coast	Institute of Marine Sciences, University of Karachi	M. Sc	2016
13	Syeda Marium Fatima Rizvi	Literature survey: Commercial value of seaweeds at Karachi Coast	Institute of Marine Sciences, University of Karachi	M. Sc	2016

RESEARCH ONGOING

- Seasonal changes in the content of carrageenan and gel properties in commercial species of red seaweed grown in coastal areas of Karachi.
- Physical and chemical characterization of agar polysaccharides extracted from the red seaweed of Karachi coast.
- Natural antioxidant from seaweeds species of Chlorophyta, Phaeophyta and Rhodophyta division found at Karachi coast.
- Ecological study of *Matuta planipes* with emphasis to fecundity.

RESEARCH COMPLETED

- Heavy metals in green seaweeds collected from three sites of Karachi coast.
- Heavy metals in brown seaweeds collected from three sites of Karachi coast.
- Heavy metals in red seaweeds collected from three sites of Karachi coast.
- Heavy metals in seawater (surface and tide pools) of three coastal areas of Karachi coast.
- Heavy metals in surface sediments of three coastal areas of Karachi coast.
- Nutrient analysis of seawater (surface and tide pools) of three coastal areas of Karachi coast.
- Hydrographic conditions of seawater (surface and tide pools) of three coastal areas of Karachi coast.
- Biomass and distribution of seaweeds at different coastal areas of Karachi coast.
- Seasonal variation in biochemical composition of seaweed from Karachi coast.
- The influence of oil spill by Tasman Spirit on the chemical and biochemical composition of seaweeds around the Coast of Karachi.
- Seasonal variation in alginic acid content from brown seaweeds of Karachi Coast.
- Diversity of green seaweeds along the coast of Karachi.
- Chemical composition of seaweeds of Balochistan from Gadani beach *Chaetomorpha antennina*, Bony Kutz').
- Antibacterial activity of mangrove tree *Avicennia marina* leaves extract against typhoid causing by *Salmonella typhi*.
- Canopy of mangrove tree at Sandspit beach Karachi Sindh Pakistan (Northern Arabian Sea).
- Heavy metal distribution in *Avicennia marina* from Bhira village, Sonmiani, Balochistan coast.
- Heavy metal distribution in *Rhizophora mucronata* from Bhira village, Sonmiani, Balochistan coast.
- A study to determine the concentration heavy metals (Fe, Cd, Pb) in mangroves surface sediment of Bhira village at Miani Hor, Balochistan, Pakistan.
- Red seaweeds of Karachi Coast.
- Population dynamics and biology of the *Ocypodid* crabs (Branchiura: ocypodide) from the coast of Pakistan.
- Distribution and abundance of marine debris along the Coast of Karachi.
- Identification of Some Commercial Fishes Collected From Fish Harbour
- Determination of antioxidant activity in the seaweeds of the Karachi coast
- Spectrophotometric determination of vitamin C from the seaweed of the Buleji coast
- Antibacterial activities of common seaweeds from the coast of Karachi against diarrhea.
- Seasonal changes in the content of carrageenan and gel properties in commercial species of red seaweed grown in coastal areas of Karachi.
- Physical and chemical characterization of agar polysaccharides extracted from the red seaweed of Karachi coast.

CONTRIBUTION TOWARDS DESIGNING NEW COURSES:

1. Full Contribution/participation in preparation of MS/Ph.D courses in Marine Science at Institute of Marine Sciences, University of Karachi (2009).
2. Contribution in revision of HEC existing curricula in line with unified framework for BS 4-years program as a subject expert of Marine Science, nominated by Registrar, University of Karachi (2010).

3. Full Contribution/participation in preparation of BS 4-years courses in Marine Science at Institute of Marine Sciences, University of Karachi (2012).
4. Full Contribution/participation in making of Ph.D courses in Marine Science at Institute of Marine Sciences, University of Karachi (2014).
5. Contribution as convener in revision of HEC existing curricula in line with unified framework for BS 4-years program as a subject expert of Marine Science, nominated by Registrar, University of Karachi (2016).

MEMBER EDITORIAL BOARDS/COMMITTEES

- Member “Karachi University Journal of Science” March 2016 to-date.
- Member “Journal of Environmental Research and Development, India” 2010 to March 2013.
- Member in Editorial Board of “Journal of Shipping and Ocean Engineering” Suite, USA from September 2013 to- date.
- Member in Editorial Board of “Journal of Environmental Chemistry and Ecotoxicology (JECE)” from September 2009 to date.
- Member of Society of Economic Geologists and Mineral Technologists (SEGMITE).
- Member of Academic Council, University of Karachi 2010 to date.
- Member of Board of Studies, Institute of Marine Science, University of Karachi 2005 to-date.
- Member of Departmental Research Committee, Institute of Marine Science, University of Karachi 2008 to date.
- Member “Botanica” Annual Magazine of Botany Department University of Karachi (1981).

ASSOCIATION WITH DIFFERENT ORGANIZATIONS:

- Society of Economic Geologists and Mineral Technologists (SEGMITE).
- National Institute of Oceanography
- Marine Fisheries Department, Government of Pakistan, West wharf, Fish Harbour, Karachi.
- Fisheries Development Board.
- All Pakistan Association of Oceaners.
- Department of Environmental Engineering, NED University of Engineering and Technology
- IUCN
- Officers Welfare Association, University of Karachi
- Pakistan Aquaculture and Fisheries Society.
- Aluminai, University of Karachi

RESEARCH PROJECTS:

- HEC project of Rs.10,00000 “Comparative study of agar and carrageenan content in different species of red seaweed collected from Karachi coast” (August 2008).
- Research project of Rs. 50000 (Seasonal variation in hydrographic conditions and nutrients of seaweed tide pools at Karachi coast) funded by University Grant Commission (2000).
- Research project of Rs. 30000 funded by University Grant Commission (1998).
- Work as researcher in ONR Project with Prof. Dr. Muzammil Ahmed, Director, Center of Excellence in Marine Biology, University of Karachi (1995).
- Work as Researcher in Environmental investigation for Korangi Fisheries Harbour Project with Prof. Dr. Rashida Qasim, Center of Excellence in Marine Biology, University of Karachi (1986).

RESEARCH PROJECTS SUBMITTED FOR FUNDING

- Impact of Thermal Plant discharges on benthic community at Paradise Point of Karachi Coast (Submitted).
- Antioxidant Potential of Seaweeds and their Utilization in Skin Care Products (Submitting).

TRAINING PROGRAM ABROAD

- University of Glasgow, UK in linkage Program “Coastal Zone Management and Environmental Impact Assessment between Karachi University and Glasgow University (22nd Feb-22nd Mar 2001).
- Scientific Basis for Conservation and Management of Mearl Grounds, University of Marine Biological Station, Millport, UK (2001).

PARTICIPATION IN INTERNATIONAL CONFERENCES

- Conservation and Management of Mearl Grounds, University of Marine Biological Station, Millport, UK (2-3 March, 2001).
- “The role of natural resources and environmental in sustain able development in South and Southern Asia (NESDA)” organized by the SEGMITE from 17-20 January 2003 at Dhaka, Bangladesh.
- “International congress of environmental research” organized by Journal of Environmental Research and Development & Govt. Geetanjali Girls College Bhopal, India from 28 to 30 December 2007.
- International Conference and Exhibition of “Interspill Marseille 2009” held in Parc Chanot Marseille, France on 12th to 14th May 2009.
- International Conference on Climate Change and Environment” held in Cochin University of Science and Technology, Kochi, Kerala, INDIA on 24th to 26th October 2010. This conference is organized by CSES, IRTC, Jawaharlal Nehru University, Cochin University of Science and Technology, UNESCO and SARCC.
- International conference on “International Congress of Environmental Research” held in University of Mauritius, Reduit, Mauritius on 16 to 18 September 2010.
- International conference on “International Congress of Environmental Research” organized by Journal of Environmental Research and Development & Sardar Vallabhbhai National Institute of Technology (SVNIT), held in Surat, India on 15-17 December, 2011.
- 21st International Seaweeds Symposium, Bali, Indonesia, April 21-26, 2013.
- ECSA 53: Estuaries and coastal areas in times of intense change, 13-17 October 2013, Shanghai, China (Abstract submitted).

PARTICIPATION IN NATIONAL CONFERENCES, SEMINAR AND WORKSHOP

Above 200 conferences, seminars and workshops attended and in most of them research papers presented.

RESEARCH HONOUR

- Rs. 20000 funded by University Grant Commission for M.Phil Scholarship (1984).
- Awarded Certificate of Participation in International Conference on Marine Science, Institute of Marine Sciences University of Karachi (Dated: 29 March - 2 April, 1986).
- Awarded Certificate to Training Program on “Biochemical Separation and Protein Sequencing Methods”, HEJ Research Institute of Chemistry, University of Karachi (Dated: 21-30.01.1988).

- Awarded Certificate to attend Symposium on “Protein Structure Function Relationship”, HEJ Research Institute of Chemistry, University of Karachi (Dated: 18-20.01.1988).
- Awarded Certificate to attend Symposium on “Protein Structure Function Relationship”, HEJ Research Institute of Chemistry, University of Karachi (Dated: 11-14.12.1989).
- Rs. 30,000 funded by University Grant Commission (1998).
- Awarded Certificate of Participation in Workshop on “HPLC of Organic Molecules”, HEJ Research Institute of Chemistry, University of Karachi (Dated: 11-16.02.1999).
- Awarded Certificate to complete the workshop on “Statistical Analysis of Marine Science Data by MINITAB software”, British Council/DFID Higher Educational Link Program, Division of Environmental and Environmental Biology, Glasgow University, UK and Center of Excellence in Marine Biology, University of Karachi (23-25Oct. 1999).
- Rs. 50,000 (Seasonal variation in hydrographic conditions and nutrients of seaweed tide pools at Karachi coast) funded by University Grant Commission (2000).
- Travel grant and Dearness Allowances from British Council for linkage Program “Coastal Zone Management and Environmental Impact Assessment between Centre of Excellence in Marine Biology, University of Karachi and Glasgow University, UK (2001).
- Awarded Certificate of intensive course on SPSS: “Data Analysis and Interpretations”, CEMB, University of Karachi (Dated: 5-12.11.2001).
- Awarded Certificate of Appreciation on Fifth International Conference on Trace Metals in Aquatic Environment, NIO, Karachi (Dated: 25-27.01.2001).
- Awarded Travel grant from PSF to attend the international conference on “The role of natural resources and environmental in sustain able development in South and Southern Asia (NESDA)” organized by the SEGMITE from 17-20 January 2003 at Dhaka, Bangladesh.
- Awarded Certificate for Participation in International Conference on The Role of Natural Resources and Environment in Sustainable Development in South and Southeast Asia (NESDA) in Bangladesh (Dated: 17-20.1.2003)
- Awarded shield from Institute of Marine Engineering Science and Technology (UK) Society of Economic Geologist and Mineral Technologists (2003).
- Awarded Certificate of Participation in 7th National Symposium on Analytical and Environmental Chemistry, Centre of Excellence in Analytical Chemistry and Centre of Environmental Studies, University of Sindh, Jamshoro (Dated: 4-5.3.2003).
- Awarded Certificate of Participation in Higher Education Link Program, Coastal Zone Management CEMB, University of Karachi (Dated: 16-21 February, 2004)
- Awarded Travel grant from HEC to attend the international conference on “International congress of environmental research” organized by Journal of Environmental Research and Development & Govt. Geetanjali Girls College Bhopal, India from 28 to 30 December 2007.
- Awarded Certificate of Participation in International Congress of Environmental Research, Bhopal, India (Dated: 28-30.12.2007)
- Awarded Certificate to presented the paper “Heavy Metal Pollution in Coastal Sea Waters of Nathia Gali Karachi” in International Congress of Environmental Research, Bhopal, India (Dated: 28-30.12.2007)
- Awarded Certificate of 2nd National Seminar on “Intellectual Property Rights Protection” (Dated: 29-30.05.2007)

- Awarded Rs.10,00000, HEC project “Comparative study of agar and carrageenan content in different species of red seaweed collected from Karachi coast” (August 2008).
- Awarded Certificate of Participation in 6 Day Workshop on Chemistry for Life Science Professionals, National Core Group in Chemistry, ICCBS, University of Karachi (Dated: 5-10.05.2008).
- Awarded certificate of Participation in International Conference and Exhibition of “Interspill Marseille 2009” held in Parc Chanot Marseille, France on 12th to 14th May, 2009.
- Awarded \$ 50/ from UNESCO (2009).
- Awarded shield as a resource person, Member organizing Committee from centre for Plant Conservation, Center of Excellence in Marine Biology, Institute of Environmental Studies, Institute of Marine Sciences, Department of Microbiology, Department of Zoology, University of Karachi (2010).
- Awarded Travel grant from HEC to attend the international conference on “International Congress of Environmental Research” held in University of Mauritius, Reduit, Mauritius on 16 to 18 September, 2010.
- Awarded Certificate to attend International Congress of Environmental Research (ICER-10) in Mauritius (Dated: 16-18.09.2010).
- Awarded Certificate to present the paper “Antibacterial activities of brown seaweed *Sargassum boveanum* (J. Ag.) against diarrhea along the coast of Karachi, Pakistan” in International Congress of Environmental Research (Dated: 16-18.09.2010)
- Awarded Certificate to present paper “Determination of fluoride concentration in seawater of different shores along the Karachi, Pakistan” in International Congress of Environmental Research (ICER-10) in Mauritius (Dated: 16-18.09.2010).
- Awarded Certificate to chair the session in International Congress of Environmental Research (ICER-10) in Mauritius (Dated: 16-18.09.2010).
- Awarded Shield from All Pakistan Muttahida Students Organization and Academic and Social Circle for participation in Re-Engineering Pakistan Exhibition and workshop at Karachi Expo Centre (2011).
- Awarded certificate from All Pakistan Muttahida Students Organization and Academic and Social Circle for participation in Re-Engineering Pakistan Exhibition and workshop at Karachi Expo Centre (2011).
- Awarded Certificate of Second National Phycological Conference on “Algae for Mankind” (Dated: 15-17.10.2012)
- Awarded Certificate of Participation in Workshop on Self Assessment Report from Quality Enhancement Cell, University of Karachi (Dated: 07.04.2012)
- Awarded Certificate of Participation in Workshop on Bioethics, Faculty of pharmacy, University of Karachi (Dated: 23.2.2012).
- Awarded Certificate of Participation in Seminar on Taxonomy of Ecosystem of Mangroves, Sindh Coastal Development Authority, Planning and Development, Government of Sindh and Department of Botany, University of Karachi (Dated: 16.02.2012).
- Awarded certificate of KU-PASTIC Workshop on Intellectual Property Rights, Department of Microbiology, University of Karachi (14th May, 2012).
- Awarded Certificate to present paper “Distribution and Abundance of Marine Debris Along the Coast of Karachi (Arabian Sea), Pakistan” in International Congress of on water, mineral and energy resources, Geology Department, University of Karachi (5-8th October 2013).

- Attended Inaugural Ceremony of 14th Asian symposium on Medicinal plants species and other natural products organized by HEJ Research Institute of Chemistry (ICCBS), University of Karachi (9th December, 2013).
- Awarded Certificate of Participation in Shameel Memorial Seminar on Algal Resources of Pakistan, University of Karachi (Dated: May 6-7, 2014)
- Awarded certificate to chair the session in 35th Pakistan Congress of Zoology (International), University of Karachi (1-4th March, 2015).
- Awarded Certificate to present paper "Seasonal variation in occurrence of heavy metals in *Perna viridis* from Manora channel of Karachi, Arabian Sea" in International Congress of 35th Pakistan Congress of Zoology, University of Karachi (1-4th March, 2015).
- Attended Closing Ceremony of 4th International conference on Environmental Horizon Valuing and Conserving nature organized by Department of Chemistry and ICCBS, University of Karachi (10th January, 2016).
- Attended "2nd Convocation of Lasbela University of Agriculture, Water and Marine Sciences" (14th February, 2017).
- Attended Seminar "World Water Day" organized by Institute of Sustainable Halophyte Utilization, University of Karachi (22nd March, 2017).
- Attended Seminar "World Water Day" organized by Barrett Hodgson University, Karachi (22nd March, 2017).
- Attended Symposium "Sindh at the crossroad of success through CPEC" organized by University of Karachi and Institute of Sustainable Halophyte Utilization, University of Karachi (6th April, 2017).
- Attended Congress "3rd IEEE Pakistan Computer Society Congress (PCSC)" organized by Department of Computer Science University of Karachi and IEEE Computer Society Karachi Section (8-9th April, 2017).

COURSES TAUGHT:

- Introduction to Marine Sciences, Mar.Sci.301
- General Biology, Bio.301
- Marine Resources, Mar.Sci.401
- Biostatistic Mar.Sci.401
- Marine Biochemistry, Mar.Sci.402
- Functional Biology, Bio.402
- Marine Chemistry, Mar.Sci.507
- Marine Pollution and Control, 602
- Aquaculture Health Management Mar.Sci.615
- Aquaculture Nutrition Mar.Sci.613
- Biological Oceanography, IMS-702
- Marine Pollution, IMS-708
- Physical Oceanography, IMS-710
- Marine Chemistry, IMS-703
- Coastal Zone Management, IMS-709
- Oceanographic Methods, IMS-711
- Seaweed and Mangroves, IMS-715
- Fisheries and Methodology and Statistics, IMS-712
- Principle of Mariculture, IMS- 707

- Marine Chemistry, MB-727.
- Seaweed and Mangroves, MB-735.
- Marine Biochemistry, MB-732.
- Marine Ecology, MB-729
- Physical Oceanography, MB-709
- Research Methodology, IMS-701

INVITED REVIEWER

1. Journal of Environmental Research and Development, India
 2. Journal of Shipping and Ocean Engineering” Suite, USA
 3. Pakistan J. Science Industrial Research, Pakistan
 4. Karachi University Journal of Science, Pakistan
 5. International J. Biological Biotechnology, Pakistan
 6. International J. Phycology and Phycochemistry
 7. International Journal of Marine Science
 8. International Journal of Economic and Environmental Geology
 9. Economic Geologists and Mineral Technologists (SEGMITE)
